Report of Inspector G. W. Nelson Received By Public School Board

Public Liability Insurance Increased — Staff Offered Re-engagement At Increase

The report of G. W. Nelson, Inspector of Centre Hastings, on his inspection of the Stirling Public School was tabled at the regular monthly meeting of the School Board held on Monday night and after brief discussion was received and filed.

Chairman R. A. Patterson, president and was supported by W. H. Donnan, R. E. Fox, H. R. Tompkins and Dr. E. A. Carleton.

A communication was tabled from H. C. Martin, stating the Board's wishes regarding the increase in the public liability insurance had been carried out. The present coverage is \$20,000 for each pupil, \$40,000 for each accident and \$1000 property damage for each accident.

Inspector G. W. Nelson, in a letter to the Board, recommended the adoption of a new record system at an approximate cost of \$8.00 per room. This amount covers the cost of the required stationery and a suitable container. The yearly maintenance was estimated at approximately \$2.00 per room. Under the new system, a complete record of each pupil during his term spent in the school will be available. On motion of H. R. Tompkins and Dr. E. A. Carleton, the purchase of the system was authorized.

Chairman Patterson stated he had a request for use of the School Assembly Room on June 4-5-6th by the Toronto Conservatory of Music for holding written examinations. The request was granted on motion by the Board.

The purchase of a quantity of top soil for use on the school lawn and supplies for the school caretaker were left in the hands of the property committee.

The matter of the purchase of a power lawn mower was discussed and on motion of Dr. Carleton and H. R. Tompkins, the property committee was given authority to investigate the matter and report at the next meeting of the Board.

Teacher Engaged

H. R. Tompkins, chairman of the teachers' committee reported that the committee had engaged Mrs. Eva McGee to fill the vacancy on the staff caused by the resignation of Miss H. MacDonald.

He also tabled a letter from the present staff, requesting an increase in salary of \$200. per year. After a discussion, the secretary was authorized to write the staff offering an increase of \$100. (Note — Members of the staff have since accepted the Board's offer).

The following accounts were presented for payment by the Finance Committee: Imperial Oil, \$238.32;

Accepts Position

Miss Lois Mason, Springbrook, has accepted a position on the Teaching Staff of Belleville Public Schools. Her duties will commence in September. Lois is a graduate of Stirling High School and her many friends wish her much luck in her chosen career.

The Stirling Girls' Club

The first meeting of the Stirling Girls' Club was held on March 27th, after four in the Agricultural Room at Stirling.

The leader, Mrs. Luella Bronson, and Assistant leader, Mrs. A. O. Dalrymple, were in charge. The club membership to date is ten. The spring project, "The Supper Club" was discussed.

The election of officers resulted as follows:

President — Patsy Donohoe
1st Vice — Beverley Ray
Secretary — Marlene Carlisle
Treasurer — Marlene Moorcroft
Song Leader — Joanne Heasman
Pianist — Grace Heasman
Press Reporter — Donna Carlisle
Programme and Games — Patsy Fraser and Betty Scott.

A discussion was held on "Objectives for food of the supper club," which included minerals and vitamins and the score sheet for the value of the daily diet.

Each girl is required to do her home assignment and keep a record book; also to exhibit and attend Achievement Day. The meeting was adjourned on motion by Marlene Carlisle.

PALM SUNDAY AT ST. ANDREW'S

At Palm Sunday Service last Sunday morning at St. Andrew's Presbyterian Church, Karen Ann, daughter of Mr. and Mrs. Carl Bateman and Carol Margaret, daughter of Mr. and Mrs. John Bice were baptized by Rev. W. H. V. Walker.

Four Generations Present

The service was marked by the presence of Mr. and Mrs. Geo. H. Cooke, West Huntingdon, great grandparents; Mr. and Mrs. Stanley Bateman, of Tweed, and Mr. and Mrs. Clayton Wright, of Holloway, grandparents, who with the parents, Mr. and Mrs. Carl Bateman, and baby Karen Ann, represented four generations.

Special music included appropriate numbers by the Junior Choir under the leadership of Mrs. Clarke Rodgers and by the Senior Choir with Mrs. R. Williams at the console.

A large congregation was present and the Minister spoke on the "Kingdom of Christ." In referring to the late Queen Mary, he said "It was her nobility of character, greatness of spirit and kindness of heart that won for her the love and devotion of all her people."

St. John's W.A. Monthly Meeting

The March meeting of the Senior Woman's Auxiliary was held in the Parish Hall on Tuesday, March 31st, at 2.30 p.m.

The president, Mrs. H. Rodgers, opened the meeting with hymn 289, followed by the members' prayer, and the Lord's prayer. Mrs. T. Tanner read the Scripture Lesson.

The following programme was in charge of Mrs. S. Boyce and Mrs. S. McArthur: Readings by Mrs. F. Clare, "Easter and Lent" and Mrs. Ed. Clark, "Thine of Beauty"; Rev. H. C. Secker showed slides on "In the Steps of the Master", which were much enjoyed.

Rev. Secker closed the meeting with prayer.

Lunch was served by the committee in charge.

Commemorated 134th Anniversary of Oddfellowship Last Night

The officers and members of Stirling Lodge, No. 239, I.O.O.F., entertained their wives and friends at their annual "At Home" in the Stirling Community Building last night. The event commemorated the 134th anniversary of the Order founded in Baltimore by Thos. Wildey and was attended by some two hundred.

Ken Belcourt, Noble Grand, welcomed the guests and outlined the growth of Oddfellowship which had its birth in Baltimore on April 26th, 1819.

Films were shown through the courtesy of Jack Chard, showing scenes in Northern Ontario and Quebec City.

Frank Chesser, P.N.G., of Belleville, was the guest speaker and delivered a most interesting address on the Biblical Characters of Rebekah Oddfellowship, with particular emphasis on the great sacrifice of Ruth, who had been rewarded in becoming the wife of Boaz.

Douglas Pyear rendered a vocal solo, accompanied by Mrs. A. Pyear, followed by two trio numbers by Sally Fox, Carol Ray and Heather Rodgers, accompanied by Mrs. Clarke Rodgers.

James Campbell and son, Wayne, gave a fine display of step dancing, while Misses Marion Broadworth and Linda Sine delighted with guitar and piano duets. Russell Pyear also contributed several humorous numbers, accompanied on the piano by Mrs. A. Pyear.

E. D. Ketcheson thanked the speaker and all who took part in the programme.

Refreshments were served after which dancing was enjoyed to music supplied by an orchestra composed of Mrs. Lindsay Tanner, Delbert Sine, Patricia Sine, X. P. Mayhew and Don Rodgers. Mr. L. Tanner acted as floor manager and caller for the square dancing.

HONOURED ON 83rd ANNIVERSARY

Sunday evening the Superintendent and members of the Eggleston Sunday School tendered a party for Mr. Peter Reide, it being the occasion of the 83rd anniversary of his birthday.

Miss Joanne Reide presided at the piano and several favourite hymns were sung, concluding with "Blest Be the Tie That Binds".

Mr. Kenneth Stewart, a former pastor, was present and voiced his appreciation for being able to be present and also the cherished memories of his ministry here. He closed his remarks with prayer.

Birthday candles were lighted by Mrs. Harlow and extinguished by Mr. Reide. Mrs. Bert Reide served lunch which brought an enjoyable evening to a close.

Other members of the Over 80 Club are Mrs. Arthur Andrews, Rev. Herbert Clarke and Mr. Hiram Ashley.

"Look Out Lizzie" Well Attended

A large crowd attended the play, "Look Out Lizzie," by Sulphide talent in the Stirling Theatre on Wednesday night of last week. It was sponsored by Wellman's W.A. Homemade candy was sold at the door, the proceeds to go to the Mission Band and Baby Band.

Rev. R. R. Bonsteel acted as chairman for the evening's programme. Two minutes' silence was observed for the late Queen Mary.

Mrs. Lorne Watson led in the singing of a couple of songs. Between acts Miss Iona Sharp with her sister, Miss Donna Sharp, as accompanist, of Campbellford, gave several tap dancing numbers. A group of 12 small girls, of whom Donna is teacher, gave some tap dancing numbers, all of which were greatly enjoyed and brought much applause from the audience.

Misses Verna Brown and Ruth Clancy favoured with two duets. Mrs. R. R. Bonsteel and Mrs. Lorne Watson gave two duets. Mrs. Frederick Beckett presided at the piano for all the singing.

Local and Personal

Mr. and Mrs. Norman McIntosh, of Mentone, Cal., and Messrs. Geo. McIntosh, of St. Ann's, Ont., and Joe McIntosh, of Toronto, were week-end guests of Mr. and Mrs. S. McIntosh.

Past Noble Grands

The Past Noble Grands' Club held its March meeting at the home of Sister Mildred Morrow with Sister Edith Utman as co-hostess with 17 members in attendance.

The president, Sister Mildred Morrow, called the meeting to order and opened with the singing of "O Canada" with Sister Laura Shortt at the piano. Two minutes silence was observed in memory of our late Queen Mary, after which all sang two verses of "The Old Rugged Cross". Minutes of the last meeting and correspondence were read by the secretary and members answered the roll call by paying their fees for the year. One sister paid birthday money and two Sisters paid fines. Happy birthday was sung for Sister Annie Warren.

The April meeting will be held on April 22nd in the evening at the home of Sister Hazel Mumbly. Each Past Grand is to bring a new lodge member and a pot luck lunch will be served.

Sister Marion Wells and Sister Effie Bailey presented the following programme: Reading, Sister Gladys Elliott; games, Sister Marion Wells; reading, Sister Effie Bailey.

The hostess served a most delicious luncheon after which Sister Marion Heath moved a vote of thanks for the lovely afternoon and to all who helped on the programme.

P.O. Hours

Tomorrow being Good Friday, and a statutory holiday, the public wicket at the local Post Office will be open only from 8 to 9 a.m. The same hours will prevail on Easter Monday and there will be no rural mail delivery on either day.

Zone Conference

A conference of the Agricultural Representatives of the Central Ontario Zone took place in the local Agricultural office board room yesterday. There were representatives present from Victoria, Durham, Peterborough, Northumberland, Hastings, Prince Edward, Lennox and Addington and Frontenac Counties. Livestock was the main item under discussion.

Attend Rotary District Assembly

A. O. Dalrymple and E. D. Ketcheson, the newly-elected president and secretary of the Stirling Rotary Club, attended the District Assembly held in the Royal York Hotel, Toronto, on Monday. The work of Rotary and the duties required of the officers were emphasized at the gathering. Mrs. Dalrymple and Mrs. Ketcheson accompanied their husbands to the city.

John Stiles

A well-known and highly esteemed resident of this village, John Stiles, died at his residence, Front St., on Friday last, following an illness of four days' duration.

Born in Rawdon Township, he was the son of the late Mr. and Mrs. John Stiles and was in his 84th year. He operated a farm at Wellman's Corners prior to coming to Stirling to reside twenty-six years ago. He was a member of St. John's Anglican Church and of the L.O.L., No. 442, at Springbrook.

Surviving are his wife, the former Mary Tanner, one son, J. Ward Stiles, of Ottawa, and one daughter, Miss Mary Elizabeth Stiles, of Frankford. A sister, Mrs. Sarah Badgley, of Lomond, Alberta, and a grandson, Daniel also survive.

The funeral took place from his late residence on Tuesday to St. John's Anglican Church, where service was conducted by Rev. H. C. Secker, assisted by Rev. A. S. McConnell, of Trenton, a former rector.

The pallbearers were Charles Vance, Walter Wright, J. B. Belshaw, Wm. John Tanner, Charles Morton and Robert Patterson. Interment in Stirling Cemetery.

St. John's News

Palm Sunday Evensong was well attended when special prayers and music added to the traditional theme of this Sunday next before Easter.

The Boys' Choir sang, "Jesus Tender Shepherd Hear Me," with Robert Noble taking the solo part. The Senior Choir rendered the familiar anthem, "The Palms." The accompaniment was by Mrs. H. Morrow, organist of St. John's. The Rector spoke on the appropriate theme of "The Atonement."

It was announced that a Choir Clinic is to be held on Easter Monday at the Cathedral in Kingston beginning at 10.00 a.m. An address will be given by Dr. H. L. Tracy of Queen's University on the subject of Choir Festivals. Discussion and round table review of the coming Festival on May 31st will be led by W. Ernest Wheatley, Mus. Bac., A.R.C.O., of St. Thomas Church, Belleville. A rehearsal of the Festival music will be held under the direction of several well known organists.

The Lord Bishop of the Diocese, Rt. Rev. K. Evans, D.D., will be present on the 19th of April at 7.30 p.m. to administer the Apostolic Rite of Confirmation. Candidates from the three Churches in the Parish will be presented at this time.

The Missionary film, "The Power Within" will be shown in the Parish Hall on Thursday, April 16th. This film is a professionally acted film and is in circulation to commemorate the Jubilee Year of the M.S.C.S.

Legion Hosts At Zone Tourney

Tweed, Madoc and Stirling Bowlers Advance To District Play-Offs This Week

Stirling Legion were hosts to several visiting branches on the occasion of the Zone Annual Bowling Tournament held at the local Bowl-O-Drome, on Saturday, March 28th.

Belleville, Concession, Tweed Madoc and Stirling branches were represented and the results were as follows:

Three top teams, who will compete in District Play-downs were Tweed, Madoc and Stirling. In the doubles, Tweed and Stirling were the victors and will continue in the District Play-downs, as will two Madoc members who were successful in the singles.

The afternoon was very successful and the visitors were entertained at the Stirling Branch Rooms before leaving for home.

Important Meeting

Next meeting will be on Tuesday, April 7th and matters of considerable importance will be dealt with. Several applicants for membership will be initiated; a full report on the Arena and future possibilities; the approaching Coronation of Her Majesty Queen Elizabeth II; and the Zone meeting to be held at Stirling Legion Room on April 19th, are among the items on the agenda for the April 7th meeting and a full attendance is requested. Veterans and servicemen welcome.

River Valley Women's Institute Holds Final Euchre Party of Season

The ninth and last of this year's series of Euchre Parties was held at the River Valley School House on Friday evening, March 27th under the auspices of River Valley Women's Institute.

There were thirteen members of the W.I. with their families and thirty-six visitors in attendance from Frankford, Trenton, Menie, Carmel, Mount Pleasant and Stirling.

There were eighteen tables in play and the prizes were awarded as follows: Ladies' High, Miss Olive Rose, Frankford; Ladies' Second Best, Mrs. Vincent McCauley, Frankford; Men's High, Gilbert Finkle, Men's Second Best, George Sarles. These prizes were donated by Mr. and Mrs. Ernest Carr and Mrs. Frank Carr. A special prize for the most lone hands was donated by Mr. G. Ingram, Menie, and was a handmade knife box. Mrs. Thos. Sarles, Mount Pleasant and Vincent McCauley, Frankford, each had a count of six and Vincent won the draw.

Mr. and Mrs. Jack Bush donated coffee, serviettes and door prize, and this was won by Mrs. Henry Farrell, Trenton. The usual refreshments were served and a social half hour

enjoyed.

The Treasurer, Mrs. J. L. Donohoe, reported receipts of \$257.00 realized from the winter social activities, which began November 14th, 1952 with a pie social. There were 12 Euchre parties, 1 crokinole party, a dance, a Five Hundred Party and a programme and pie social.

The President, Mrs. Edward Heasman, expressed thanks to all the visitors and members who had participated in these social activities, and to all who donated prizes etc.

Mrs. Louis Rodgers voiced greetings on behalf of Stirling W.I. and offered congratulations on the success of the various parties. She extended an invitation to attend their closing card party. The group also received invitations to Marsh Hill and Frankford.

Mr. Henry Farrell, Trenton, expressed a vote of thanks to River Valley W.I. on behalf of all the visitors who were in attendance or who had attended the various social functions during the season.

In Canada there are 390 national historic sites which have been officially marked with plaques or cairns.

Entered Into Rest

WM. PERCY JACKMAN

(Contributed)

The late Wm. Percy Jackman passed away to his eternal home on March 9th, 1953. Friends from far and near assembled at his home to pay their last tribute of respect to his memory.

He was the only son of the late Elgin and Deborah Jackman and was in his 61st year.

Rev. D. N. Buntain, brother-in-law, of Edmonton, and Rev. R. R. Bonsteel, of Rawdon Circuit, delivered comforting messages for the occasion. Mr. Sidney Mason and his daughter, Mrs. Thos. Sarles, sang the beautiful duet, "In The Garden."

He leaves to mourn his loss his widow, one daughter Mrs. Melville (Alleen) Andrus, of Peterborough; his mother of Stirling and seven grand children; two sisters, Mrs. E. C. (Flossie) Pollock and Mrs. Stanley (Kathleen) Irvine.

The floral emblems were numerous and very beautiful.

Pallbearers were Messrs. Victor Taylor, Walter Scott, Carl Clancy, John Rainnie, Carman Nix and Wm. Drewry.

Interment was made in Wellman's Cemetery.

There is no night in Heaven
In that blest world above
Work can never bring weariness
For work itself is love.

There is no death in Heaven
For they who gain that shore
Have won their immortality
And they can die no more.

MRS. MYRTLE E. LAVENDER

Following an illness of two months, Mrs. Myrtle Lavender, Marmora, died at her home on Thursday afternoon. She was born in Glenmire, Ontario, 48 years ago, being the daughter of William Henderson and the late Ethel Henderson. Mrs. Lavender, who had resided in Marmora for the past 23

years, was well known and highly respected in her community.

She was a member of St. Paul's Anglican Church in Marmora and took an active interest in all church work. She was also a member of the Eastern Star, No. 267, of Marmora.

Surviving are her father, Mr. Henderson; her husband, Manley Lavender; three children, Anne Margaret, Glen and Dean, all at home; one sister, Mrs. William (Hazel) Lavender, of Marmora and two brothers, Charles and Frederick Henderson, of Millbridge.

The funeral took place on Sunday.

Mrs. C. E. Eggleton Honoured Prior To Leaving for Stirling

Mrs. C. E. Eggleton, who is soon leaving Hamilton for Stirling, where she and her husband will make their future home, is being entertained by many friends here prior to their leaving later this month.

Recently Mrs. George Elliott, Delaware Avenue, gave a tea in her honor. Mrs. Frank Mowbray was hostess when the Afternoon Auxiliary of First United Church entertained recently, and a copy of the new Revised Standard Version of the Bible was presented to the guest of honour. Numerous tributes were paid to Mrs. Eggleton's cheerful and enthusiastic service in the various spheres of church life. Miss Florence McNair gave a luncheon attended by members of the Hamilton Presbyterian who have been associated with Mrs. Eggleton during the years when she was serving with that organization.

Several members of the Hamilton Conference Branch of the W.M.S. were present, when Mrs. George Patterson gave a tea at Eaton's Green Room. Reference was made to Mrs. Eggleton's able assistance with the annual Church Women's Conference at McMaster, sponsored by the Hamilton Conference Branch.

Next week, she will be guest of honour at an afternoon tea, when Mrs. W. G. Anderson is hostess on Monday and Mrs. E. Melville Aitken on Tuesday. Later, on April 10th, the Misses Hattie and Mabel Sabine will be hostesses at a dessert luncheon for Mrs. Eggleton. Mrs. William Dodson, of Dundas, is also giving a luncheon. —Hamilton Spectator of March 27th.

W. MacFarlane Of Shannonville Drowned Saturday

Wilbert MacFarlane, 32, of Shannonville, was drowned in the Shannon River, 10 miles east of Belleville early Saturday, when the rowboat in which he and a companion were riding swamped in the rapids below the dam.

William Houston, 40, also of Shannonville, was rescued but MacFarlane disappeared in the darkness and at mid-morning his body had not been recovered.

Houston owes his life to Kenneth Howard, who was awakened by cries for help. He raced out into the darkness and getting another boat was able to rescue Houston who was clinging desperately to two mats and an oar which had been dumped from the boat. No sign was seen of MacFarlane, who was swept downstream.

Archdeacon Goes To Toronto

Archdeacon Arthur Smith of St. Thomas' Church in Belleville, will succeed Rev. Northcote R. Burke as Rector of Christ Church in Toronto's Deer Park district. Mr. Burke is going to Vancouver.

Born at Lyn, Ont., Archdeacon Smith was ordained at Kingston and served at Roslin and Trenton before going overseas at an army chaplain in the Second World War. Upon his return, he went to Belleville.

Canham, U.S. Editor To Speak on C.B.C.

The challenge to the free nations to prove the value of freedom to the "in-between" nations, will be the theme of a radio talk by Edwin D. Canham, Editor of the Christian Science Monitor, on the Canadian Broadcasting Corporation program, "Our Special Speaker," on Sunday, April 5th.

Internationally known as a writer and for his participation in the United Nations, Mr. Canham is a former Rhodes Scholar at Oxford University. As a correspondent for the Monitor, he covered the League of Nations Assembly in Geneva, toured the United States with Ramsay MacDonald, then Prime Minister of England, and attended the London Naval Conference. In 1948, he was vice-chairman of the United States delegation to the United Nations Conference on Freedom

Mr. Canham will speak on "What Is Power? A Consideration of the Moral and Spiritual Elements Which Are the Free Nations' Chief Commitment and Meaning to Mankind." The programme will be heard in Stirling at 10.20 p.m. over CKWS (960 kc).

1953 Telephone Books Being Distributed

Telephone subscribers in Stirling are receiving a bonus with their 1953 directories.

A blue-covered "Telephone Numbers" booklet is being mailed to subscribers here along with each copy of the new directory.

G. W. Proctor, Bell Telephone manager for this region, said this week that the booklets are being distributed to enable telephone users to compile a handy list of both the local and long distance numbers they call frequently. "Use of the booklets is designed to increase the proportion of long distance calls placed by number and to reduce the number of non-essential calls to information," Mr. Proctor said.

"Placing long distance calls by number results in faster service because the operators with whom the calls are

placed can complete them without first having to contact information," he explained.

The new directory, which has a buff cover to distinguish it from last year's green-covered book, contains more than 7,000 new and changed listings. Because of this, Mr. Proctor suggests that subscribers check any personal lists of numbers against the numbers listed in the new book before entering them in the "Telephone Numbers" booklet.

Besides Stirling, the book also contains listings for subscribers in Belleville, Trenton, Madoc, Marmora, Picton, Tweed, Wellington and surrounding territory.

Reflecting the growth of this region is the fact that it was necessary to print 22,030 copies of the directory to supply subscribers this year, compared with 20,955 copies of the 1952 book.

Our People Give

The response of our Stirling and Carmel members to the current support of the church has enabled our Treasurers to promptly meet our obligations. So commendable is the response that it has not been necessary to do any canvassing for current funds. This is as it should be. If everyone does the best possible voluntarily it is much better.

It is hoped that the return of our

Lenten Self Denial and Special Easter envelopes will sustain our fine winter record. It would be a cause for pride if everyone would use regularly the weekly contribution envelopes and avoid the necessity of a bank loan to finance the summer season.

While no special appeal is contemplated in connection with our Centennial Observance it is fondly hoped that the unsolicited gifts of our members, friends and visitors will cover all the extra expense involved. Yes, the people of St. Paul's and Carmel are paying their way. Thank you!

Good Friday

The Rite of Confirmation will be observed with the presentation of Confirmation Testaments at the 10.30 a.m. service April 3rd at St. Paul's.

Memorial Services

On Sunday, April 12th, a Memorial Service will be held at St. Paul's and Carmel to honour the memory of our beloved Dowager Queen Mary. The Sessions have been fortunate in securing a most beautiful portrait of the late Queen to enhance the decorations for the services.

Palm Sunday

Services as outlined in the last issue of the News-Argus were held at St. Paul's last Sunday. The singing in solo, duet, and choral numbers was a benediction to the large congregations.

Quiz

The answers to the last two quiz questions which concludes the 1953 season were both first reported by Mr. Joseph Grills, of Carmel. Question 1, "When could ten men save a city?" Answer, Gen. 18-32. Question 2, "What oasis had 12 wells of water?" Answer, Exodus 15-27.

Cottage Meetings

These begin at the Parsonage on Wednesday, April 8th and continue each Wednesday as advised until June 10th.

Easter Holidays

There will be no choir rehearsals during the period April 6th to 11th. Choirs will sing as usual on Sunday, April 12th.

Church Loyalty

All members of church organizations are reminded that the church engagements have a priority over all others save in the home.

Gives Up Smoking

In a feature article on Who's Who in business Saturday Night says that Dr. Theodore A. Link, age 56, formerly chief geologist of the Imperial Oil Co. gave up smoking a year ago. His partner, Dr. Arthur William Naus, age 37, "as befits a man closely associated with so explosive a substance as oil does not smoke either."

Writ Sarcastic

Writing of Education in Saturday Night the leading article says in part: "Some college officials have said less than half of the young people entering universities these days are ready for higher education. All of these things, however, are of little consequence. All that matters really is that we put up enough buildings to hold the children. The buildings are much more important than the subjects taught, because it is important that we have all the outward signs of material success. When we learn how to produce people as efficiently and uniformly as building — we will all have a delightful time being nobodies and no one will be bothered by dreary subjects like education any more. And that is where we are heading."

Centennial Visitors

Among those expected to attend Centennial Services are members of the Mack family who were prominent in the life of Rawdon Township. The Mack's were Baptists. It is expected that Dr. Harry W. Mack, of Detroit, will take part in the Baptist Memorial Service at Hubel Hill July 5th in the afternoon. Several of the Mack's were prominent in the Masonic Lodge and the Order of the Eastern Star.

**Lent Ends
With Holy Week**

The Meaning and Significance of Lent — Lent is the forty-day season previous to Easter. It had its beginning in the Church as early as the 4th Century and first of all consisted of a period of 40 hours of fasting in memory of Christ's rest in the tomb. Later this was extended to a period of 40 days previous to Easter and is now thus observed. It is primarily a period of penitence preparatory to the most central festival of the Church culminating in the death and resurrection of our Lord.

In many churches this period is observed by fasting, some, such as the Greek Church, having very rigorous rules. In our Reformed tradition the emphasis has never been upon the outward form of fasting or the depriving oneself of certain foods, etc. during this period. We remember the words of the Psalmist: "for thou desirest not sacrifice, else would I give it; thou delightest not in burnt offering. The sacrifices of God are a broken spirit; a broken and a contrite heart, O God. Thou wilt not despise." Hence not depending on outward

formalities, let us remember during these days all that has been gained for us through the sacrifice of Jesus Christ, not forgetting the sacrifices of our brave boys which ensure our freedom, and let us humble ourselves in our unworthiness before God.

Cheery People

God bless the cheery people, the people who greet us whenever they meet us with bright smiling faces; whose eyes and lips say, "It's a beautiful day, though the sky is dull grey, but what matter the weather since we are together?" That's what they say, and the glow on their faces is better than laces — laces and silks in gorgeous array.

God bless the cheery people, the people who treat us the minute they meet us with floods of good news. They speak of the books one really must read, such fervour as theirs one must heed. They speak of new plays, the ones they can praise; where they have been, of sights they have seen, and when they depart there's a glow in the heart, and life seems worth while, because of their smile, because of their lips that did not let fall one word of bitterness, one word at all.

—Wilhemina Stitch

Telephones

Automatic telephones were installed in Stirling in June 1940. The telephone exchange is possibly the only building in the village heated by electricity.

Names

Since 1869 indexes in the Registrar General's Department indicate the most used names for boys to be John, William, James, George and Robert. These were the leaders in the order named. Afterward come such names as Charles, Henry, Frederick, David, Albert, Alexander, Edward, Donald, Thomas, Walter, Harold, Ronald, Paul, Gary and Brian.

Girls

Elizabeth has been a consistent favourite and greatly in the lead for girls' names. Afterward comes Margaret, Helen, Catherine, Annie, Sarah, Jane, Ann, Hannah, Emma, Hazel, Mabel, Ethel, Mary, Florence, Beatrice, Frances, Agnes, Dorothy, Jean, Lillian, Kathleen, Ruth, Evelyn, Marjorie, Linda, Susan, Joan, Sandra, Patricia, Cheryl and Bonnie.

Easter Services

At both St. Paul's and Carmel the services will be of choral nature. In the morning the Royal Choir will sing "The Golden Gates." Mrs. Walter Warren's lovely soprano voice will be heard in "He Was Alone" while the male quartet Messrs. H. E. Brown, Jack Bush, R. A. Patterson and Grant Richardson will interpret "In Joseph's Lovely Garden." The Anthems "Christ Is Risen" and the "Easter Antiphon" will be sung. For the latter number both choirs will take parts, the Royal Choir being in the Church gallery.

At Carmel

The Easter Choir will sing at Carmel two special Anthems in the afternoon. This service will include the Rite of Confirmation.

Evening Easter Day**Royal Choir**

The Annual Choral Service of the Royal Choir will be held at 7.30 p.m.

**"SALADA"
TEA BAGS**

Easter Day "Jesus Loves Me" and "Holy Spirit Tear Us" will be sung by Elaine Vandervoort and Donald Armstrong, respectively.

Thelma Stewart will sing, "The Fir Tree" and Heather Rodgers "A Spring Prayer." In the lovely Flower Carol Sandra West will sing the second verse. The Easter Lesson will be read by Dorothy Johnston.

Carol Ray will sing the second verse of a Dutch Carol "This Joyful Easter Tide." In the Cornish Carol David Bell and Ross Carlisle will sing. Primary children are listed to sing "Glad Easter Is Here" and "Lilies Sweet." Fairlie and Mary Ellen Warren sing a verse of "Sing Children Sing," also Helen Hawkins.

Following the Evening Prayer Wendy Warren sings An Old Legend. She will be followed by Joanne and Grace Heasman, singing a duet, "Now On Land and Sea Descending." The full choir will sing Bach's "Flocks in Pastures Green Abiding."

"Christ The Lord Is Risen," a German Carol, will be sung by Tinka Visser, Jean Grills and Margaret Brooks. The Russian Carol, "Easter Eggs" will afford an opportunity to Paul Hart, Wayne Wannamaker, Ralph Carlisle and Allyn Warren.

An old German Hymn will include verses by Carolyn Belcour, Sandra Stewart, Jean Ann Mayhew or Patricia Fraser. In the concluding number "By Early Morning Light" Dawn

Hubel and Jeanette Ayhart will sing. Most numbers will be supported by the choir.

This service should find a response in family attendance for the inspiration of all boys and girls in the home.

True Fraternality

All our great fraternities are rooted in the Holy Bible. The moral virtues are encouraged and every discipline that honours a man. It is a matter of considerable concern to all true craftsmen, Oddfellows and Orangemen that there are some who are indifferent to the claims of the Church. Absenteeism is often an indication of a moral lapse. There are those who are prevented from attending Church by reason of age, infirmity or some primary home duty. After being generous to all perhaps the frank lines of the scriptures "Sin lieth at the door" is the explanation. This condition can and should be remedied. Let the sinner sin no more. "Revive us again, fill each heart with Thy love, Let each soul be rekindled with fire from above."

CARD OF THANKS

We wish to express to our many friends our appreciation and thanks for the love and respect they have shown for our dear husband and father at the time of his recent illness and death. The neighbourly acts, expressions of sympathy and floral tributes are appreciated more than mere words can express; also our appreciation for the faithful ministering and attendance of our Rector, the Rev. H. S. Secker during the past months and for conducting the funeral rites, assisted by the Rev. A. S. McConnell, rector of St. George's Anglican Church, Trenton, who so kindly attended; also to our friend and physician Dr. D. McMullen, of Frankford, whose skill and care prolonged the life and relieved the suffering of his friend John. 18-1

Hello Homemakers! With the arrival of Easter, life seems to take a new radiance. Most people rise early Easter Sunday morning to hallow the commemoration of Christ's resurrection — the beginning of a new life on earth. The occasion also marks a change in many things that affects our way of life — food, clothes, home and community activities.

In our Mixing Bowl Column we remind you of interesting week-end foods. The traditional Easter items are cooked eggs, hot cross buns and baked ham or lamb, but along with these sweet delicacies will be especially appreciated for those who "gave up" sweets. Recently we have mailed requests for chocolate eclairs, rhubarb custard pie, ice cream topped with peppermint mallow sauce and charlotte russe with pineapple.

Glazed Ham

To cook "ready to eat" half ham allow 14 mins. per pound at 325 degs.

To cook "cook-before-eating" half ham 28 mins. per pound at 325 degs.

Half an hour before end of cooking remove ham from oven and score the fat. Spread ham with a half cup of whipped currant jelly to which 1 tsp. horseradish has been added. Return to oven and continue cooking. Baste 2 or 3 times.

Browned Potatoes

Scald peeled potatoes then pat dry with paper towelling and place in an inch of bacon or beef dripping. Roast in oven at same temperature as ham for 1 1/2 hours.

Creamed Onions

Boil whole skinned onions for 25 mins. Make a white sauce and add a sprinkling of nutmeg then pour over drained onions.

Maple Refrigerator Cake

1 tsp. gelatine
1/2 cup cold water
2 eggs, separated

3 cup maple syrup

1 tsp. salt

1 cup cream, whipped

10 macaroons, crushed

1/2 cup nuts, chopped

24 ladyfingers or strips of cake

Soften gelatine in water 5 minutes. Beat egg yolks slightly, add maple syrup and salt and cook over boiling water until slightly thickened. Add gelatine and stir until dissolved. Cool and add whipped cream, macaroons and nuts. Fold in beaten egg whites. Line a casserole with strips of plain cake and fill with maple mixture. Chill in electric refrigerator 3 hours. When firm, unmould and garnish with whipped cream and nuts.

Easter Garnish: Chop almonds and add 2 or 3 drops of yellow coloring. Stir well. Let dry and top refrigerator or iced cakes.

THE QUESTION BOX

Mrs. C. W. asks: For cookie recipe using maple sugar.

Answer:

Maple Cookies

1/2 cup shortening
1 cup crushed maple sugar
2 eggs, beaten
1 tsp. lemon extract
1 tsp. milk
2 1/2 cups sifted flour
1/2 tsp. salt
2 1/2 tsp. baking powder

Cream shortening and add crushed maple sugar. Add eggs, lemon, milk and part of the flour which has been sifted with salt and baking powder. Beat well and add remaining flour. Chill. Drop by spoonfuls on cookie sheet. Flatten with fork. Sprinkle with maple sugar. Bake in electric oven of 350 degs. for 12 minutes.

Note: If it is not possible to grate or crush maple sugar use 1 cup brown sugar and 1/2 tsp. maple flavoring.

Mrs. G. L. asks: For the new recipe to make whipped pastry.

Answer:

Water Whip Pastry

Measure 1/2 cup shortening into mixing bowl and pour 1 cup boiling water and 1/2 cup milk over fat. Whip shortening with rapid, cross-the-bowl strokes until smooth like whipped cream. Measure 2 cups sifted flour with 1 tsp. salt and sift in bowl. Now use round-the-bowl strokes to form a dough. Divide dough in half and roll between sheets of wax paper, or on lightly floured board.

Easter, 1953

As Easter comes again we find the world still busy beating its ploughshares into guns, tanks, airplanes and other weapons of war. Eight years after World War II the world is still restless; there is no peace, nor in the foreseeable future can we hope to find the peace which Christ hoped two thousand years ago would permeate the hearts of His people. The Cross which Christ found heavy has not lightened with the years.

Jesus faced the Cross with a faith that made the symbol of defeat a symbol of triumph. This is the faith that challenged a civilization in disintegration to build up a newer and finer civilization, and to make that faith dominant. Emerging from the new day which dawned with the Resurrection of our Lord, men, through faith, became aware of forces working towards the creation of a better world, a deeper instinct to spiritual needs and a newer conception of their relationship to God and to their fellow men.

This is the faith which challenges the world today: "The faith that we can do away with war and poverty and disease must take possession of us before we can move into a world set free from these ancient scourges," says an eminent divine. "Quite unlike our feverish fears and restless anxieties and short-sighted plans is the calm expectation, the confident hope, the courageous adventure, inspired by such a Christian faith."

It is evident in a rapidly changing world that racial hatreds, industrial strife, international wars, religious controversies, cannot go on much further. Nor can we much longer survive conditions brought about by fear and greed. We must either rise above them or be submerged.

Wherein has man failed over the two thousand years since the light of the Resurrection morn flooded the world? We know... his eyes have strayed from the light. Instead of having the shadows fall behind him, he has turned and mingled with the shadows, and through the powers of darkness the world is becoming a perilous place; and all because man has not kept faith.

The remedy is so simple — just intelligence and fidelity to the teachings of Jesus. Nothing stands in the way except the obstacles we have either put in the way or permitted to remain there... Few of us appreciate the possible splendor of the human life at its best, and few of us seem to believe that the best is within the reach of the ordinary.

At this Eastertide, let us rededicate ourselves to the cause of Christ; let us turn again towards the light that will lead the world from the dangerous path it is travelling; that a long and lasting peace may again return to the world.

MASSEY-HARRIS BUILDS WORLD'S FIRST TEST TRACK FOR POWER FARMING MACHINES

Another milestone in implement engineering progress

In 1952, Massey-Harris took one of the longest forward steps ever taken by a farm machinery manufacturer, toward the development of stronger, longer-lived, better-performing, trouble-free machines for power farming. Massey-Harris built the world's first full scale farm machinery "Test Track", where M-H tractors, combines and other farm machines are being tested, accurately and scientifically, for vibration, fatigue, resistance to shock, resistance to water and dust, stability on slopes, climbing power, traction in mud, steering, torque, weight distribution.

Combined with practical field tests, these scientific track tests conducted under controlled, comparable conditions are providing Massey-Harris engineers with the necessary knowledge to improve design, increase durability, and improve the performance of every M-H machine that runs on wheels.

\$10.00 Per Ton

An Eastern newspaper takes exception to the \$10.00 per ton increase being applied to newsprint on April 1st by most of the producing companies.

In the past few years the newsprint companies of Canada have steadily increased the price of their product — and the amount is always the same, \$10.00 per ton. Many Canadian papers have attempted to carry these increases but the new increase which was added on April 1st, may break the camel's back. There is almost certain to be an increase in subscription prices.

Many publishers are suggesting that there is no need for the April increase in newsprint prices and they point to the profit recently announced by the Bowater Newfoundland Pulp and Paper Mills, whose net profits rose from \$4,069,829 in 1951, to \$4,617,474 in 1952. Nor will the publishers be called upon to shed any tears for the Howard Smith Paper Mills Limited which recently announced earnings for 1952 of \$9,811,721, after deducting \$4,241,107 for depreciation and depletion. Net profits for the year were given as \$3,826,882.

If these companies are having a hard time getting along their net earnings do not show any cause for tears.

Grass And Farming Interests Reach New Heights

Ontario farmers are finding that there is no part of the farm that will return as much net income per acre with as little cost as properly laid down, well managed pasture, the Crops, Seeds and Weeds Branch of the Ontario Department of Agriculture reported.

Interest in grassland farming has reached a new high throughout the province as farmers have learned by experience that proper management of grassland will conserve the soil, save

labor, and provide the highest possible food value at the lowest cost.

The Department points out that improved pastures, properly balanced hay mixtures and highly nutritious grass silage all fit together towards an efficient livestock feeding program for the entire year.

In past years some farmers felt that initial costs and difficulties in obtaining small seeds provided a handicap to increasing or improving their grass acreages. That is not the case this year. Plentiful supplies of all grasses and clovers are now available at prices considerably less than have obtained for many years.

"There," says the Crops Branch, "This is a good year to seed down."

Regular mixtures can be improved by stepping up the content of alfalfa, Ladino or some of the improved grasses such as meadow fescue, brome, and reed canary grass, according to their adaptability. With such favorable seed conditions this year an opportunity is provided for seeding down a greater acreage. As a result it is expected that many farmers will take advantage of the opportunity to improve their seeding practices.

As many meadows and pastures have suffered this winter due to lack of snow, attention to grassland improvement is timely.

"There is no part of our farms that will return as much net income per acre with as little cost as properly managed pasture," said the Crops Branch. "It is important to our economy that pasture, hay and silage crops be given an important place in our planning of farming operations. 'Grassland is Cashland' — a slogan to be kept in mind."

New Cabbage "Canadian Acre" Highly Regarded

Difficulties in making seed supplies of new varieties of crops quickly available to growers, is well illustrated by the experience of W. Ferguson, Division of Horticulture, Central Experimental Farm, Ottawa.

Canadian Acre, a new variety of cabbage recently developed at the shows — excellent promise for many Canadian conditions and for the United States — it was highly regarded at Cornell University. It has also had a very favourable reception in Southern England. But seed of the new variety will not be available in quantity until a year later than intended.

After thorough testing at Ottawa, a limited supply of the seed was placed with the Co-operative Seed Growers of British Columbia for multiplication in

1950. The seed was planted that year but the following season the area experienced a severe drought and there was no crop of seed to harvest. Small quantities of seed produced at the Central Experimental Farm provided a sample lot for testing purposes at a large vegetable grower's farm at Ringwood, Hampshire, England, and the new variety was so highly regarded there that prompt requests were received for additional seed supplies.

This year small lots of seed are being supplied to several growers in Canada and to selected growers in Europe and the United States. Additional supplies will also be grown at Ottawa, so that by 1954 it is expected a limited amount will be available for the commercial cabbage grower.

Canadian Acre plants are very uniform, small, with a spread of 15 to 20 inches, and the outer leaves flattened or rosette-like. The stems are very short and the foliage has a pleasing bluish-green cast. Heads are round, small, attractive, and uniform in size. The heads are exceptionally uniform in the date at which they reach maturity, and with a weight of about two pounds. It frequently matures several days earlier than Golde Acre and does very well under irrigation.

Flags

A nice new Canadian ensign waved at half mast at the Post Office while the Union Jack at the Public School was also at half mast in honour of Queen Mary. The Church flag at Carmel was also flown at half mast as a mark of respect in this rural area of loyalist farmers.

Coronation Year

With the Coronation only two months distant it is hoped that the many flag poles in Stirling and in the adjacent townships especially rural schools will be equipped with Union Jacks. Stirling could be much more attractive with decorative street lighting and scores of flags.

Village Entrance Signs

It is a sad commentary upon our day to find two of our village entrance welcome signs broken or cast down. They should be replaced or removed. Replacement would be preferable as they give visitors to our village the feeling of being wanted. The grace of hospitality pays temporal as well as spiritual dividends.

"JUNIOR JUMBLE"

News of interest to 4-H and Junior Farmer Clubs in Hastings County

(By J. Allen Francis)

Stirling 4-H Club Organizes

On Thursday, March 26th, the Stirling 4-H Calf Club held their organization meeting in the Agricultural Office, in Stirling. At present there are sixteen members enrolled in the club. Robert Chambers was elected as President, Laverne Moore, as Vice-President and Douglas Dettlor, as Secretary-Treasurer.

The 4-H Calf Clubs are popular in Hastings County. Last year, Hastings had six calf clubs, with a total enrollment of seventy-nine members.

As a project the club member feeds and cares for a calf for the duration of the club year, and exhibits the calf at the Achievement Day. The member studies recommended practices of feeding and management and keeps records of the cost of production.

There are four main objects of the 4-H Club. The first is to create a greater interest among young people in caring for, feeding, developing and marketing of cattle. Club members develop a better general knowledge of breed type and the judging and selection of cattle. The third object is to encourage the adoption of better feeding and management methods in the club district. The fourth object is to encourage the improvement of the type and quality of the cattle in the district.

The calf club member is scored on a point basis and awards are made on the work the club member does during the club year. Four hundred points is

the award for the calf at the Achievement Day. Three hundred points are allotted for judging competition, answers to questions and showmanship. Three hundred points are allotted for care and feeding methods, monthly feeding reports, and attendance and interest shown at meetings.

For those interested in joining a 4-H Club this year, there are several types of clubs to choose from. The clubs that will be operating in the County this year are grain, corn, calf, swine, forestry and tractor clubs. The projects in these clubs are picked to demonstrate high quality production, as well as cost of production. In the grain club the project is sowing one acre of Lanark Oats. The Grain Corn Club will plant one acre of grain corn. Swine club members raise and keep records on one pair of Yorkshire Gilts. The Tractor Club members keep records on the operation of the farm tractor, and learn proper maintenance and rules for safe driving.

Enrollment is still being taken for 4-H Clubs. You can obtain further information on 4-H Club Work by contacting the Office of the Ontario Department of Agriculture, in Stirling.

4-H Club Council Appoints New Secretary

The Canadian Council on 4-H Clubs has appointed Mr. James D. Moore, Secretary-Manager of the Council, succeeding Mr. A. E. MacLaurin, who has retired. Mr. Moore has been Public Relations Officer for the Council since 1948.

Mr. Moore was raised on a Dairy Farm in Peterborough County. While on the farm, he was active in 4-H Club Work. He attended the Agricultural School at Kemptonville and continued on to the Ontario Agricultural College at Guelph, from which he graduated in 1944. Prior to joining the Canadian Council on 4-H Clubs, Mr. Moore was Assistant Agricultural Representative in York County, and Agricultural Representative for Brant County.

CONSERVATION NEWS!

Protect Pickerel During Spawning Period

All indications point to an early run of pickerel in southern sections of the District, and every effort will be made to give the spawn-laden fish protection on the journey to spawning areas.

Increased co-operation from the public generally has been much in evidence during recent seasons and appeals for good sportsmanship in helping to eliminate poaching, have been well supported. Conservation Officers look for renewed efforts both through local protective organizations and individuals in spreading the message of conservation again this spring.

Few people realize how many eggs a single fish may contain, possibly 100,000 in a good sized female, and how few eventually mature into adult fish even given protection. Poor fertilization, coarse fish predators and sometimes pollution will likely reduce survival to a small fraction of the original number.

While severe penalties and seizure of equipment can be expected by the few who seem to persistently ignore the rules the great majority of fishermen will get more fun out of catching their pickerel on a hook later in the season and enjoy better eating.

Fire Protection Meetings To Be Held

Except for a few small operations in the Quinte District scaling work is completed and rangers are turning their attention to the approaching fire season. Protection plans will be discussed at a Chief Rangers' Meeting in Tweed shortly followed on April 1st by the spring meeting with Summer Woods Operators, where all phases of fire prevention and handling fires on summer operations will be discussed.

Ontario Hydro To Add 29,456 Rural Customers In 1953

Ontario Hydro's program of rural construction for 1953 has been planned to bring some 29,456 new customers into the Northern and Southern Ontario Systems, Chairman Robert H. Saunders stated in an announcement. "While we intend pushing forward with the whole broad rural program of new lines, betterments and capital expenditures," said Mr. Saunders, "it is the intention of the Commission to give top priority to the rural extensions which were carried over from the crowded program of 1952."

Mr. Saunders' announcement outlined the program of rural construction for the coming year which will be completed at a cost of \$21,050,000. "This figure," he said "includes \$9,500,000 which will be borne by the Province of Ontario under the Rural Hydro-Electric Distribution Act."

Mr. Saunders stated that the 1953 Hydro rural program is part of a long-term expansion to provide electricity and improved service wherever possible. During the past year, the initial steps of a carefully-planned program of modernization of rural operating area offices and stores facilities were instituted — designed to contribute to greater economy and operating efficiency in rural areas. The stores facilities are being improved through the use of low-cost prefabricated warehouses. By having adequate quarters to stock materials needed in rural area operation, shipping charges can be sharply reduced.

"The people of Ontario," said Mr. Saunders, "in both urban and rural areas, are depending more and more on electricity for a wide range of conveniences, and it is our aim to give them the best possible service."

Hydro's rural activities this year will be advanced in four phases:

First, new rural line extensions of 1,680 miles to add 7,736 customers at a cost of \$9,500,000.

Second, a program of major betterments, plus part of the 1952 betterments approved by the Commission but not completed during 1952. This portion of the rural expansion will cost \$4,850,000.

Third, the addition of 21,720 customers who will be joined to existing lines at a cost of \$4,650,000.

Fourth, a program of minor betterments and minor capital expenditures for the improvement of service to an estimated 4,025 customers at a cost of \$2,000,000.

"We at Hydro realize the importance of electricity to rural Ontario," said Mr. Saunders, "and we are pressing forward with this ambitious program of rural construction. During the past seven years, the Commission has added more rural customers than during the previous 24 years of Hydro rural service."

"In 1945, we were serving 156,000 rural customers over 21,569 miles of rural primary line. By December 31, 1952, the number of customers had

more than doubled and we were serving 343,537 rural customers over 40,277 miles of line.

"Hydro service has become an indispensable part of modern life in rural Ontario," said Mr. Saunders. "Because of its low cost, electricity has contributed to happier living in farming and hamlet areas — easing the work load of the farmer and bringing convenience and comfort into the rural home."

"We hope this 1953 program will advance still further Hydro's goal of bringing electricity into every rural home in Ontario within economical range of our lines," said Mr. Saunders.

"Dairy Day" To Demonstrate Advances in Dairy Farming

Latest procedures in modern dairy farm management will be demonstrated to the dairy farmers of Ontario on

Wednesday, June 17th, when the first "Dairy Day" to be held in Canada will be observed on the farm of Mervin Shantz, R.R. 2, Alma, Hon. F. S. Thomas, Minister of Agriculture, announced.

Purpose of the day will be to bring before the dairy farmers of the Province some innovations in dairy cattle housing, and dairy cattle feeding. In addition demonstrations will be staged with reference to milk production, control of diseases, proper feeding, methods, barn drying of hay, grass silage, loose housing and milking parlours.

Experts from the Ontario Department of Agriculture and the dairy industry will be on hand to give technical advice on subjects pertaining to dairy farm operation.

The demonstration is sponsored by the Dairy Branch of the Department of Agriculture in co-operation with the Agricultural Representatives Branch, the Live Stock Branch, the Ontario Agricultural College and the Ontario Veterinary College. Various Breed

Associations and representatives of processors, distributors and producer organizations will also take part in the program. An invitation has been extended to dairy equipment manufacturers to demonstrate the latest equipment for the dairy farmer.

The day will provide a gathering-place for cream, cheese, concentrated and fluid milk producers and distributors, machinery distributors and consumers.

The Shantz farm is ideally suited for the occasion, presenting as it does something new in dairy housing. Mr. Shantz had his dairy barn destroyed by fire some time ago and has replaced it with a modern 110 foot loafing pole barn which is used as a loose housing pen in conjunction with a milking parlour.

Interest in "Dairy Day" is increasingly evident with dairy organizations planning chartered bus trips to take in the event.

The day will be a tribute to the 106,000 odd dairy farmers in Ontario.

STIRLING

IS YOUR FRONT END STEERING STRAIGHT

Your car may steer so sweetly on the road, that it's hard to realize how thousands of travel miles and millions of bumps may have put the front-wheels out of alignment.

Yet a little misalignment can scuff a lot of mileage off your front tires — and make control less sure.

It's an easy matter for us, with our special equipment to give your whole front-end assembly the checkup it should have periodically. Drive in soon, why don't you, and let our experts make sure your car is tracking true?

Couple Honoured By Shower

The home of Mr. and Mrs. Davis MacDonald, Stockdale, was the scene of a happy gathering on Friday, March 20th, when Mr. and Mrs. Howard MacDonald, (nee Eleanor Fox, of Stirling) were guests of honour at a miscellaneous shower.

A short programme of readings, music and contests was enjoyed, after which the bride (dressed on her wedding gown) and groom were seated before gaily decorated tables laden with gifts. An address composed by Mrs. P. Hubble, was read to the happy couple by Harold Pitcher, after which the bride and groom opened the gifts. They voiced their sincere thanks to all for the lovely presents and invited each one to their home in Stockdale. All joined in singing "For They Are Jolly Good Fellows," after which refreshments were served and a social hour enjoyed.

Stirling Houses To Be Numbered In Commemoration of Coronation

Fire Chief R. E. Fox Gives Report At Council Meeting — To Have Daylight Time

Houses and business places in Stirling will be numbered as a Village project in commemoration of the Coronation, according to a decision reached by the Council at its regular monthly meeting on Monday night. In sponsoring the move, Reeve R. K. West pointed out that having the houses numbered would greatly facilitate the work of the assessor as well as that of the Public Utilities Commission. The work of installing the numbers will be undertaken by the Public Utilities Commission, while Council will assume their cost. It is expected that this work will get under way in the near future.

Fire Chief Reports

Fire Chief R. E. Fox, in his report to Council recommended the purchase of a number of fire extinguishers and two smoke masks. He also outlined an arrangement that could be made with the Bell Telephone Co. whereby each fireman could be summoned simultaneously in case of a fire.

The purchase of the equipment was authorized by Council and the matter of the alarm system was left in abeyance for further consideration.

Will Not Leave Town

The question of the local Brigade answering alarms to fires outside the Village limits was also discussed at some length. It was pointed out that the local Council had offered to co-operate with the adjacent townships in purchasing equipment suitable to provide fire protection to farm buildings in the area, but Rawdon Township was not agreeable with the scheme. It was also stated that the coverage provided local firement by the Workmen's Compensation Act in case of injury while fighting a fire in the Village did not apply outside the municipality. On motion of Councillors Wells and Philp, it was decided that the local Fire Brigade would not answer any alarm outside the Village limits except to farms, a part of which was within the limits of the Village.

Bought Grader

Messrs. Raymond Cooney and Earl Wallace waited on Council relative to the purchase of the old road grader and on motion of Bailey and Philp, were sold the machine for \$50.

Clerk Mallory reported unpaid taxes amounting to \$322.52 and was instructed to return them to the County for collection.

The purchase of three new Union Jacks was authorized on motion of Councillors Bailey and Wells.

A communication was tabled from the Ontario Department of Planning and Development, regarding a building by-law for small urban municipalities and Clerk Mallory was authorized to write for a copy.

To Adopt

Daylight Saving
The matter of daylight saving was discussed and it was decided that Stirling will adopt the change in time April 26th and continue until Sept. 27th.

Accept School Assessment

The equalized assessment for Stirling in the Centre-Hastings High School Area, \$720,000, was accepted by Council for the year 1953, only, on motion of Councillors Wells and Philp. The Clerk was instructed to send a copy of the resolution to the Secretary of the Centre Hastings High School Area and to C. Geen, the County Assessor.

The condition of the parking lot on the corner of Church and Emily streets was brought to the attention of Council. It appears trucks owned by the Ontario Department of Highways, which owns the adjacent building, have cut the surface up badly in ruts. On motion of Councillors Wells and Bailey, the Clerk was instructed to write the Department to have the lot gravelled.

Councillor Bradshaw gave notice that at the next meeting of Council, he would introduce a by-law to place

To Sound Fire Siren Saturday Noon

At the request of the local Fire Brigade, the fire siren will be sounded at twelve o'clock noon each Saturday for testing purposes. This action was approved by Council at its regular meeting on Monday night.

Scouts Visit RCAF Troop

Twelve of the local Boy Scouts accompanied by Scout Master Joe Irish and Assistant Scout Master Frank Harding, were entertained by the RCAF Troop at Breadner's School on Monday night. Scout Master Art Davies and his Scouts royally entertained the visitors from Stirling and the evening closed with a bountiful lunch served by the Boy Scouts Woman's Auxiliary.

Local Girl Member O'Sullivan Clan Off To Ireland

Whether it's Sullivan or O'Sullivan, it's Irish, and 22 of the clan by that name Monday left from New York by plane for Ireland — to help a few thousand other Sullivans and O'Sullivans celebrate.

The American Sullivans and O'Sullivans, on their way to attend "An Tostal" (Irish at home) festivities, were mostly women — 17 of them, both married and single.

Oldest in the band was J. B. Sullivan, 78, of Sharonville, Ohio, and the youngest was Mrs. Eileen Sullivan, 22, of Orland, Ont., daughter of Mrs. Irene Roberts, of Stirling.

On hand to see them off were about 40 other Sullivans and O'Sullivans.

McGee-Orr Nuptials

A very pretty double-ring wedding ceremony was solemnized in Christ Church, Belleville, on Saturday, March 28th, at 2.00 p.m., by Canon J. B. Creagan, when Shirley Alfreda, youngest daughter of Mr. and Mrs. G. F. Orr, Belleville, was united in marriage to Douglas Edward, only son of Mrs. Eva McGee, Stirling, and the late Mr. Lindsay McGee.

The bride was lovely in a grey suit with navy and white accessories and corsage of white carnations and forget-me-nots.

The bride's attendant was Miss Margaret McGee, sister of the groom, who chose a suit of dusty rose and navy with white accessories and a corsage of red roses.

Mr. Robert Orr, brother of the bride, attended the groom.

A reception was held at the home of the bride for the immediate families. Mrs. Orr, mother of the bride, was attired in a navy blue sheer dress and corsage of cream roses. Mrs. McGee, mother of the groom, wore navy blue figured crepe dress and corsage of red roses.

After the reception the bride and groom left for Lake Placid, U.S. and Montreal, Que. Upon their return they will reside in Stirling.

A tax on the wartime houses on North Street for sewerage.

The following accounts were presented for payment:

Sidney Mason, \$18.00; McIntosh & Wells, \$11.33; Municipal World, \$25.00; Rosco Co., culverts and road drag, \$597.02; H. E. Cooke, \$240.00; Harry Jones, \$43.50; Public Utilities, \$295.02; Hatton Hardware, \$22.72; Stirling Motors, .90; G. B. Faulkner, \$22.50; J. A. Hamilton and son, \$20.25; County of Hastings, \$46.50; Frank Stapley, \$5.00; Bell Telephone, \$6.20; R. A. Patterson, \$55.00; C. Tucker & Son, \$19.00; Stirling Machine Shop, \$3.00; F. A. R. McFadden, \$125.00.

LEGION WELCOMES NEW MEMBERS

At the regular business meeting of the Stirling Branch of the Canadian Legion, held on Tuesday, April 7th, Harry Philp, Howard Parsonson and Bruce Glendenning were admitted to full membership. Those participating in the ceremony were Cde. F. Houchin, Presiding Officer; Zone Commander Percy Gray Jr., of Marmora, and 1st Vice President Cde. Herb Stewart. The Branch is happy to welcome the new members.

The Treasurer's report on the Arena Account showed that in spite of considerable expense both on the rink itself and on necessary equipment, a credit balance was still on hand.

Other branch accounts were shown to be in a satisfactory condition.

The Zone Commander addressed the Branch and arrangements were made for the Zone Meeting at Stirling on April 19th, which will be an afternoon meeting ending with a dinner.

The observance of the Coronation of Queen Elizabeth II was left in the hands of the Executive Council.

Grass Fire

The local Fire Brigade, under Chief R. E. Fox, made a run to the property of Mrs. Lillie Howard, Henry Street, on Tuesday to keep a grass fire under control.

Local Happenings of Interest About Town

Mr. and Mrs. Bruce Bell and David are spending this week in Syracuse.

Mr. and Mrs. J. G. Beatty, Barbara and Mary, of Toronto, spent Easter with Mrs. Hugh Morton.

STIRLING W.I. CARD PARTY

Stirling Women's Institute closing Card Party for the season was held Easter Monday night in the Community Hall with 12 tables playing progressive Euchre. Ten games were enjoyed with the following being the winners: Ladies' high, with a score of 90 points, was Mrs. Clarence Holmes, Trent Road; Ladies' second high, score 78, Mrs. Albert Caskey, Frankford; Men's high, Mr. Jack Morrison, score 77; Men's 2nd high, Mr. Geo. Nicholson, Frankford, with 73 points to his credit.

Tickets had been sold previous to the card party on a beautiful home-made quilt with top donated by Mrs. Claude Pryor, of town, for the benefit of Mrs. Kirkey's group. Douglas Kane of River Valley, was asked to draw the lucky ticket for the quilt with Mr. Meighen Rodgers receiving the prize from Mrs. S. Kirkey.

A prize was donated by the Stirling W.I. for the one who sold the most tickets. Mrs. Everett Cooke, Ridge Road, came highest and received as a reward, a hand hooked rug.

Tables were spread with white table cloths and a bountiful lunch was enjoyed by everyone.

The officers and members of the Institute are very grateful to each and every one who participated in any way in the making of these card parties a success.

Maurice Bell and Associates, local decorators, have been engaged to decorate the interior of Victoria United Church, Ameliasburg Township, in Prince Edward County.

The work of redecorating St. Paul's Anglican Church, Roslin, was completed this week.

Puppet Show A Success

The Puppet Show, sponsored by the local Girl Guides and Brownies, in the Stirling Theatre, last night, was a decided success. Mr. and Mrs. Bill Warren, accompanied by Mrs. Clyde and Mrs. Willard, all of Kingston, were the visiting artists and displayed exceptional talent.

Loses Brother

Word was received on Tuesday by George Watson, of Wellmans, of the death of his brother, Rev. J. S. Watson, at a Winnipeg Hospital in his 84th year. Mrs. Walter Dracup, also of Wellman's, is a sister. Stirling and district friends join in extending sympathy.

County Council In Session

Hastings County Council is in session this week with the opening meeting being convened on Wednesday. The main business at the session will be setting of the County tax rate.

Those from this district in attendance are Reeve West, of this Village; Reeve Verney Heath and Deputy Reeve Theodore Cooney, of Rawdon Township; Reeve Harry Morow and Deputy Reeve B. Harder, of Sidney Township, and Reeve E. Wood, of Huntingdon Township.

Marabelle West Bride of W. Clare

Easter lilies and mixed Spring flowers arranged against a background of fern decorated St. Paul's United Church, Stirling, on Saturday, at 2.30 p.m. for the wedding of Marabelle Irene, daughter of Mr. and Mrs. Wm. C. West to Mr. William Bertram Clare, son of Mr. and Mrs. Floyd G. Clare, of Stirling. Rev. A. E. Baker officiated and the wedding music was played by Mrs. A. E. Baker, A.R.C.T. The soloist was Mrs. Harold West, who sang "The Lord's Prayer", before the ceremony and "Because" during the signing of the register.

Given in marriage by her father, the bride was gowned in white nylon net and chanted lace over satin with a finger-length veil of tulle illusion caught to a coronet of seed pearls. Her shower bouquet was of Better-time roses with white hyacinth florettes and roses on the white satin streamers.

Mrs. David Duffin was matron of honour for her sister in a gown of mauve nylon net over taffeta, with matching cap and gloves. She carried a Colonial bouquet of Gloria roses, mauve sweet peas and white hyacinth florettes.

Mr. Allan Bertram, of Toronto, was best man and the ushers were Mr. David Duffin, Stirling, and Mr. James Dowsett, of Belleville.

Following the ceremony, a reception was held at the home of the bride's parents, where the guests were received by Mrs. West in a floor-length gown of coral lace and corsage of panisies. She was assisted by the groom's mother, in a floor-length gown of navy crepe, with a corsage of gardenias.

For a wedding trip to Virginia, the bride chose a red suit with black and white accessories and a corsage of feathered white carnations. Mr. and Mrs. Clare will reside in Stirling on their return.

Guests were present from Galt, Toronto, Pickering, Waterloo, Belleville, Kingston and Foxboro.

Appropriate Music Rendered By Large Choirs — Flowers Adorn the Edifices

A large congregation was present at St. Andrew's last Sunday morning.

The special music included, a trio, entitled "Easter Day", by Carol Ray, Sally Fox and Heather Rodgers, with Mrs. Clark Rodgers at the piano; an anthem, "Hallelujah, Christ is Risen", and a trio, by Mrs. Roy Eggleton, Mrs. Chas. Farney and Miss Barbara Farney, "Easter Bells". A full choir led in the singing of the Easter hymns, with Mrs. R. H. Williams at the console. Beautiful Easter lilies and daffodils were placed around the altar in memory of loved ones.

An Easter message was delivered by the minister, Rev. W. H. V. Walker, from St. John's Gospel, chapter 20, "Four dark shadows" that can be dispelled by the sunlight of the Risen Lord, namely, Our Sorrows, our Fears, our Sins, and our Doubts.

The Sacrament of the Lord's Supper was dispensed to an exceptionally large number of communicants. Seven new members were received into the fellowship of the Church at the Preparatory Service by profession of faith: John Craighead, Carol Farney, Allan Farney, Elizabeth Fox, Douglas McIntosh, John Ray and Beverley Ray.

At St. John's

Easter Day service saw a full church, when Holy Communion was celebrated with special music and the church filled with beautiful memorial flowers. The girls' choir sang The Cherry Tree Carol, "Good Joseph Had a Garden". The senior choir sang "Awake Thou That Sleepest". Appropriate Easter Postludes and Preludes were played by the organist, Mrs. H. Morrow. Memorial flowers were to the Glory of God and in loving memory of the following: Mrs. C. Chard, Mrs. Geo. Bailey, Mrs. E. Cooke, Mr. and Mrs. W. W. Thompson, Mr. and Mrs. J. W. Carleton and Mr. and Mrs. A. Macgillivray, Mr. John Stiles. During the service the Rector dedicated a large bale of clothing and gifts made up by the W.A. for shipment to the Mission Field. The Rector spoke on the subject of "New Life".

Engaged As Teacher

Mrs. Gilbert Finkle Hostess To River Valley W.I. For Annual Meeting

On Thursday April 8th, Mrs. Gilbert Finkle was hostess for the Annual Meeting of River Valley Women's Institute. There were 21 members, 3 visitors and several children in attendance.

The President, Mrs. Edward Heasman, presided and Mrs. John Kane officiated at the piano. Mrs. J. L. Donohoe gave her report. There is a good bank balance and the organization has \$500.00 in bonds for a special fund.

The total year's receipts were \$1143.63 and the total expenses were \$1114.26. Cupboards chairs and other equipment for the school cost \$378.89. The Institute Member's Badges were purchased from the funds and \$30.00 was given to various charities. Mrs. Jack Sager reported for the auditors.

The District Annual will be held at Scott's United Church on May 27th, under the auspices of Uniondale Branch. Delegates are to bring their own box lunch and also a silver collection for the District. A letter of thanks was read from Mrs. Kenneth

Morrow.

The Penny Round-up Bags have been distributed at the River Valley School and several members took one at the meeting. This is in aid of the Canadian Mental Health Association and is payable in early June. The roll call was "pay your dues." Several members purchased their hostess pins for A.C.C.W. at 35 cents each. One new member joined the Institute.

A discussion re a delegate to Guelph in May was left in abeyance with the hope that some member can go at the expense of the Institute. The District Alternate Director reported a recent meeting held in Belleville. River Valley will have 5 voting delegates. It was suggested that programmes for the district be combined to start this June and end May 1954.

Plans were made to send Easter flowers to a sick member in a Toronto hospital. A dance will be held in the Community Hall this month. Some discussion took place re the purchase of stainless steel teaspoons. The

officers salaries for the past year were ordered paid and an increase authorized for next year. Mrs. Don Scott will be hostess for the next meeting on May 7th at 2 p.m.

District President

In Attendance

The District President, Mrs. George Burkhitt was welcomed and she gave a report of the Guelph Conference. One of the speakers at MacDonald Hall said, "we must strengthen our civilization, and this can be accomplished if we have a good attitude as Christian women in our homes and communities." The speaker defined the work of the F.A.O., U.N.E.S.C.O. and the W.H.O., which comprises, Food, Education and Health for the world. She stressed the items of interest to be found in "Federated News of the World."

The A.C.W.W. Conference known as "Canada Day" will be held August 21st at Maple Leaf Gardens, Toronto. West Hastings has chartered a bus for that occasion.

It was advised to conserve funds for Institute work and to be diligent in the various departments. Other items were "Study Your Handbook," "Use Your Own Talent" and "Don't Be Afraid of Being Friendly."

Mrs. Heasman voiced thanks to Mrs. Burkhitt for her educational message. She also thanked all members and officers for their co-operation and donated an electric tea kettle for use at the school. The Secretary voiced thanks for the gift.

Mrs. Ernest Carr reported on behalf of the nominating committee and nearly all officers were re-elected. The District President conducted the election which resulted as follows:

President of Tweed C of C

Edgar W. Jones was named President of Tweed Chamber of Commerce at a meeting of the Directors held at the Tweed Municipal Hall on Monday night of last week. There were no other nominations and the new President succeeds K. V. Burkett, who has served since 1951.

Named Candidate

W. R. Aylsworth, well-known district cattle breeder and Member of the House of Commons for Frontenac-Addington, will continue his political wars in the next Federal election. He defeated Lt.-Col. T. A. Kidd at the Conservative Nomination for Kingston City on Monday night, by 50 votes. Mr. Aylsworth who has been a member of the House of Commons for 13 years, has never been defeated. D. J. Rankin, Q.C., was the other nominee, but he withdrew from the balloting. Wm. Henderson is the present member for Kingston City.

Batawa To Have New 4-Roomed School By Sept.

Construction of a new four-roomed public school at the village of Batawa is scheduled to commence almost immediately with the building to be completed for the opening of school next September. Architects are Watson & Wiegand, of Belleville.

Tenders called by the Batawa School Board were opened last week with John Entwistle, of Cornwall, being the lowest bidder. It is expected the contract will be awarded to Mr. Entwistle. The amount of the tender was not disclosed.

Freedom Called Dynamic Force In World Affairs

A privately-financed clearing house to exchange experience and ideas among the free nations to prove the practical value of freedom was urged Monday by Erwin D. Canham, Editor of The Christian Science Monitor.

Speaking over the Canadian Broadcasting Corporation, Mr. Canham said: "We need to remove the contradictions between what we know or believe to be true, and what we do as citizens or a nation. We need to close the gap between our promises and our performance."

He indicated this can be done because freedom is an essentially dynamic idea. "Basic power is the spiritual idea of freedom as it exists in the hearts of men."

The people in the free nations, Mr. Canham declared, are "the true liberating revolutionaries in today's world." He warned, however, that the value of self-determination has to be presented to nations which are neither completely free nor totalitarian. In practical terms that they can understand.

"To the starving man, the right of individual self-determination may seem to be an empty phrase," he pointed out.

Mr. Canham spoke on the CBC program, "Our Special Speaker."

He said the free nations need to

evaluate the source of their own freedom, and then explain it to the rest of the world. He said a policy could be founded on self-determination and "the fact of interdependence."

What the world needs from the free nations, he went on, is "a great Declaration of Interdependence — of the significance to men everywhere of the principles of free society."

In addition, he said, "we must of course make adequate the physical defenses of the free world; we must attain and preserve its economic stability. We must substitute trade for aid. But above all, in every conceivable way — most of them governmental — we must show the overwhelming majority of mankind who are not yet either in the communist camp, or on the side of what we believe to be free society, what the free system can do for their lives. . .

"The free world has at mid-century produced a kind of society that not only has solved all the problems against which Karl Marx inveighed a century ago, but most of the problems that faced us a half-century ago, and many of the problems that existed a quarter-century ago!"

"We need to know, and the world

needs to know, that we have not stood still in the evolution of institutions of freedom. To help make these institutions effective in the solution of today's world problems is the task we face."

St. Paul's-Carmel Items of Interest

(By Rev. A. E. Baker, U.E.)

Easter greetings were conveyed to all congregations by the Minister last Sunday.

One of many lovely Easter messages reaching the Parsonage read:

You've been so kind and helpful
To those within your care

That this has come to bring you
A heartfelt Easter Prayer:

May God reward your service,
In His most loving way

With all His richest blessings
This Happy Easter Day.

From Palm Sunday

Happy birthday was sung at Carmel for Mr. Everett Grills, Mrs. Harry E. Brown and Mrs. A. E. Baker and at St. Paul's for Mrs. A. E. Baker and Miss Patricia Fraser.

Beautiful crimson birthday roses and pussy willows, the latter the gift of Master Wayne Wannamaker graced St. Paul's while at Carmel African violets and a beautiful plant in full bloom were still life ministrants.

Miss Jeanette Ayhart has joined our Sunday School Staff of promising young pianists. She played very acceptably Palm Sunday. Supt. Hagerman is congratulated on his interest and encouragement for all our young musicians.

Vestry Baptism

Margaret Jean and Mary Elizabeth Johnson were dedicated in baptism at St. Paul's on March 29th.

Holy Week

Rev. W. S. Irwin conducted the Monday Service of Holy Week at Carmel. There was a splendid attendance. Small but devout groups of worshippers were in attendance at St. Paul's on Tuesday and Wednesday. On Thursday the numbers were considerably increased by the presence of the choir. Mr. Melghen Rodgers was the special soloist on Wednesday, singing "Holy Art Thou," by Handel. On Thursday Miss Verna Brown and Mr. Jack Bush sang, "Tarry With Me," while a full choir sang, "God So Loved The World," by Stainer.

Good Samaritans

Under the able leadership of Mrs. David Luery the surplices and hoods of the Royal Choir were laundered and ironed for Easter Day. The Good Samaritans who shared in this ministry included Mrs. Luery who cared for ten surplices alone; Mrs. Claude Tucker who on handing over her completed work said "it was a pleasure to make ready the eight given to me;" Mrs. Douglas Patterson prepared seven and Mrs. Thelma Tulloch, Mrs. Ed. Reynolds, Mrs. L. Wannamaker, Mrs. Letha Thompson and Mrs. Blake Way from four to six each. Mrs. Percy Utman pressed all the Scarlet Hoods.

Others who graciously offered to help and whose names are being kept for future needs include Mrs. Delbert Fleming, Mrs. Walter T. Elliott, Mrs. R. A. Patterson, Mrs. Geo. Carlisle, Mrs. E. Bailey and Mrs. R. Stapley.

Miss Della Caldwell and Mrs. A. Armstrong assisted the gown stewards in making ready the gowns for Easter Day.

Good Friday

At St. Paul's

The Good Friday service was marked by the Rite of Confirmation and the Sacrament of the Lord's Supper. The choir sang, "Behold the Lamb of God" from the Messiah.

Those Confirmed were Elva Grace Heasman, Jeanette Marie Ayhart,

and Evelyn Elaine Warren, Marilyn Hilda Rose, Joanne Elaine Heasman, Betty Lorraine Scott, Margaret Jean Johnson, Mary Elizabeth Johnson, Sandra Anne Stewart and Carolyn Jean Belcourt.

The Minister, Rev. W. S. Irwin, Mrs. Walter T. Elliott (General Council Commissioner), George Carlisle, Clerk of Session and Harold Hagerman, Supt. of Sunday School, extended the right hand of fellowship to these new members of the congregation. The Church Membership Certificates specially embossed for Centennial Year were presented by the Clerk of Session. The Confirmation Testaments were presented by the Supt. of the Sunday School.

A fine company of Elders served the Sacrament elements. The Confirmation Class was served their first Communion by Rev. W. S. Irwin and Elder G. W. Hagerman.

Where Were The Stewards?

A Holy Week attendant asked the question, "Where were the Stewards in relation to attendance at Holy Week Services?" Perhaps at their next meeting they will review this matter? We know that there were at least two of them in attendance.

Sympathy

The congregation of St. Paul's extends its sympathy to Mrs. Burleigh Emmons, bereaved by the sudden death of her husband. Mrs. Emmons thoughtfully sent a memorial basket of flowers for the Good Friday and Easter Day Services.

Church Grounds

Church Officer Arthur Morrison has given the church grounds a Spring clean-up. He has also made the church ready for all appointments. This includes a fine polish on the offering plates.

Coronation

Festival Service

Sunday evening, May 31st, a service to mark the Coronation of Elizabeth II will be held at St. Paul's. Rev. A. M. Lavery, B.A., B.D., Chaplain of Queen's University and a former Pastor will speak. Both Senior and Junior Choirs will participate in this service.

Guest Choir

The Junior Choir of the Timothy Eaton Memorial Church, Toronto, will sing at St. Paul's. The choir will motor from Toronto on Sunday afternoon, May 31st.

Memorial Lilies

The flowers in the altar area of St. Paul's on Easter Day included memorial lilies in loving memory of Roy B. Duffin, the love gift of Mrs. Duffin, of James Hillyard Beatty the love gift of Mrs. Beatty, of Lillian Richardson Irwin the memorial tribute of husband and daughter Rev. W. S. Irwin and Mrs. A. E. Baker; from Miss Gertrude Beresford, of Chicago, in loving memory of her mother and from Harry, Edward and Isobel Heasman and grandchildren Dennis and Marie in loving memory of Wm. Heasman; also lilies from Mrs. W. T. Elliott, Mrs. J. Good, Mrs. R. A. Patterson, Mrs. Geo.

Carlisle and St. Paul's Woman's Association. Two pedestal baskets of spring flowers were the thoughtful gift of Mr. and Mrs. Bertram Clare, last Saturday's groom and bride.

Rotary Appeal

Pending the consolidation of all Public Welfare Appeals we heartily commend the appeal of the Rotary Club of Stirling on behalf of the Ontario Society for Crippled Children.

Memorial Service

Memorial services to mark the passing of Her Gracious Majesty Queen Mary will be held at St. Paul's and Carmel Churches next Sunday, April 12th. The churches will be suitably draped. A life-sized portrait of the late Queen has been obtained. The service will include the hymns, scripture and prayers used at the funeral service for the late Queen in St. George's Chapel, Windsor.

Youth Parade Service

We have been asked to arrange for the attendance of the Boy Scouts and Cubs at a service marking St. George's Day to be held on Sunday, April 19th. We are happy to have the boys and their leaders at St. Paul's. It is not necessary for boys to miss Sunday School in order to attend this service. Sunday School Superintendents are generally always ready to co-operate in these community projects as are Scout and Cub Leaders.

Pew Bible

A Pew Bible was dedicated at St. Paul's Easter Day in loving memory of Mrs. R. H. Philp, the gift of her son

Byrce.

Easter Day

The Rite of Confirmation and the Lord's Supper were observed at Carmel. Those Confirmed were Thos. Richard Grills, Dale Franklin Hubel, William Charles Bailey, Doris Irene Grills, Margaret Lillian Brooks, Dorothy Anne Johnston, Tinka Visser and Vera Dawn Hubel. The right hand of fellowship was extended by the Minister, Rev. W. S. Irwin, Mrs. Louise Anderson and Clerk of Session Harry Brown. The Confirmation Testaments were presented by the Clerk of Session.

Flowers and Music

The sanctuary flowers included a

vase of daffodils from Mr. Ed. Pyear and family in loving memory of a devoted wife and mother. Easter Lilies were placed in the church by Mrs. Harvey Couch, Mrs. Roy Neal and the Woman's Association. A vase of May-flowers picked by Mr. Lorne Brooks on Saturday, April 4th, were tastefully arranged. Several flowering geraniums and other plants were also in the church.

The music by the Easter Choir included "Hope Is Singing" and "Hail The Victor." The choir was under the direction of Mrs. Arthur Pyear.

Visitors

The special music at St. Paul's was

Wellman's Easter Service

A large congregation was present on Sunday evening, April 5th when the Daisy Mission Band presented their third annual worship service. Mrs. Lorne Watson presided at the piano and the Mission Band members and their leaders occupied the choir.

The service included recitations as follows: "Gratitude Flowers" by Mildred Morton and Margaret Dracup; "Did You Ever Stop To Wonder," by Nancy Chumbley and Yvonne King; "Missionary Easter," by Chas. Nix and David Heagle; "Life Anew In Him," by Bernard Beckett; "Easter Flowers," by Sadie Russett. The song, "Garden Divine," was rendered by Chas. Nix, Jimmy Chumbley and David Heagle; "Easter Day," by Janet Heagle, Doreen Maybee, Donald Maybee and Betty Maybee; "Hope's

Awaking," by Sadie Russett, Nancy Chumbley and Yvonne King; "Bells of Easter," by Richard and Bonna Dracup, Carol and Bernard Beckett. Duets were sung by Mildred Morton and Margaret Dracup and by Janet and Jean Thompkins. A beautiful solo was sung by the youngest member, Mary Dracup, "Jesus Said Of Little Children."

The Easter message was given by the Minister, after which the entire choir sang "Glorious Easter Day" and the service closed with the showing of the film, "For God So Loved The World."

Three Brothers Sister Escape Death in Fire

Four teen-age brothers and a sister narrowly escaped death early Friday evening when a gasoline lamp exploded in the kitchen of their farm home on the English Line, about four miles south-east of Campbellford.

The youngsters, Clifford 19, Kenneth 17, Fred 13 and Beverley 15, all children of Mr. and Mrs. Cecil Bedell, were preparing supper in the kitchen when the lamp exploded, showering flaming gasoline over the room.

Hurled Lamp Out
Clifford, showing great presence of mind, hurled the remains of the flaming lamp through the window into the yard, and in doing so possibly saved the lives of his brothers and sisters.

The only injuries received were to Clifford who was burned about his arm when he threw the lamp outside and Beverley whose left leg was burned by the shower of flaming gasoline.

Parents Away
Mr. and Mrs. Bedell were absent at the time, having left earlier in the day to visit another son, Roy, who is stationed at Aymer with the RCAF.

The Campbellford Fire Department responded in record time to the call for help and by use of the booster pump were able to save the one-storey stone house from total destruction.

Neighbours and volunteers drew water from a nearby pond to assist the firemen. The kitchen of the house was almost a total loss and the other rooms suffered heavy smoke and water damage.

Another son, Donald, was in Campbellford at the time of the outbreak and rushed home to help firemen battle the fire. Firemen gave first-aid treatment to the burns received by Beverley and Clifford and neighbours are taking care of the children until their parents return.

Entered Into Rest
MRS. ETHEL KEEGAN
The funeral of Mrs. Ethel Keegan was held from the Grant Funeral Home, Belleville, on Thursday afternoon of last week. Rev. S. E. Larman conducted the service in the chapel and at the graveside in Stirling Cemetery.

The bearers were Phillip Carr, Henry Burrell, Volney Richardson, Herman Rodgers, Frank Wood and Oliver Stapley.

MRS. EMMA ANNIE MITZ
Mrs. Emma Annie Mitz, of Ivanhoe, died at her home on Sunday. She was in her 85th year.

Born in Roslin, daughter of the late Charlotte and John Mills, she had been ill three months. Her husband, Charles Allan Mitz predeceased her in 1945.

Surviving are three children Mrs. Warren (Lillian) Arbuckle, of Batavia, and two sons, Roy and Clifford at home. Seven grandchildren and one

great grandchild also survive. Educated in Roslin, she was a member of Beulah United Church and a life member of the Beulah Women's Missionary Society.

The funeral was held on Tuesday from her late residence to Beulah United Church for service at 2:00 p.m. Interment in White Lake Cemetery.

Suffers Broken Leg Pinned By Tractor

Cranking his tractor when it was in gear resulted in a broken leg for Carl Reid, 45, Holloway farmer, on Sunday, when he was pinned against the side of the barn by the machine. Dr. Wm. Cornett, of Stirling, attended the injured man, who was admitted to Belleville General Hospital.

Young Men Wanted

Rev. W. Harold Young, Secretary of the Board of Colleges and Secondary Schools of the United Church of Canada has issued an urgent appeal for volunteers to train for the Ministry of the United Church of Canada.

Dr. Young in calling for 750 volunteers by 1956 says "every Conference in the church is short of men, even after many charges have been rearranged and all available supply used. Beyond our present needs there is in immediate prospect the situation created by the building of 240 new

churches in new housing areas and developing mining and industrial communities. 750 new candidates by 1956 represents the minimum required if annual losses are to be overtaken and present and prospective needs met. In 1952 there were 145 volunteers.

Offerings

Special Lenten and Easter Day Offerings were received for the Centennial Committee.

Sympathy

The sympathy of St. Paul's and Carmel congregations is extended to the widow and loved ones of the late Wm. Morris, of the Town Line, who entered his rest very suddenly late last Saturday night. Burial took place from the "Church of the Prophets" at Carmel on Tuesday of this week.

Hello Homemakers! Some folks dread housecleaning, but there is a built-up urge to refurbish the home weeks before spring-cleaning. Once you begin the work there are sounds that seem to cheer you on to your goal. Listen to the teasing voice of the chamels as you polish the windows, the cheerful tinkle of the glassware as you shine the contents in the cupboard and the snap-flap of the clothes hung out to dry. So, like a child gathering the first flowers of spring, a homemaker uses all the enthusiasm and beauty she can muster for a housecleaning spree, this assures happy family living.

TAKE A TIP

1. Candlewick bedspreads will not be "detuffed" if placed in a large cotton bag when laundered in the washing machine.

2. Iron your bedspread the long way to keep it in shape. However, the chenille and candlewick ones are shaken out and brushed when dry—never ironed.

3. When hanging a coat or dress on the line, use two coat hangers hooked in opposite directions, then pin at the collar, and the wind will not blow the garment off.

4. To clean a velvet jacket hang it over a big kettle of boiling water for about 10 minutes. Then brush the coat with a piece of velvet till the nap it raised again. Let the steam penetrate cuffs and collar a second time if necessary.

5. Glazed chintz must be ironed on the right side to bring out the lustre. Use as much pressure as possible.

6. Before washing jeans and other garments use a tooth brush (about to be discarded) to dislodge dirt in pocket corners.

7. To remove spots on suede card-table covers or bags try rubbing with an emery paper or crocus cloth and then steam over a boiling kettle.

8. Wrap evening bags, stoles and other accessories with silver or gold thread in them in aluminum foil and store in boxes.

9. To "dry clean" your non-wash-

able gloves at home try this method: Mix ½ cup of fuller's earth and ½ cup powdered alum. Put the gloves on a board, cover with the powder and brush with a stiff brush, then wipe off with a towel and cover gloves with clean cornmeal and brush off. Doeskin and chamels will look quite new.

10. Saturate fresh paint on any clothing with grease or oil then sponge with warm suds or spot cleaner depending on whether material is washable or not.

11. If a white summer garment has turned yellow soak in lukewarm water for 15 minutes then use a bleach, following the directions on the package.

12. Apply colorless lacquer on brass or copper to protect the surface from corrosion.

THE QUESTION BOX

Mrs. K. T. asks: (1) How to remove a stain made by a plant urn from hardwood floor.

(2) Does it shorten the life of an electric polisher to pull it backwards?

Answer: (1) Sand the portion of stained hardwood floor thoroughly and then bleach with a blotter dipped in oxalic acid solution for 5 or 10 mins.

(2) An electric polisher will not be damaged by pulling it backwards. However, let the polisher do the job gradually. It should take 20 to 30 minutes to polish a 10 by 12 foot area.

Mrs. G. W. asks: Is there any way I can prevent the vacuum cleaner attachment from pulling drapery into the nozzle?

Answer: Use one section of the hose and nozzle on which a piece of cheesecloth is tied. Begin at the top and follow down to the bottom of the drapes.

Miss M. M. says: We cleaned our refrigerator while it was disconnected during the paint-up of the kitchen and food smells of paint. What do we do?

Answer: Try either of these methods: Defrost and wash cabinet and dishes with a baking soda solution then place a fan facing the open door on kitchen stool. Force fresh air into it. 1) Place a casserole of charcoal in the refrigerator.

How much work
can one man do
in one day?

Enough for ten men, or even more, if he multiplies his efforts with the latest farm implements, such as field cultivators, milking machines, combines and tractors. And, when ten 'men' are hard at work, you make ten times as good use of every hour. And your income is, of course, greatly increased.

So, if a lack of ready cash stands between you and any one of these mechanical farm-hands, you owe it to yourself to look into the question of a B of M Farm Improvement Loan.

Drop in at your local B of M office just as soon as you find it convenient. You'll be pleasantly surprised at the low cost of a B of M Farm Improvement Loan, and at the easy repayment terms that can be arranged. Boost your income by multiplying the results of your work.

"JUNIOR JUMBLE"

News of Interest to 4-H and Junior Farmer Clubs in Hastings County
(By J. Allen Francis)

On Wednesday, April 1st, the Hastings County 4-H Club Leaders' Association held their Annual Meeting. The officers of the club are Ray Mallory, President; Douglas Harry, Vice-President, and Harold Dettlor, Secretary.

The club leaders are a group of men who assist in the 4-H Club Program by giving voluntary leadership to the various clubs in the County. Due to the increase in 4-H Club activity, during recent years, more help is needed in carrying on a successful club program. These men are doing a splendid job in 4-H Club Work in Hastings County. It is interesting to note, that four members of the Club Leaders' Association are former members of National 4-H Judging Competition Teams. Carl Bateman, Past President of the Association, was a member of the Potato Club Team in the National Competition. Ray Mallory, President, was a member of the Swine Team, representing Hastings, in the National Competition. Merle Moore and John McComb were Grain Club members, representing Hastings, in National Club Week.

Last year, an extension course for 4-H Club Leaders was started by the Ontario Department of Agriculture. Harold Dettlor and Harold Chambers represented Hastings County in the Leadership Course. At this school for leaders, from all Counties in Ontario, held for one week at the Ontario

Agricultural College, the Leaders received training in the use of extension methods.

At the meeting, plans for the club year were set up. It was decided to introduce a different system of holding club meetings. By using this proposed system the club member will be able to attend more meetings during the club season, and receive a broader education in club work. Since good livestock production and crop production go hand in hand, the club members in livestock clubs should have a working knowledge of crop production. With this as an objective, the club member will study values of feeds and recognized cropping practices. As usual, the club member will receive instruction in judging. Under the new system of holding meetings, club members will receive instruction in judging various types of livestock and grain.

Two Junior Farmer Clubs will be holding banquets during the next month. On April 8th the Thurlow Junior Farmers will be holding their Annual Banquet at the Plainfield Orange Hall at 7:00 p.m. Mr. A. M. Barr, Principal of the Kemptville Agricultural School, will be the guest speaker. Tickets are available from the Executive, and from the Agricultural Office, Stirling.

The Madoc Junior Farmers will be holding their Annual Banquet on Thursday, April 30th, at the Madoc United Church. The guest speaker will be Mr. Gordon Bennett, Associate Director of Extension, for the Ontario Department of Agriculture.

good resistance to our present rusts, but undoubtedly new races will arise to attack many of them. Hence a long range view must be taken by the plant breeder to obtain suitable material to satisfy not only present needs, but also future needs.

Since it is becoming increasingly difficult to find new resistant wheats for breeding, other sources should be explored to supplement the supply of resistance, says R. C. McGinnis, Laboratory of Cereal Breeding, Winnipeg. It is known that certain wild grasses related to wheat — various species of Agropyron, Aegilops and Haynaldia — have excellent resistance. Should a transfer of this resistance to common wheat prove possible, then a new reservoir of breeding material would be available. Some of these grasses do not cross readily with wheat, or when they do cross, produce sterile hybrids. When this happens, a different method of breeding must be used. First, two grasses are crossed and then the resulting hybrid is treated with a chemical such as colchicine. Colchicine can cause the chromosome number to double in the plant cells, and the hybrid thereby becomes fertile and stable. This is called "species building" because such hybrids are actually new species. In many cases these new species can be crossed successfully with wheat. In this way the rust resistance of certain wild grasses may be transferred to wheat.

In 1951, a program such as outlined was started at the Cereal Breeding Laboratory. Undoubtedly the program will meet with many adversities and will require a number of years before its practicability can be fully assessed.

POTATO VARIETIES VARY IN EATING QUALITY

It is the variety planted that has the most influence on the eating quality of potatoes.

In Canada it is generally considered that a potato that is mealy when cooked, a uniform white or cream colour and of pleasant flavour, is of good quality. These good points of course are not entirely due to variety. The amount of fertilizer applied and the rainfall during the growing season have an important bearing, says H. T. Davies, Fredericton Experimental Station.

It is generally accepted that the specific gravity of a potato is an indication of its quality; the higher the specific gravity the greater the starch content of the tuber and the more mealy the potato when cooked. It is on this basis that quality determinations are made, and as a result of tests carried out for a number of years some interesting comparisons can be made between various potato varieties.

In an ordinary growing season potatoes that average 15 per cent starch content are of good eating quality, whereas a difference of one to two per cent lower reading will indicate that in all probability the tubers will be wet or soggy, when cooked. For example, after testing 25 samples of the variety Green Mountain over a six-year period the average starch content was 15.5 per cent, whereas the variety Katahdin tested over a similar period averaged only 13.7 per cent.

The new varieties Keswick and Canso have also been tested for their quality for a number of years and approximately Green Mountain. Of 13 samples of each variety tested in 1951 Green Mountain averaged 15.6 per cent starch, Keswick 15.1 per cent and Canso 15.3 per cent. In 1952 the figures for a similar number of samples were 15.9 per cent for Green Mountain, 15.5 per cent for Keswick and 15.3 per cent for Canso.

Of other well known varieties the Russet Burbank, or as it is sometimes known, Nette Gem, is one of the best quality potatoes as far as starch content is concerned. Over a six-year period it has averaged 15.6 per cent starch compared with 14.3 per cent for Sebago, 14.5 per cent for Warba, 13.8 per cent for Bliss Triumph and 13.1 per cent for Pontiac.

From these figures it can be clearly seen that variety plays a very important part in cooking quality of potatoes. The housewife who buys potatoes by name will naturally ask for varieties which have good eating quality.

CONSERVATION NEWS!

Water Bombing Used Effectively On Bush Fires

Most activity in Chief Ranger Divisions at the present time is directed to fire protection preparations. Lookout towers will be manned as soon as hazard conditions warrant supplemented by regular aircraft patrols and extra staff placed on duty.

Plans for the coming season were discussed by Chiefs and Deputy Chiefs

Rangers at a meeting in Tweed, March 27th, attended by Mr. J. C. Dillon, Supervisor of Forest Protection Control for the Department. Among a number of points discussed was the effectiveness of water bombing from aircraft, in holding small inaccessible fires in check until ground crews can reach the scene. In at least one instance last season, water bombing was also used effectively to knock a crown fire to the ground where fire fighters could handle it.

Experimental Trapping Provides Data On Muskrat Management

To provide answers to some of the questions which come up in connection with the management of Muskrats an experimental trap-line has been established on the Conroy Marsh at Combermere.

Set up on a trial basis this year this marsh should provide much valuable information in the future.

Two trappers are now removing a crop of Muskrats. Each day's catch is carefully weighed and the sex of the animals recorded, after which the animals are pelted and the carcasses examined for evidence of breeding. Part of the reproductive tract of the females are removed for further study.

The project is being carried out under the direction of District Biologist H. G. Lumsden and Wildlife Management Officer Percy Thompson who states in a preliminary report, that results to date are very encouraging.

Discuss Special Fisheries Regulations

The spring meeting of Conservation Officers in the Tweed District was held at the District Headquarters on March 26th. Main subject discussed with Mr. Reg. Werner of the Department's Fish and Wildlife Division, Toronto, was commercial fishing regulations with special reference to size of mesh and yardage of nets.

Arrangements for extra patrols during the pickerel run were completed and officers will have additional assistance along the Trent, Moira, Salmon and Napanee Rivers and other points, where special precautions are necessary.

Late Shoppers For Trees

At this time there are always a few people who suddenly become interested in carrying out reforestation work. The handling of applications for trees has been simplified to the extent that no deadline date for applications is in effect. However, as applications are filled as they are received, it is even more important that they should be sent in advance of the

time the trees are wanted.

This year for the first time trees will be supplied in the fall, and it is not too early to plan for planting at this time and get the order filled out.

The charge for trees, which came into effect this year, has been accepted willingly by nearly all applicants. The rates are \$10.00 a thousand for all species, except Scotch Pine which is \$14.00 per thousand.

Further information and application forms may be obtained from any Department of Lands and Forest Office in the District, or by writing to the Department of Lands and Forests, Box 299, Napanee, Ontario.

Conservation Photographs Create Interest

Interest on the part of both children

and teachers has been very keen according to members of the staff who are showing conservation photographs in Public Schools in the Tweed District. The question period arranged after photos have been on display for some time have been particularly lively and provide an excellent opportunity to help develop a conservation consciousness in the minds of the younger generation.

Some 21 meetings were held during the first three weeks in March attended by approximately 600 children.

The Defence Research Board is developing a new type of synthetic rubber which will retain its flexibility at temperatures as low as 65 degrees Fahrenheit.

NEWS FOR THE BUSY FARMER

WEED OF THE WEEK

Commencing next week the News-Argus will feature the first of a series of twenty-two short articles under the heading "Weed of the Week."

"To control weeds, we must know them," says A. H. Martin, in charge of Weed Administration in Ontario. Weeds might be classified by their length of life as annuals, biennials or perennials, or by their root systems as branch, tap or creeping or by their methods of spreading seeds such as by wind, water, animals and humans.

Some weeds are tall and upright; others are short, prostrate or trailing. Some weeds are poisonous to animals and humans (Water Hemlock). Many people are allergic to weed pollen (Ragweed, Goldenrod). Other plants cause serious skin irritation (Poison Ivy).

It is true that distant hillsides of Blueweed, clumps of Black-Eyed Susans or fields of Ox-eye Daisies add beauty to the landscape but for the most part, weeds are unsightly robbers of plant food and moisture and cost millions of dollars annually in

loss of crop and in added costs of weed control in lawns, gardens, roadsides, fence rows, railway rights of way and cultivated fields to say nothing of the many thousands spent annually for the relief of hay fever and poison ivy.

Each article will be prepared by a member of the Crops, Seeds and Weeds field staff and will be short, concise and practical. One weed will be featured each week giving description, habits of growth and methods of control.

RUST RESISTANCE FROM WILD WHEAT RELATIVES

New races of rust are constantly arising and some of these are capable of attacking our present bread wheat varieties. A good example is the recent advent of race 15B of stem rust. The wheat breeder is constantly striving to keep ahead of the rust threat by incorporating into our present standard varieties, the resistance of varieties introduced from all over the world. Some of these wheats have

Entered Into Rest

WILLIAM MORRIS

William Morris, of Stirling, R.R. 3, died at his home on Saturday. He was in his 84th year. Death was sudden.

Born in England, son of the late Mr. and Mrs. William Morris, he had resided in Winnipeg prior to taking up residence in Stirling nine months ago. Surviving are his wife, the former Lilly Hammond; a son, Hilton, of Norwood, Manitoba, and five grandchildren.

A retired carpenter, Mr. Morris was a member of the United Church. The funeral was held on Tuesday from his late residence to Carmel United Church for service at 2:30 p.m., with Rev. A. E. Baker officiating. Interment in Stirling Cemetery.

Mrs. A. E. Dobbie Dies In Smiths Falls

Stirling and district friends learned with regret of the death of Mrs. A. E. Dobbie, wife of a former editor of the News-Argus, at her home in Smiths Falls on Monday. She had been in ill health for the past year and was in her 56th year.

The late Mrs. Dobbie was the former Una Kerby and was born in Petrolia, Ont. She married Angus Edward Dobbie in 1923 and they came to Stirling to reside in 1925. For the past 19 years they have resided in Smiths Falls where Mr. Dobbie has been editor of the Smiths Falls Record-News.

Mrs. Dobbie had been past president of the Home and School Club, Trinity United Church Service Group, the local Council of Women and the Women's Canadian Club. She served on the executives of the Lanark County Children's Aid Society, Red Cross, Recreation Commission, Old Home Week committee and board of the V.O.N. She was a member of St. Eloi Chapter I.O.O.F. and helped to organize the New Comers Club. She was well known for her social service work.

Surviving are her husband, two daughters, Mrs. V. C. Northcott, (Isabelle), of Peterborough, and Miss Barbara Dobbie, attending the University of Western Ontario at London. Also surviving are one sister, Mrs. M. J. McDevitt, of Petrolia, and one brother, William D. Kerby, of Ottawa. The funeral was held Wednesday afternoon from the Amy funeral home to Trinity United Church at two o'clock. Interment in Maple Vale cemetery, Smiths Falls.

St. John's News

The Missionary Film "The Power Within" will be shown on Thursday, April 16th, at 8 p.m., in the Parish Hall. All church people should see this picture. It is an excellent production, like the one shown in the United Church last Fall. It is designed to give an impressive challenge to all, especially young people, to make the command of Christ, "Go ye into all the world", a reality in every way. The public is welcome.

In view of the anticipated visit of The Rt. Rev. Kenneth Evans, Bishop of Ontario, on April 19th, at 7:30 p.m., to perform the Apostolic Rite of Confirmation, it is of considerable interest to know that on July 31st, 1852, there was a Confirmation service in Stirling when the Bishop of Toronto was present. The incumbent at that time was the Rev. F. Y. S. Groves, and the mission included Marmora and Madoc. A list of the names and the ages of the candidates may be of interest to many now: Solomon Johns, 51; Geo. Bull, 36; John M. Ward, 32; Ed. E. Potts, 14; Richard Hilton, 13; Joseph Gander, 13; Thomas Cooke, 14; Thos. Bateman, 16; Will Belshaw, 18; John McKewen, 21; Thomas McKewen, 17; Henry White, 15; Wm. Tanner, 18; Wm. Vance, 22; Wm. Members of Stirling Lodge, No. 69 Entertain Ladies At Banquet

Rev. Bro. S. E. Larman, of
Belleville, Guest Speaker—
Fine Programme Enjoyed

The annual Ladies Night and "At Home" of Stirling Lodge, A.F. & A.M. No. 69, G.R.C., was held in the Stirling Community Hall, on Thursday evening, when close to two hundred were present to enjoy a bountiful banquet followed by a splendid programme.

The hall was artistically decorated while the tables were adorned with potted Easter Lilies. Grace was said by Rev. Bro. W. H. V. Walker, of St. Andrew's Church.

A true spirit of hospitality prevailed and the tables were heavily laden with all that could be desired by even the most critical appetite. The serving was attended to by the W.A. of Bethel United Church.

Fine Programme

Wor. Bro. R. E. Fox filled the position of Master of Ceremonies and carried out his duties in an acceptable manner. After the toast to "the Queen" Wor. Bro. Fox warmly welcomed the guests and called on Rt. Wor. Bro. Dr. E. A. Carleton to propose a toast to "Grand Lodge." Rt. Wor. Bro. J. W. Anderson, D.D.G.M. of Prince Edward District, responded to this toast, after which Misses Betty McConnell and Grace Pitman favoured with two piano duets.

The toast to "The Ladies" was proposed by Wor. Bro. J. L. Good with Mrs. Volney Richardson making an able response. Bro. Wm. Reynolds contributed two vocal solos, accompanied by Miss Grace Pitman.

Legerdemain

The gathering was next treated to a display of legerdemain by Frank Long, of Campbellford, who proved himself a fine exponent of the art.

Wor. Bro. G. Gordon Bailey was called on to introduce the guest speaker, Bro. Rev. S. E. Larman, of Holyway Street Church, Belleville, District Chaplain. He spoke on the subject, "Beautiful Ideals and Brutal Facts" and was listened to with rapt attention by the large gathering. He interspersed his remarks with bits of humour and proved an interesting and entertaining speaker.

Wor. Bro. Fox voiced the thanks of Stirling Lodge No. 69 to the guest speaker and the guest artists for their part in the programme and to Bethel W.A. for a splendid banquet. Mrs. R. R. Bonsteel replied on behalf of the W.A.

The Junior Warden's toast brought a splendid evening to a close.

Guides and Brownies Puppet Show

The local Council of Guides and Brownies are deeply grateful to all who helped in any way with their Puppet Show on Wednesday, April 15th — their first big venture.

Mr. Gerald Taylor showed splendid musical style in his accordion selections while Mrs. William T. Warren, formerly of Salem district, displayed great talent in manipulating her twelve puppets which are clever in dress and expression. She devotes a great deal of time in the direction and is capably assisted by her husband, who has all stage properties to make, recordings, spot lights, etc. Mrs. Clyde, of Cataraugus, assisted throughout and put on a cute number with her own Puppet, "Popeye." Mrs. Willard, of Kingston, also a co-worker, delighted the children with a number from her Puppet, "Achibald." These two old sailors were greatly enjoyed.

Mrs. Warren's numbers followed a scrap book version of "Old Memories" showing in turn Mary Lou visiting Grandma and Grandpa, enjoying tales of Winter Wonderland, Circus Clowns, Mammy and the Ghosts. The two Sailors, Songs by Sandy, and concluded their programme by some "Grand Old Hymns."

These artists are indeed to be congratulated and the local Council of Guides and Brownies are indebted to these Kingston people for bringing to our community such a rare treat.

Factory Opens

Shamrock Cheese Factory on the Frankford Road will open for the season of 1953 on Monday next, April 20th. Mr. Bert Anderson has been re-engaged as cheesemaker.

At Grand Lodge

Mrs. Bob Merrick, Worthy Mistress (Official delegate), Mrs. J. Morrison, P.W.M., Mrs. Louis Rodgers, P.W.M., Mrs. Maurice Clancy, Mrs. Harry McAdam and Mrs. E. Cooke, of Stirling L.O.B.A. No. 655, attended the sessions of Grand Orange Lodge in Belleville yesterday.

Rt. Wor. Bro. Fred Bateman of this Village, Grand Master of Ontario East, is presiding over the Grand Lodge Sessions.

Red Cross Appeal Nets \$825.51

Final figures for the Red Cross canvas in Stirling and surrounding district were released by H. J. Wells and R. K. West, co-chairmen, this week, showing \$825.51 raised for this worthy cause.

Members of the local committee are deeply grateful to the canvassers and all who assisted in any way in the campaign.

Official Visit

District Deputy President, Sis. Margaret Geen, of Thomasburg, paid an official visit to Laurel Rebekah Lodge No. 211 on Tuesday evening. Other visitors were in attendance from Belleville and Thomasburg.

Following the regular meeting a short programme and social hour was enjoyed.

Legion Hosts To Zone Meeting

Stirling Branch of the Canadian Legion will be hosts to the Branches of the Zone on Sunday, April 19th. The meeting will commence at 2.30 p.m. sharp and will end with dinner at the Stirling Hotel. This will be an important and interesting meeting and members will do well to attend.

Social Night
Tuesday, April 21st will be Social Night and will see the showing of several good films on "Conservation." All ex-servicemen and veterans are welcome.

Mailing Lists Are Corrected

The mailing lists of the News-Argus have been corrected and readers are requested to scrutinize the label on their copy to see if it bears the right date. Should there be an error please contact this office at once in order that it may be rectified. The early settlement of all subscription arrears will be appreciated.

Second Section County Road To Be Rebuilt

A second section of the Foxboro-Frankford county road will be rebuilt this summer as a development road, the cost of the work to be borne by the province, according to a recent announcement by W. E. Sandercock, M.L.A. for Hastings West, who said the "go ahead" signal had been received from Hon. George Doucet, Highways Minister.

Slightly less than four miles at the Frankford end of the above road was built last year, the work being done by Hastings County forces and supervised by County Engineer Larry Langlois. Cost of the work, less the amount for purchase of new right of way and fencing, was paid by the province.

BOWLING LEAGUE CLOSES WITH BANQUET

The Wednesday evening Ladies' Bowling League closed the current season with a banquet at Long's Hotel last night.

Following a delicious dinner, President Betty McGee acted as chairlady for the presentation of prizes by Margaret Royle.

Dot McConvey's "Big Blows," winners of first place in the league, each received a cake plate. Other members of the team are Harriett Kirm, Flo. Hawkins, Marion Bentley, Mary Bice and Bernice Connolly.

"The Happy Gang," captained by Rosa Spry, won the league play-offs and each member was presented with a cup and saucer. The other members of the team are Mary Agnes Fox, Gladys Lancaster, Nellie Scott, Lenora West and Margaret McGee.

The prize for the high single, 315, was won by Mary Agnes Fox, who received a cup and saucer, while Dot McConvey received a similar prize for the high triple, 713.

The prize for the high average, 187, also a cup and saucer, went to Rosa Spry, while Elsie Armstrong won the consolation prize.

Eva Ann Bastedo gave the financial report and the election of officers resulted as follows: President, H. Ingram; treasurer, B. Reid and secretary, G. Hermiston.

Memorial Service For Late Queen Held By Members of Stirling W.I.

The April meeting of Stirling Women's Institute was held in the Community Hall on Monday the 13th, with an average attendance. President Mrs. P. Bronson called order and all joined in the singing of the Institute Ode, led by Mrs. H. Rodgers, song leader for the W.I. This was followed by the repeating of the Lord's Prayer.

Secretary Mrs. S. McMurray called the roll with members paying dues and giving suggestions for next year's programme such as entertaining other Institutes, demonstrations in cooking and sewing and some gave worthwhile ways of making money. Correspondence included "thank you" cards from Mr. and Mrs. Perry Bronson in time of bereavement and Mrs. Wm. Clare (nee Marabelle West) for the shower gift received.

Mrs. W. C. West, Treasurer, gave a full report of expenditures during the year, which included the replenishing of dishes and glasses for our rental, remembering charter members, etc. A substantial bank balance was reported. For the sale of tickets on a beautiful quilt, Mrs. Everett Cooke and Mrs. S. Kirkey, each received a gift. The President expressed her thankfulness for this effort.

New business included discussion on additions to be made to beautify the kitchen. The committee in charge is composed of Mrs. W. C. West and Mrs. W. H. Cooke.

Mrs. Lewis Rodgers, District Director, reported on the recent executive meeting held in Belleville for West Hastings District. She outlined the number of ladies that could go from Stirling W.I. to the Associated Canadian Women of the World gathering in Maple Leaf Gardens, Toronto, in August; also the delegate attending the Guelph Conference on May 7th and 8th, their Committees being Home Economics and Health and Resolutions. Mrs. Rodgers also reminded the members of the District Annual Convention being held at the Stone Church for Uniondale W.I. on May 29th. Each member to take a box lunch and pay 25 cents. At this point Mrs. S. McMurray was the elected delegate to attend this convention, along with the District Director, Mrs. Louis Rodgers and President Mrs. P. Bronson.

Mrs. Foster, Convener of the Nominating Committee, brought in the slate of officers for 1953-54 with list properly signed by Convener and Mrs. L. Rodgers and Mrs. S. McMurray. It was recommended that the District President, Mrs. Geo. Burditt, be invited to the next meeting to install the of-

EILEEN NESS HOME ECONOMIST DIES OF INJURIES

Miss Eileen Ness, 21, Home Economist for the Ontario Department of Agriculture in Hastings, Prince Edward and Lennox and Addington Counties, died in a Montreal Hospital on Friday last from injuries received in a car accident near her home at Howick, Que., on the previous Saturday.

Miss Ness came to this County in June of last year. Her duties brought her in touch with farm forums and girls' clubs and she was held in high esteem by a wide circle of friends in Stirling and throughout the County. She also had offices at Belleville and Napanee.

Mr. A. Francis, Assistant Agricultural Representative for Hastings County and Grant Richardson, vice-president of Hastings County Junior Farmers, attended the funeral which was held at Howick, Que., on Monday.

Scout Service

Scouts, Cubs, Guides and Brownies will attend Church Services at St. Paul's United Church on Sunday, April 19th for the annual St. George's Day Service. Field Commissioner Arthur Jackson, of Brighton, is expected to attend and the members of the Group Committees are asked to be present.

ficers, after which all names of executive and conveners will be given to the press for publication.

At the next meeting members are requested to bring good clean used clothing to be handed in later to the Salvation Army. One quilt is already completed and another on its way for this purpose. In connection with the idea of sharing with others, Mrs. J. Morrison brought to the attention of the members a family who recently were burned out, and as our motto is "For Home and Country," thought it would be a nice gesture to give one of the newly completed quilts. This idea was readily accepted. Mrs. Kirkey also reminded the members that in previous years the hall caretaker was given a gift in return for his patience of standing by till meetings were closed and cleaning up after. It was agreed to give the present caretaker \$5.00 for his trouble.

Mrs. W. C. West invited the Executive and standing committee conveners to her home Saturday at one o'clock to plan the programmes for the coming year.

Mrs. P. Bronson, Leader of Girl's Work, asked permission to place under the crest in the paper, a memorial verse for the late Miss Eileen Ness, Home Economist, leader for Hastings County Girls' Clubs. This was cheerfully granted.

Owing to so much business, the programme was limited to three items. The President conducted a memorial service for the Late Queen Mary and stated it was quite fitting for the Institute members to express their respects for Queen Mary. She, who based her ideals on loyalty to God, to friends and to country. She, like all human beings, shared in disappointment, shock and sorrow, but through it all she carried the loyalty and grace of an ideal mother and leaves many a sweet memory. She struggled through wars, always giving her best decisions to bring peace to the world. The church was her second home and loyalty was her password wherever she went. She lived to a good old age, but before leaving this world she trained Queen Elizabeth II, giving her every virtue in the making of a brilliant, loyal Queen, before she passed on to greater living. All members repeated the favourite hymn of Queen Mary, "Unto The Hills, Around Do I Look Up, My Longing Eyes."

While lunch was being prepared the contest, "Who Am I?" was put on by the committee in charge, with a treat to the next meeting to install the of-

Machinery Business Being Moved

After operating a farm machinery business in this village, under the name of Elliott's Farm Equipment, since December of 1937, W. T. Elliott has purchased a property in Foxboro, and is moving the business there. It is expected the transfer of the large stock of parts will be completed by the end of this week.

Bishop Evans At St. John's Sunday Next, April 19th

The Rt. Rev. Kenneth Evans, D.D., Bishop of the Diocese of Ontario, will pay a visit to the Parish of St. John's, Stirling, on Sunday next, April 19th, and will officiate at the Apostolic Rite of Confirmation at the evening service at 7.30 p.m.

The visit of the Bishop to a Parish is an important event, especially when it is a new Bishop. It is expected that there will be a large attendance of members. Visitors are also invited. 7.30 p.m. and many visitors.

Last Sunday

Last Sunday at 11 a.m. Easter music was repeated. The Girl's Choir sang beautifully "Why Seek Ye The Living Among The Dead?" Barbara Woodbeck, took the alto solo; Marjorie McArton the soprano solo and the duet was taken by Marjorie McArton and Lois Vardy. Mrs. Morrow, organist, accompanied them.

The Mite Boxes of the Sunday School pupils were presented and dedicated.

Local and Personal

Mr. and Mrs. Jack Coulter and son, Jack, of Kingston, were visiting with friends in town on Sunday.

Miss Donaldia Heath, of Bethel, spent Easter holidays with her cousin, Beverly McLaren, of Oshawa.

Friends of A. O. Dalruple, Agricultural Representative, will regret to learn that he is confined to his home through illness.

Mr. and Mrs. H. C. Martin and Mrs. J. Villetorte, of Stirling, attended the funeral of the late Mrs. A. E. Dobbie in Smiths Falls on Wednesday last.

Mrs. Roy Walker, of Campbellford, spent a few days recently with her daughter, Mrs. Don Heath and Mr. Heath.

Brian and Eleanor Kerr returned to their home in Agincourt on Sunday, after spending the Easter vacation with their grandparents, Mr. and Mrs. H. C. Martin.

Easter week-end guests at the home of Mr. and Mrs. F. Clare, Oak Lake, were Mr. and Mrs. Thos. Bryant, Mr. John Boodycoat and Mrs. C. Atkinson, all of Galt, and Mr. and Mrs. Thos. Bertram, of Toronto.

Mr. H. K. Downie, Bible Teacher, of Grand Rapids, Mich., and Mr. and Mrs. Fred Elliott, of Moira, were recent supper guests of Mr. and Mrs. T. A. Kerr, "The Cedars."

Week-end guests of Mr. and Mrs. O. Seely were Mr. and Mrs. Peter Williamson, Dale and Peter, of Mindemoya, and Mr. and Mrs. Harvey Haner, of Province Bay, Manitoulin, and Mr. and Mrs. A. Wilson, of Peterborough.

Recent guests at the home of Mr. and Mrs. Walter Rodgers were Mr. and Mrs. Frank Rodgers and Brenda, of Belleville; Mr. and Mrs. Frank Voldnick, Patsy and Anne Marie, of Middleton Park, Trenton.

Mr. and Mrs. Arthur Hulin have returned home after spending the past three months in Frankford with their daughter, Mrs. Chas. Bennett, and Mr. Bennett.

Mr. Robert Elliott and Miss Mariel Atkins, of the Orillia Collegiate Staff, spent part of the Easter vacation with the former's parents, Mr. and Mrs. Harold Elliott.

Sunday guests of Mr. and Mrs. Gilbert Finkle, of River Valley, were Mrs. W. E. Fitchett, Mrs. Mary Strickland and Mrs. Sadie Tibbitt, of Lindsay, Ont.; Mr. and Mrs. Carman Fitchett and son, Billy, of Picton; Mr. and Mrs. W. J. Fitchett and Marilyn, of West Huntingdon and Mrs. Evelyn Finkle and Mr. and Mrs. E. P. Strickland, of Stirling.

Presentations To Bride And Groom

Mr. and Mrs. Douglas
McGee Are Honoured By
Community and Church

The home of Mrs. Eva McGee, Stirling R.R. 2, was the scene of a happy gathering on Wednesday evening last when friends and neighbours gathered to honour her son and his bride, Mr. and Mrs. Douglas McGee.

Rev. W. H. V. Walker, of St. Andrew's Church, Stirling, acted as chairman for a programme consisting of community singing, led by Grant Richardson, with Mrs. Vernon Matthews at the piano; musical numbers by Misses Marlene Hadley and Ruth Mumby; vocal numbers by Misses Sharon and Donna Hammond and readings by Mrs. John McInroy and Mrs. Don Fargey.

An address was read by Mrs. Volney Richardson and Messrs. Clifford Heath and Cecil Nelson, presented Mr. and Mrs. McGee with a lazy-boy chair on behalf of the community. Mrs. Norman Ray and Mrs. Louis Rodgers also presented the honoured couple with an end table, table lamp and vase on behalf of St. Andrew's Presbyterian Church.

Mr. and Mrs. McGee expressed their sincere thanks for the lovely gifts, after which dainty refreshments were served and a social hour enjoyed.

Fraternal Visit

Several members of Stirling Lodge, No. 9, A.F. & A.M., paid a fraternal visit to Golden Rule Lodge, Campbellford on Monday night. During the evening the initiatory degree was conferred by the officers of Ionia Lodge, No. 526, A.F. & A.M., of Ottawa, under the direction of V. Wor. Bro. Len Falls. At the conclusion of the ceremony a social hour was enjoyed.

Those attending from Stirling Lodge were Messrs. Carl Bateman, K. West, C. E. Macklin, B. Woodbeck, J. Chard, S. Irvine, G. Brooks, V. Taylor, C. Nix and R. E. Fox.

Stirling Girl Guides Play Easter Bunny To Aged And Children

The First Stirling Girl Guide Company decided that there was no better way for them to earn their Consonation Symbol than to visit the aged and the children ill in hospital.

Mrs. Burton Woodbeck, President of the local Girl Guide Association and Mrs. Herb Stewart and Dennis Kent drove the girls to their various destinations. To the Brown Owl Mrs. Chas. Fairies they are grateful for the use of her Bunny Suits and to Mr. Stewart, Principal of the Public School for permitting the girls to be absent from studies and to the Rev. H. C. Secker who so graciously changed the night of his Junior Choir Practice, to all of these, we say "many thanks."

If you could have been with us and seen the expression of joy on the faces of the aged in the Hastings' County Home when the two Easter Bunnies passed the treats from their well-laden baskets. They enjoyed too, the brief programme put on the girls and invited them to call again.

Then we journeyed on to the Belleville General Hospital and all girls went to the Pediatric Ward and the Easter Bunnies left baskets for each little patient there, then the girls visited the operating room but no one ordered an operation.

From here we journeyed to Trenton Memorial Hospital and the Company split up and a double tour of the Hospital was made. This was enjoyed immensely by the Guides and the recipients of the baskets were most grateful. One elderly patient was visited and there were tears of joy and gratitude, that we should take time to visit patients such as these.

Back in Stirling we went to Mollie Green's Nursing Home and the entire Pack and their drivers were invited in. Here we left a large box from the Bunnies and visited each individual patient. They were so happy to be remembered. Our last call was to leave

Stirling Girl's Club

The second meeting of the "Tasty Teasers" was held in the United Church Basement on Tuesday, April 7th, at 11.00 a.m. The President, Patsy Donohoe, conducted the meeting.

The meeting opened with the singing of The National Anthem, with Grace Heasman at the piano. There were nine girls in attendance. Roll call was answered by all the girls by stating a good food habit. Minutes of last meeting were read.

For group work which was led by the leaders, baked rice and cheese with tomato sauce, corn chowder, tossed salad, sliced oranges, tea and croutons were prepared, which was later served for dinner.

A card of thanks was sent to the Woman's Association of St. Paul's United Church for the use of the kitchen. The Treasurer, Marlene Moorcroft, gave her report and presented her bills. A game was conducted by Patsy Fraser.

The home assignment was read by the secretary and the meeting closed with the Mizpah Benediction.

home time.

I might say, that these Easter Baskets were made by the girls and filled by the girls from Patrol, Company and personal funds and I'm certain that the girls saw the joy of doing unto others as they would have them do to us. I'm certain too, that our Gracious Queen would feel that we were deserving of her symbol.

We sincerely regret that our time for this project conflicted with the Junior Choir Practice, but our plans had been made and it would have necessitated a cancellation for the time being and the Easter Bunnies were in readiness and could not be way-laid. Our humble apologies.

Square Deal Justice Needed For Peace

A world peace must be "fashioned" and, to be worthwhile, must be founded on a "square deal type of justice," asserted Rev. Dr. A. M. Lavery, Chaplain of Queen's University, Kingston, and a former minister of St. Paul's United Church, Stirling, in Watertown on Good Friday as the last speaker in the Lenten service.

Rev. Dr. Lavery declared that a peace pact must be supported by force wherein violators, by aggression, would be subject to consequences by concentrated action. He added that "we can have a peace tomorrow on the terms of the East but it would be a graveyard peace."

The Queen's University Chaplain heralded the United States action in Korea in June, 1950, as a milestone and compared it from the standpoint of importance in leadership to the breaking of the Berlin blockade.

Viewing the action of the United Nations on the Korean front as "one of the clearest signs to preserve peace", Rev. Dr. Lavery admitted it has been costly but was quick to add that "peace can not be found on the bargain counter". He assessed the Korean war as the "turning point in the struggle of democracy against Communism".

Commenting on Russia's latest indications that it wants peace, the Canadian minister said the Soviets could show their sincerity by demonstrations of "peaceful overtures".

Rev. Dr. Lavery asserted that Canadians have a tremendous amount of admiration for the signal quality of leadership that the United States has given in world affairs. He said that Canadians feel that "it is our kind of people who are taking the lead".

He referred with pride to the friendliness and close bounds which exist between Canada and the United States. Touching briefly on the proposed St. Lawrence seaway and power

projects, Rev. Dr. Lavery termed as "no idle boast" the plans of the Canadian government to develop the program. Kingston, he said, stands to gain tremendously from the St. Lawrence seaway and power development.

The Canadian minister paid tribute to the laymen of Watertown for instituting the Union Lenten service. He said that it is only now that laymen in Canada are taking the leadership that Watertown exercised a quarter of a century ago.

"I have the feeling that the great public response at these services comes perhaps by the fact that they were not inspired by professionals but from the original impetus of laymen," he concluded.

West Huntingdon W.M.S. and W.A.

The W.M.S. and W.A. of West Huntingdon United Church held their meeting Thursday afternoon, April 2nd at the home of Mrs. Russell Sills.

The meeting opened with the call to worship and Easter Greetings by the President, Mrs. Dan Cooke. The hymn, "Beneath the Cross of Jesus", was sung, followed by prayer by Mrs. Frank Hammond. Mrs. Mac Saries read the Scripture Lesson. A piano selection was enjoyed by Mrs. Geo. Ashley. Mrs. Russell Sills contributed a reading. The chapter on the Study Book, "Healing Ministry", was given by Mrs. Dan Cooke. Temperance items were read by Mrs. Frank Hammond.

The hymn, "Alas and Did My Saviour Bleed", was sung. Mrs. Chester Sills gave the address, "Easter Drama."

It was announced at the meeting that the Mission Band of West Huntingdon United Church had received its certificate at the Presbyterian Convention in Belleville on March 25th.

The hymn, "Crown Him With Many Crowns", was sung, followed by the repeating of the benediction in unison. Lunch was served and a social hour enjoyed by all.

Cottage Meetings Prepare Way For Centennial

A historic meeting was held at the Parsonage on Charlotte Street, Stirling Wed. night in preparation for the observance of the Centennial of St. Paul's United Church, which opens at high noon Sunday, May 24th. These cottage meetings are specially related to the Hunter Mission which opens on June 14th.

Elder Robt. Patterson opened the meeting with prayer and presided throughout. The Lesson, Matthew 8: 1-21 was read by Elder Cecil Macklin who shared in the arrangements.

As the little company representing (specifically church district number 6) were led in prayer with many on their knees by Clerk of Session Geo. Carlisle and Mrs. Adam Armstrong, there was presented a scene reminiscent of the days when the early Methodists gathered at this historic spot to seek strength to kindle and maintain the holy fire on this altar.

Only two hymns were sung, "Blessed Assurance Jesus Is Mine" and "We're Marching To Zion." Mrs. C. E. Macklin sang, "I Know Whom I Have Believed," and Rev. W. S. Irwin and Mrs. Baker with the golden harp and organ sang "Peace, Peace, Wonderful Peace."

The message was given by Mrs. Walter Elliott who spoke on P.B.C. — Prayer, Bible, Christ. Her address was rich in illustration and full of inspiration.

Innovations

(1) The carpet was rolled up for the golden harp. (2) A collection was received in a black felt hat. (3) The small organ was used throughout the meeting. (4) A social half hour with tasty refreshments concluded the meeting.

The offering was received by Elder Fred C. Bateman. The Minister pronounced the benediction. Mrs. Robt. Patterson graciously supervised the after social hour.

Cottage Sparks

"The woods would be very silent if only those birds who sing best were heard."

"Lead us not into temptation has been interpreted lead us out of temptation."

"We pray that our special mission may bring a spiritual and social lift to the whole community."

"Prayer is the golden river at whose brink, some die of thirst while others, kneel and drink."

"God always gives us what is best for us."

"Prayer is not bargaining with God."

"Listen for God in the silences as well as in the spoken prayer." Asked why he was restless and impatient, the preacher replied, "I'm in a hurry but God isn't."

Mrs. Robt. Merrick Hostess To Mt. Pleasant W.M.S.

Mrs. Robert Merrick was hostess for the Easter meeting of Mount Pleasant Woman's Missionary Auxiliary held on Wednesday, April 8th. There were 14 member, six visitors and two Baby Band children in attendance.

Mrs. Burton Sharpe opened the service with a poem, "Life Renewed in the Risen Christ." Mrs. Will Jeffs played quiet music on her guitar and later accompanied the hymns. All sang "Jesus Keep Me Near The Cross."

Mrs. Percy MacMullen gave her report. The roll call was answered with Easter verses. The treasurer's report gave \$10.76 for March. The May meeting on the 13th will be held at the home of Mrs. Frank Jeffs with Mrs. Will Potts to prepare the programme.

Mrs. Blake Sharpe gave a synopsis of the recent Presbyterian Meeting and others who attended also spoke briefly.

Mrs. John Holmes presided over her Easter programme. Mrs. Roy Thrasher conducted the devotional and gave a special paper on "The Renewal of Easter." Mrs. Frank Jeffs outlined "Christian Literature in Africa." She told of the Lauback method of overcoming illiteracy with the motto "Each One, Teach One," at Dondi, and here it was very successful. 1,200 people were cared for and taught for three weeks by the Missionaries. There is great scope for service beyond our Missionary territory and this once bookless continent is thirsting for reading matter. Mrs. W. Jeffs sang, "The Stranger of Galilee" with guitar accompaniment. Mrs. Herbert Smith read a missionary poem entitled, "The Vision." All sang "There Is A Green Hill Far Away."

The President read an Easter poem and closed the meeting. The hostess and a few assistants served light refreshments on the occasion of her third wedding anniversary and was thanked for her hospitality.

St. Paul's-Carmel Items of Interest

(By Rev. A. E. Baker, U.E.)

At the close of Easter Day the total Lenten Self Denial and Easter Special Offering amounted to \$391.44. While no objective was set it is hoped that a target of \$500.00 will be reached when all returns are in. It will be appreciated if everyone still holding envelopes will return them. A gift of one dollar from each home will achieve the target.

Two Services Sunday, April 19th

A youth service will be held to mark St. George's Day. Local Scouts and Cubs are expected to parade. All young people and youth groups are especially invited to attend this service.

Easter In Chicago

The Chicago Temple — First Methodist Church — had Easter Day Services at 5 a.m., 7 a.m., 9.30 a.m., 11 a.m., and 7.30 p.m. This is Chicago's oldest church. Attendances in 1953 were the greatest in the history of this church. This church has the highest spire in the world.

Cottage Meetings

Owing to measles in the family of Mr. John Sager, of River Valley, the cottage meeting planned for this home has been moved to the home of Mrs. John Kane. It is recalled that Mrs. Kane's father was a devout leader in the Sunday School at River Valley. The River Valley meeting is planned for April 22nd. It will be in charge of Elders W. T. Elliott and Edwin Warren. Should any unforeseen circumstance affect this arrangement due announcement will be made Sunday, April 19th.

House Numbers

The Council of Stirling Village is congratulated on its decision to number the houses of the village to mark the Coronation of Queen Elizabeth II. This will have many advantages and stands in sharp contrast to the wasteful expenditure of civic money in some places on fireworks.

The numbering of our premises may open the way for mail boxes and ultimately mail deliveries. At present the government seems adverse to providing this service. It is given on rural routes and in towns and cities. Why should our villages where so many retired folk live be by-passed? Even a government has been known to change its mind.

Flags

A daily press report last week says that the Dominion Government issues flags for public buildings according to the requests of local authorities. We respectfully suggest that when new orders are placed that the Union Jack be requested for the Stirling Post Office. Perhaps our Chapter of the Imperial Order of the Daughters of the Empire would be a fitting body to make representations supported by the village council.

We are pleased to read that the Council is ordering some new Union Jacks. Every flag should be unfurled to greet our visitors and to make ready for the Coronation.

Festival Entries

April 20th is the closing date for entries for the Stirling Festival of Sacred Praise. Entry forms may be obtained from Mrs. W. T. Elliott; also copies of the syllabus. Sunday School Superintendents are invited to give special attention to the Bible Memory Classes.

Patrons

It would be appreciated if all patrons of the festival would send their gifts of five dollars to Mrs. Elliott. Any person desiring to become a patron should make it known. Such support is necessary to make the festival possible.

Ontario Intelligencer

An exclusive Henry Birks Silver Cup has been donated by the Ontario Intelligencer to the Festival to be awarded to the one room public rural school receiving the highest marks at the Festival. It is hoped many Public Schools will strive for this coveted trophy.

Great Day

On May 31st Stirling folk will be hosts to the Timothy Eaton Memorial Church Junior Choir. These young people will sing at the Coronation Festival at 7.30 p.m. It is very gracious of the leader and members to come at their own expense from this great cathedral-like church to share in our Coronation Festival Service.

The S.S. Anniversary

A former Stirling school boy and Sunday School boy now Minister of the United Church at Brockville, will be our Sunday School Anniversary guest speaker. This visit of the Rev. Morgan Rowland, B.A., B.D., is keenly awaited. Let us give our "old boy" a grand welcome. He is a young Minister of great promise.

May 24th

In 1953 May 24th will be a memorable one. It will (1) Mark the opening of St. Paul's Centennial Year. (2) It is Whit Sunday — the day of Pentecost. (3) It will mark the visit of the President of the Bay of Quinte Conference. (4) The W.M. corner stone will be unveiled. (5) The Salvation Army will travel from Belleville and Tweed to participate in a great service to recognize the nine year mission of the Army in Stirling. Local, district and staff officers, band and chorists will be in attendance as well as the Belleville S.A. congregation. (6) A S.A. open air service will be held at War Memorial Park at 6.45 p.m. (7) It will be the birthday of one of our devoted women, Victoria Wright (Mrs. Carleton Wright). Yes, May 24th is a day to be remembered.

Mother's Day

May 10th

Plan to attend church with mother or in her cherished memory. A special order of service will be used at both St. Paul's and Carmel. A coloured flower should be worn if she is alive. A white flower if she rests from her labours. Plan a special gift in the name of mother. St. Paul's Endowment Directory opens a door whereby one may endow the memory of mother in perpetuity. Gifts may be made through the weekly envelope is desired.

Mr. and Mrs. Harvey Pitcher on Easter vacation very kindly sent a copy of the Easterday Order of Service of the Ludington Community Church. Its opening sentence reads: "In quietness and joy let us enter God's House. Let us pray for a spirit and seek a presence that we might be worthy of the Most High."

Memorial Services

For Queen Mary

At St. Paul's and Carmel Churches Sunday Memorial Services for Queen Mary were held. A life size portrait supported by silk Union Jacks was artistically draped in purple and black by an artistic minded lady of the congregation.

The traditional burial service as used at St. George's Windsor was adapted to the service. The Royal Choir sang "God Be In My Head" and St. Paul's Choir, "Who Are These Arranged In White Robes," by Stainer. The Mixed Quartet sang, "The Lord's My Shepherd." The 90th Psalm was read responsively and Rev. 21: 1-7 by Fred C. Bateman, Grand Master for Ontario East of the Loyal Orange Association.

The late Queen's favourite hymns, "Abide With Me" and "Glorious Things of Thee Are Spoken" were sung. Special music included Mendelssohn's "O Rest In The Lord," Schumann's "Funeral March" and Handel's "Dead March In Saul."

The M.E. Corner Stone

It was planned to have the corner stone of the present church laid by Bishop Albert Carman on June 28th, 1881. For some reason postponement was made until July 14th. Again action was deferred and it was decided to hold a harvest dinner instead to mark the laying of the top brick. Whether the corner stone was actually secure and if so what became of it are mysteries. A feature of the Centennial will be the laying of the corner stone of the First Methodist Episcopal Church erected in the year 1858 where the house of Mr. and Mrs. Claude Tucker now stands. Perhaps a future historian will locate the stone of 1881 and have it placed in the building with suitable if belated honours.

Happy Birthdays

At Carmel the birthdays of Mr. Joe Grills and Mrs. Lily Morris were recognized while at St. Paul's Bobby Bell put pennies in the birthday barrel for his "Ganny" and Joan Fraser and Bobby Potter also marked their birthdays.

Flowers At Carmel

Memorial baskets from Mrs. Morris and vases of May Flowers, the gifts of Mrs. Louise Anderson and Mrs. Lorne Brooks shared the pulpit area.

Co. Councillors Luncheon Guests Bethlehem Steel

Hastings County Councillors were luncheon guests of Bethlehem Steel at Marmora Thursday afternoon of last week, when on the invitation of mine officials they visited the northern village and later were taken on a conducted tour of the mine property.

Marsh Hill W.M.S.

The Easter Thankoffering meeting of Marsh Hill W.M.S. was held Tuesday afternoon, April 7th, at the home of Mrs. Walter Lindenfield, with twelve members and two visitors present.

The President, Miss Mae Currie, opened the meeting with hymn 109. The Scripture Lesson from Mark 16, verses 1-7 was read by Mrs. Walter Lindenfield, followed by prayer by Miss Currie. Mrs. Harold Detlor gave

a reading entitled, "The Easter Message."

Miss Currie introduced Mrs. Grant, of West Huntingdon, who brought an Easter Message. She compared our seasons to that of Africa. The Spring is similar to when Christ comes into an African heart, and when an African becomes a Christian he is willing to become a preacher, teacher, wanting to tell everyone what Christ means to him. Do we as Christians tell what Christ means to us?

The Christian Africans meet on Good Friday remembering the Crucifixion of Christ and that He died on the cross for each one of us. On Saturday they remember the sacrifices of the twelve disciples, who have been deprived of their leader.

On Easter Sunday they hold Baptismal Services and receive new members. Mrs. Grant stated, "we have twice a year Christians, Christmas and Easter." We should see that the children know the Easter Story as well as the Easter Bunny and Easter Egg. Today we have to be 100 per cent Christians in our living and giving to make our Christianity effective. Each W.M.S. member should ask themselves, "What does Easter mean to me, to my life, to my talents, to my sacrifices and to my givings?"

Mrs. Grant sang a beautiful solo, "It Was For Me," accompanied by her mother, Mrs. Lainsom.

Mrs. Lindenfield moved a vote of thanks to Mrs. Grant for her very helpful address.

Miss Currie gave a reading, "Like A Mighty Army," the story a G.I. gave one Sunday to a congregation after the singing of the hymn, "Like A Mighty Army Moves The Church of God." He said suppose the army accepted the lame excuses that many of you think are good enough to serve as an alibi for not attending the church parade, one private was too sleepy, another playing golf, another entertaining guests. We know that if any G.I. tried to pull that stuff, he would get twenty days in the brig. Yet you hear stuff like that every week in the church and said with a straight face, too. Like a mighty army! Why if this church really moved like a mighty army, a lot of you folks would be court martialed within the hour.

The Easter Thank-Offering was received and dedicated by Miss Currie. Hymn 113 was sung and the Lord's

Tea at its best!

Entered Into Rest MRS. EMMA ANNIE MITZ

In the passing of Mrs. Emma Annie Mitz the Ivanhoe community loses an old and highly esteemed resident.

Mrs. Mitz possessed a pleasing personality. Her many fine personalities endeared her to a host of friends, whose confidence and affection she treasured over the years.

She retained a keen interest in community and world affairs and gave generously to any worthy cause. Her main interests were in her home and her church.

In her home she was kindly and gracious, a loving wife and mother. She served her church with loyal devotion and will be especially remembered for her service in the W.M.S., of which she was a life member; serving as secretary for over 20 years.

The funeral, held from her late residence to Beulah United Church, on Tuesday afternoon, April 7th, was largely attended.

An impressive service was conducted by Rev. Thomas Tyson, B.Th., who gave a message of comfort to those who mourn. The hymns were, "Jesus Saviour Pilot Me" and "Forever With The Lord" were sung.

During the service Mr. Frank Palmer sang, "Sometimes."

The bearers were Arthur Wood, Thomas Fleming, Albert Clements, Harry Lovibond, Bonter Rollins and Leroy Rollins.

Interment was in White Lake Cemetery.

WOMEN'S INSTITUTE

The leaders, officers and members of Stirling Home-Makers Club express their regret in the passing of Miss Helen Ness, Home Economist, who as the result of a car accident, passed away, Friday, April 10th, at a Montreal Hospital.

To us — "She" is not dead, but just away.
Called from us who loved her;
Plucked like a flower in bloom
So good, so full of life, so happy,
And taken away so soon.
Just when her life was brightest,
Just when her years were best
But, the Angels were busy seeking
Someone to teach the children so fair
They whispered softly to Helen
To come, and be a leader "up there."

the calling committee for April.

Mrs. G. E. Warren, convener of the afternoon, opened her programme with the use of hymn 86 and Mrs. George White read the Scripture Lesson, taken from 13th Chapter of John. Comments on this Lesson was given by Mrs. Warren and prayer by Mrs. C. Tucker. Miss Wendy Warren favored with a lovely solo accompanied by Mrs. H. West. Mrs. Warren introduced the guest speaker, Mrs. R. Hubel, a member of the United Nations Association in Canada who chose as her subject, "Seven Years With The United Nations." Special interest was the reading of the preamble to the Charter of the United Nations, as follows:

We the Peoples of The United Nations, Determined to save succeeding generations from the scourge of war, which twice in our lifetime has brought untold sorrow to mankind, and to reaffirm faith in fundamental human rights, in the dignity and worth of the human person, in the equal rights of men and women, and of nations large and small, and to establish conditions under which justice and respect for the obligations arising from treaties and other sources of international law can be maintained, and to promote social progress and better standards of life in larger freedom, and for these ends to practice tolerance and live together in peace with one another as good neighbours, and to unite our strength to maintain international peace and security, and to ensure, by the acceptance of principles and the institution of methods, that armed forces shall not be used, save in the common interest, and to employ international machinery for the promotion of the economic and social advancement of

all peoples.

The aims and achievements of the U.N. were discussed, and the talk ended with the hope that with the death of Stalin a better degree of international co-operation might be achieved and more friendly relations among all nations be the rule.

Mrs. Hubel is an efficient speaker and the members of the W.A. were very interested in this worth while address. Mrs. W. T. Elliott thanked the speaker for coming and giving of her time to speak to the members. The meeting closed with the repeating of the benediction.

Mrs. Warren and her group served a dainty lunch and a social half hour was enjoyed.

Salem W.A.

Mrs. Ern. Broadworth was hostess for the April dinner meeting and quilting of Salem W.A.

The President, Mrs. Mayo, presided and opened the meeting with a verse and prayer. Hymn 101 was sung. The minutes were read and adopted. 24 ladies responded to the roll call. Several items of business were discussed.

Mrs. Frank McGee had charge of the programme. Hymn 87 was sung, followed with prayer by Mrs. Orville Jackson. The Scripture Lesson was read by Mrs. Albert Twiddy. Readings were given by Mrs. M. Wickens. Mrs. R. Kern and Mrs. L. Hagerman. Mrs. H. Mayo and Mrs. F. McGee favoured with a duet.

Easter stories from the book studies and stories of Stewardship were read by Mrs. C. Carter and Mrs. M. Holden. Mrs. V. Hagerman expressed the thanks of the W.A. to Mrs. Broadworth and those assisting with the programme. Hymn 107 and the benediction closed the meeting.

Nick Peconi, Prop.

De. 15-52-1y

Hello Homemakers-to-be! You, the summer birds of '53, will be day-dreaming about keeping house. Your mind's eye may see your new kitchen with such photographic clearness that you have mentally wrung out the dish cloth, put the pretty dishes back on the shelf and settled back to enjoy it. But face to face with your first actual shopping trip for utensils you won't know where to begin! Soon, someone (planning a shower) will be quizzing you as to what you want in kitchenware.

The kitchen section of your hardware is a fascinating place. Look around and decide on your preference in material and colour, then you may dream "out loud" to those who may enquire about what you would like to have.

TAKE A TIP

1. If you and your fiancé decide on the stove, then you can take the measurements of the oven as a guide to cookie sheets, roast pan and drop cake tins since cookie sheets should be 2 inches less in each dimension than the oven shelf. The size of muffin pans and layer cake pans should permit placing two on one shelf with a little space at ends and sides of oven.
2. With a rangeette the best buy will be a set of saucepans in steamer design or wedge shape, and small baking pans are advisable.
3. Your choice of kitchenware should be considered from a standpoint of cost, durability, care required, satisfactory performances and appearance.
4. Efficient cooking pans fit the small or large electric element, have straight sides and lids that set into the rim.

SUGGESTED LIST OF KITCHENWARE

A. Cutlery

Bread knife, carving knife, utility knife, 2 vegetable knives, meat fork, pair shears (all stainless steel), egg

lifter, can opener, bottle opener, knife sharpener, set of cookie cutters, set of measuring spoons, wooden spoon, cutlery box and a set of stainless steel knives, forks and spoons.

Desirable Cutlery: Pastry blender, krimpier, 2 tunnels, egg slicer, set of skewers, cookie press, vegetable peeler, tongs, onion chopper, nut mincer, skimmer, ladel, apple corer, spatula, biscuit cutters, pancake turner, extra set measuring spoons.

B. Mixing Utensils

Nest of mixing bowls, 1 cup and 1 pint measures, rotary egg beater, potato masher, grater set, wire strainer, reamer, bread board, rolling-pin, food chopper, flour sifter, rubber scraper.

Desirable mixing utensils: Set of measuring cups, pastry cloth and cover, 2 pitchers, 2 scoops, portable electric mixer, potato ricer, puree, household scales, beverage shaker.

C. Top of Range Utensils

3 saucepans (1 qt., 2 qt., 3 qt. size) with inset lids, double boiler, frying pan or chicken fryer, coffee pot, pressure saucepan, steamer, electric kettle, tea pot.

Desirable pans: 1 griddle, electric waffle iron, automatic toaster, preserving kettle with rack, fry kettle or electric casserole, and syrup thermometer.

D. Oven Cookery Utensils

Square cake pan, muffin pan, loaf pan, baking sheet and roast pan with rack, one-quarter casserole and 4 ramekins, custard cups, jelly roll pan, 2 pie plates, cake rack, minute minder.

Desirable: Another baking sheet, loaf pan, square pan and cake rack, timbale molds, tube pan (spring bottom), 7 fruit pans, layer pans, 8 x 10 baking pan, oven-proof platter and meat thermometer.

E. Storage

Set of refrigerator dishes with covers, set of oven glass dishes, set of canisters, bread box, 2 thermos, plastic covers.

Desirable: Individual molds, ring mold, picnic kit, vegetable bag or container, juice container.

F. Cleaning Utensils

12 tea towels (linen), 6 hand towels or paper towelling, oven mitts, dish pan, vegetable brush, broom, dust pan, mop and pail.

Desirable: Pot holders, sink strainer, dish drainer, rubber mat, radiator brush, scrub brush, dust mop, garbage container.

THE QUESTION BOX

Mrs. K. T. asks: Can evaporated milk that has spoiled in an open tin be used as sour milk?

Answer: No. While an open can may spoil it will not turn sour.

Mrs. N. Mc. asks: Why should a package cake mix result in cakes with lumps and cracks in the centre?

Answer: Take the following precautions: (1) measure the liquid accurately in measuring cup. (2) do not beat too long. (3) when batter is poured into pan gently drop each pan, held three inches above the table. (4) after baking, leave pans upright on the cake rack until lukewarm then turn out on rack.

Ford Motor Co. To Broadcast "Breaking The Sound Barrier"

Cockfield, Brown & Co., Ltd., and International Film Distributors Ltd., have completed arrangements with the Ford Motor Company of Canada and London Films, of London, England, for the trans-Canada broadcast of "Breaking The Sound Barrier" on the CBC Dominion Network of 46 stations, it was announced this week.

Working from the original screen play by Terence Rattigan, the Ford Theatre, under the direction of Alan Savage, will present the hour-long radio adaption of the motion picture which has won more critical acclaim than any film production in many years.

Recent winner of the Academy Award for "The Best Sound in Any Motion Picture in 1952," "Breaking The Sound Barrier" stars Ralph Richardson winner of the coveted New York Critics Award as "Best Actor of the Year" for his portrayal of the despot jet-plane manufacturer whose ruthless ambition creates havoc in many lives. Supporting Richardson in the film are Ann Todd, Nigel Patrick, John Justin and Ann Sheridan.

"Breaking the Sound Barrier" will be broadcast, coast-to-coast, over the CBC Dominion Network, Friday, April 24th, from 9.00 to 10.00 p.m., Eastern Standard Time.

The aircraft carrier HMCS Magnificent has travelled far since her commissioning in April, 1948. Training cruises have taken her to the sub-Arctic and the Caribbean, to Europe several times and twice to the Mediterranean.

Hustlings Stars S.S. Class

The Hustlings Star Sunday School Class held a Variety Concert at the Marsh Hill School on Wednesday night, April 8th, with a good attendance. The first numbers on the programme was the singing of O Canada.

Mr. David Hollinger, Superintendent of the Sunday School, was chairman for the evening's programme. He congratulated the class on their success and also their leader, Mrs. Bartindale. Miss Barbara Brown, President of the Class, welcomed everyone and thanked all who had helped to make their class meetings successful. She asked Mrs. Bartindale, their leader, to accept a corsage of roses, presented to her by Douglas Dettlor.

Rev. Giffin spoke a few words of encouragement to the boys and girls and said, "we were never too old to attend Sunday School."

The following programme was presented: Chorus by the Class, "Beauty Around Us" and "Oh Master Let Me Walk With Thee;" reading, "When Papa Was A Little Boy," by Raymond Ross; solo, "Galway Bay," Douglas Dettlor; piano solo, "Let 'Er Go," by Miss Verna Brown, of Carmel; reading, "Our Minister's Sermon," by Mrs. Bartindale; musical number, by Mr. and Mrs. Delbert McComb and Mr. and Mrs. Finday Scrimshaw, of Alkensis; boy's chorus, "Five Foot Two" and "Pretty Baby," by Junior Coniglio, Douglas Dettlor, Douglas and Gilbert Brenton; reading, "Explaining First Hand," by Elwood Culbertson; piano solo, "Side By Side," by Miss Ruth Sharpe, of Mount Pleasant; duet, "In The Star Light" and "In My Merry Oldsmobile," by Misses Joanne and Grace Headman, of Stirling; reading, "Ma's Tools," by Ralph Parks; song, "Tell Me A Story," Douglas and Gilbert Brenton; play, "Herbie and the Mumps," by Mrs. Bartindale, Misses Barbara Brown and Joan Campbell and Keith Hannah; two duets, "Dr. Dandy and Nurse Nancy Jane," and "How Much Is That Doggie In The Window?" by Carol and Calvin Sharp, of Mount Pleasant; piano solo, "A Shanty In Old Shanty Town," by Joan Campbell; solo, "It's In The Book," by Bill Slater; reading, "Farmer Boy," by Keith Hannah; solo, "Let's Fill Our Hearts With Love," by Miss Barbara Brown; chorus, "The Lord's Prayer," by the entire class.

Auld Lang Syne was sung by all. After the singing of the National Anthem refreshments were served by members of the Hustling Stars Class.

St. Mark's W.A. Bonarlaw

The April meeting of St. Mark's W. A. Bonarlaw, was held on Thursday of last week at the home of Mrs. Dave Wellman, with a splendid attendance.

The President, Mrs. Ward McInroy, was in the chair and asked Canon J. M. Brownlie to open the meeting. Mrs. Wm. Neal read the Scripture Lesson. Minutes of last meeting were read and roll call was well responded too. The Treasurer's report showed a good balance on hand.

Mrs. Brownlie read a Chapter from the Study Book. Mrs. E. Heath was in charge of the programme which included an interesting contest. The meeting closed with prayer by Rev. Brownlie. The hostess served lunch.

Cancer Education Fights Disease

Studies tell that women are more alert about health matters than men. Wives, in a way, are guardians of the family's health and they look after Dad along with the children. They can do this by urging their husbands to have regular check-ups with the physician.

Recent statistics show a margin of deaths from cancer in men over women over the age of fifty, particularly in cancer of the lung and of the intestinal system.

To counteract this incidence the Canadian Cancer Society plans an even greater program of education this coming year to reach the potential cancer patients among business people in factories and offices.

A precise and workable method for controlling cancer is through the showing of films, with a speaker to discuss the film and answer questions asked by the audience. Thirteen films illustrating the importance and the means of cancer protection are in constant circulation. Among these are special films for men such as "Man Alive," and for women, "Breast Self-Examination."

While the programme of public cancer education is conducted by the Canadian Cancer Society volunteers, preparation of films, leaflets and exhibits cost money and each Division of the Society must bear its own expense.

This year, the Ontario Division has

been able to apportion \$40,000 to the 34 Units of the Society throughout the province in support of their educational plans to save lives. But what of the lives next year the Society will be trying to save? Let everyone in our community, our province, answer this with a generous donation to the Canadian Cancer Society Campaign.

To help save lives, give now!

In the table of precedence for Canada, the Prime Minister ranks immediately following the Governor-General officer administering the government.

Canada emerged from 1952 with the strongest dollar in the world, a record capital investment of \$5,200,000,000 and exports surpassing \$4,000,000,000 for the first time in history.

"JUNIOR JUMBLE"

News of interest to 4-H and Junior Farmer Clubs
(By J. Allen Francis)

Hastings and Halton Junior Farmers Debate In Semi-Finals

On Thursday, April 2nd, at the High School in Milton, the debating teams from Halton County Junior Farmers and Hastings County Junior Farmers debated in the semi-finals of the competition. The debating competition, open to County Junior Farmers Associations in Ontario, is sponsored by the Ontario Junior Farmers' Association. The Hastings team, Marilyn Parks and Kathleen Homan, debating the negative side, lost by a very close margin to the Halton team.

The resolution was "Resolved that Voluntary Charity should be discontinued, and Contributions made from General Taxes." The interpretation of the debate was not to include, as charity, personal charity on a local level, or contributions for church work. General taxes should include taxes on a Provincial and Dominion level. In upholding the affirmative side, the Halton team developed the point that the majority of our charities should be handled as social services and aid given by contributions from general taxes. The Hastings team, taking the negative side, debated that charity taken from a voluntary basis does not retain charity, and that voluntary work toward the administration of the various charities would be discontinued.

The Hastings team, Marilyn Parks and Kathleen Homan, were winners at the Hastings County Public Speaking and Debating Competition and picked, at that time, to represent the Hastings Junior Farmers' Association. In the first round of debating, and debating on the negative side, they defeated the Prince Edward County team. In the second round, with Carleton County, Hastings team debated on the affirmative side and won the debate. Hastings then received a bye and went into the semi-finals with Halton.

The Halton team will now debate with Lambton County in the final competition to be held at the Annual Conference of the Ontario Junior Farmers' Association, at the Ontario Agricultural College in Guelph, April 26th, 27th and 28th.

4-H Clubs Organize

The Belleville 4-H Calf Club held an organization meeting in Shire Hall, Belleville, on Wednesday, April 15th.

Other clubs for Hastings County are: South Hastings 4-H Corn Club; South Hastings 4-H Grain Club; Mohawk 4-H Grain Club; Stirling 4-H Tractor Maintenance Club; Stirling 4-H Calf Club; Hungerford 4-H Calf Club; Madoc 4-H Calf Club; Mohawk 4-H Calf Club; South Hastings 4-H Swine Club; Mohawk 4-H Swine Club; North Hastings 4-H Potato Club; and North Hastings 4-H Forestry Club.

Boys and girls interested in joining any of the 4-H Clubs may do so by contacting the Ontario Department of Agriculture Office in Stirling.

Rawdon Junior Farmer Meeting

(By Ruth Linn)

The Rawdon Junior Farmers held a business meeting in the Department of Agriculture Board Rooms on Tuesday evening, April 7th. The Junior Farmers' project for the year was voted on, and it was decided that a paint sprayer would be purchased.

There also were nominations for delegates to go to the Ontario Junior Farmers' Conference and Annual Meeting at Guelph, April 26th, 27th and 28th. Douglas Cotten, the treasurer, gave his report.

Following adjournment of the meeting, all attended a dance sponsored by the Club, held in the Community Hall.

Wild oats are troublesome in cereal grains in the field, the thrasher and the cleaner. In the field, they grow very rapidly, choke out other crops, ripen as early as any spring grain, so are able to scatter seeds at harvest and threshing time. The long, twisted awns and hairy kernels are the best device yet developed for clogging screens on threshers and seed cleaners.

Wild oats have a few other bad habits. They refuse to germinate in the fall, so they aren't killed by fall plowing or winter frost. The seeds, buried by the plow, retain their vitality for many years, grow when brought up to the surface. And the plants are not controlled by selective weed killers such as 2,4-D.

First and most important step in eliminating wild oats is Don't Sow Them. Grain containing wild oats cannot be cleaned to remove them all. It should be ground to destroy the weed seeds before being fed.

Second. Long term hay and pasture crops prevent wild oats from ripening. Seed down fields infested with wild oats.

Third. When sowing grain on badly infested fields, an early crop like fall wheat, prevents wild oats ripening before the crop is harvested.

Fourth. Cultivated crops, corn, beans, potatoes or turnips give a chance to destroy the weeds during the season.

Wild oats are a secondary noxious weed under the Seeds Act. Sow No. 1 or Registered No. 1 seed and avoid a lot of grief with wild oats and other weeds.

Business Takes Up The Challenge

There is the beginning in public affairs in Canada of what Kipling would describe as "a whisper down the field" that betokens considerable good to Canada.

Canadian business men are taking an increasing interest in the community good — not just big business men, but little business men — not just the national community, but the local community.

The selfishness that characterized many business men at the turn of the century is now pretty well an obsolete attitude. The complexities and interdependence of business to-day have taught the business man that he must give attention to the whole community "canoe" and not limit his concern to only his own paddle.

An example of this new trend is the work of the Ontario Chamber of Commerce. It has recently presented to the Legislature a list of policy statements and resolutions seeking a better community for all — not just for business.

The subjects ranged from health services to Provincial parks, to education, to an antiquities law to prevent vandals from running away with archeological relics.

Nor were these submissions controlled by either "big business" or big cities. They were, in the main, forthcoming from small towns and small business men. And, because they arose from the grass roots all over Ontario, the Cabinet is considering them gravely, realizing that the voice of the Chamber is not sectional but democratic.

Small wonder that membership in the Ontario Chamber of Commerce — membership comprised of Boards of Trade and Chambers of Commerce throughout the length and breadth of the province — small wonder that this membership doubled during the past year and has now reached the impressive figure of 127.

With Canada going ahead at its present accelerated pace, it is encouraging to note that business people realize that our future must be built on a basis of "what's best for everybody" and that business men are devoting increasing time and effort to make the answers come out right.

County Tax Rate Reduced 1.43 Now 18.7 Mills

Wednesday at the spring session of county council the county tax rate was set at 18.7 mills — a drop of 1.43 mills from last year's rate of 20.13 mills. The tax drop was effected in the general rate which was set at 10 mills as compared with 11.43 mills last year.

The roads and bridges levy of eight mills is the same as for last year, while the levy for the county home debenture of .7 mills is also the same as that of 1952.

With the 1953 estimates calling for a county expenditure of \$716,516.81, approved by council, Warden Jack Kincaid noted that in reducing the tax rate Hastings had possibly set a precedent for all municipalities in Ontario for recent years. It was the first time in 19 years that the mill rate in Hastings had dropped instead of

showing an increase.

Biggest Budget

Biggest item on the expenditure list for this year is the county roads and bridges by-law with costs for this purpose expected to reach \$351,400 this year. This is a big increase over last year but because considerable of the planned expenditure is for a new bridge at Glen Miller on which the Highways department will pay an 80 per cent subsidy, the road levy at eight mills is the same as for last year. Road estimates were decided on at the January session of council.

Next largest expenditure in the estimates was the county home, where costs for the year are figured at \$105,000. Much of this cost, however, will be recovered from pensions received by patients. Administration of justice costs were estimated at \$31,500; jail operation \$23,000, and repair and maintenance at the jail and court house, \$6,500.

Debutante Charges Given

Children's Aid Societies would cost \$36,000; indigent patients, \$29,000, and high school education \$45,330. Debutante charges on the Home for the Aged will cost the County \$12,665.

On the revenue side the eight mill road levy will return the county \$140,116; the general rate at 10 mills will raise \$181,238.

Provincial subsidy on law enforcement will amount to \$12,670; the city of Belleville will pay the county \$16,000 for administration of justice costs, while the town of Trenton will pay the county \$7,500 for the same purpose. Belleville's share of juvenile court expenses will be \$2,500.

Public welfare to be applied to the Home for the Aged will net the county an estimated \$63,302, while another \$10,000 was estimated as receivable from the province for indigent patients.

Of the total road budget of \$354,000, it was estimated the government subsidy would amount to \$214,284.

Dance At Springbrook

The Ladies Auxiliary Branch of the Canadian Legion, No. 237, Marmora, sponsored a dance on Friday night last in the Orange Hall, Springbrook, with Archer's Orchestra providing the music.

The lucky draw on the pop-up toaster and table lamp was won by Linda Wellman, of Bonarlaw and Ralph Haslett, respectively.

On behalf of the Auxiliary Branch, the President, Mrs. Dave Wellman, thanked all for their splendid cooperation in making this dance such a decided success.

Weed of Week Wild Oats

"What, if anything, may be said in favor of sowing wild oats does not apply to Avena Fatua. This form of wild oats gives plenty of trouble to the farmer that sows it," says K. E. Fallis, Fieldman of the Crops, Seeds and Weeds Branch of the Ontario Department of Agriculture.

This plant, says Mr. Fallis, tries to masquerade as the honest oat, but differs in appearance by a peculiar green white color. A whitish sort of bloom covers the leaves and stems. It has a larger, more open type of head than its respectable relative with a long, loose panicle with nodding and spreading branchlets. The seed of wild oats is usually, though not always dark or black in color. It is hairy, and has a long, twisted, sharply bent awn. A sucker-mouth scar is always present at the base of the seed.

Members of Oddfellow and Rebekah Lodges Attend Divine Service

Rev. W. H. V. Walker Delivers Inspiring Message — Over 150 Members Present

Commemorating the 134th anniversary of the founding of their Order, the members of the various branches of Oddfellows in Stirling and visiting brethren attended divine worship in St. Andrew's Presbyterian Church on Sunday morning at eleven o'clock. Rev. W. H. V. Walker delivered the special message of the day.

Marshaled by Bro. E. Carlisle, the members of Stirling Lodge No. 239 and Stirling Encampment No. 80, together with a large number of visiting brethren paraded from their lodge room on Front St. At the church they were joined by members of Laurel Rebekah Lodge, No. 211, who occupied the front pews of the church. Altogether there were close to one hundred and fifty members of the Order in attendance at the service.

A large congregation was present to welcome the fraternal order and Rev. Walker delivered an inspiring sermon on "The Three-Fold Cord".

"A Threefold Cord is not easily broken", Eccles. 4:12. This is probably a proverbial saying like our "Union is strength". There is an old story of a father who tested his sons by asking them to break a number of sticks he had tied together and of the son who broke the sticks one by one after the others had failed to break them when firmly tied together.

In our text we have a threefold strand which binds us to our God and the service of our fellowmen. The first strand is found everywhere and is self, a cord easily broken. The second is altruism. When self and altruism are linked together they are much stronger than self. The third, when the two were combined with God the result was a triple strand of mighty power. Now we take a leaf from your great Order — Friendship, Love and Truth. These ideals are sorely needed today. There is so much insincerity, hatred and distrust in the world.

It is one of our obligations to promote Christian brotherhood and sisterhood, and to make these three links spiritually efficient. This is an age of efficiency. The spirit of brotherhood was demonstrated in the early church by almsgiving. Now we have hospitals, Red Cross and fraternal societies, etc., seeking to help those in need — a gospel the world understands.

The Christian religion is based on Friendship, Love and Truth. When we rightly value this threefold emblem we are moved to rededicate our lives anew to the service of humanity and help build a bridge across the stream of time and into eternity. The present crisis demands action. We are definitely challenged to proclaim in a practical way the message of love and of salvation to struggling humanity.

The Scripture lessons were read by Mrs. J. L. Good, Noble Grand of Laurel Rebekah Lodge No. 211, and Mr. K. Belcour, Noble Grand of Stirling Lodge, No. 239, I.O.O.F.

Flowers in the church were thoughtfully placed by Mrs. E. T. Ward. Special music included a duet, "His Love Is Wonderful To Me," by Miss Barbara Fargy and Mrs. Roy Eggleston and a solo, "The Lord Is My Light and My Salvation," by Wm. Reynolds. Mrs. R. H. Williams presided at the console of the organ throughout the service.

Honoured Prior To Departure

A family gathering was held at the home of Mr. and Mrs. Harold Johnston, Front Street Stirling, on Saturday evening, April 18th, in honour of their son, Ronald, who is in the RCAF, prior to his departure for Montreal on April 21st, where he will sail for England. Ronald will be stationed at North Luffenham.

Ronald was presented with a wrist watch on behalf of the family and relatives, to which he fittingly replied. A family supper was enjoyed after which the evening was spent in playing cards.

Ronald is a former student of Williams Public School, Rawdon, where he received his early education and Stirling Public and High Schools.

All join in wishing Ronald the best of success in this new venture.

80 Years Young

Congratulations are extended Mr. Sidney Mason, of town, who on Friday last observed the 80th anniversary of his birthday. The occasion was marked by a family reunion and he was the recipient of numerous gifts and felicitations.

A native of Rawdon Township, Mr. Mason has spent his lifetime in the district. He is a veteran member of the Oddfellows and is well and favourably known. Despite his years he enjoys good health and is interested in every sphere of local activity. His many friends join in wishing for him many more happy anniversaries.

Watch Those Grass Fires

"The News-Argus has been asked to draw to the attention of citizens that it is unlawful to start grass and rubbish fires in the Village after sundown. These fires, left unattended, constitute a menace to public and private property."

Stirling Dairy Satisfactory

A routine inspection of the Stirling Dairy, operated by Mr. A. R. Wannamaker, was carried out by G. Trewin, of the Sanitary Engineering Division of the Ontario Department of Health, on March 18th last.

The bacteriological results were as follows: product, regular; B. Coll. c.c., 0; Plate Count c.c., 20,000; Phosphatase test, A. These results are satisfactory, although the plate count is somewhat out of line with the suggested standard of 10,000 bacterial for c.c.

The dairy was found to be tidy and clean and the owner is planning to paint the interior of the plant this spring.

The recording thermometer charts examined indicated correct holdings and were properly marked. The equipment was found to be clean and in good condition.

Local and Personal

Mrs. C. I. Hatton spent the weekend in Nanapan, guest of Mr. and Mrs. S. D. Goodridge.

Dr. E. F. W. Baker will be guest soloist at St. Paul's next Sunday morning.

Mr. and Mrs. W. Elzea, Ludington, Mich., are guests of Mr. and Mrs. Harvey Pletcher.

Mrs. J. S. Whitehead was a weekend guest of Mr. and Mrs. A. Gordon, of Owen Sound.

Mrs. Ernie Brown, who recently returned from Toronto, was a caller on Monday of Mr. and Mrs. Harry Fanning.

Mr. Wm. Russell Sr., and Mr. and Mrs. Wm. Russell Jr., with their son Tommy, were Sunday guests at the Parsonage.

Mr. and Mrs. Edison Wynn, of Campbellford, were Sunday guests of Mr. and Mrs. R. E. Fox.

Mrs. Robt. Kerr has returned home, having spent the past week in Montreal.

Rev. and Mrs. A. M. Laverty, of Kingston, were Saturday guests of Mrs. J. H. Beatty, Hillsdale.

Mr. and Mrs. Victor Houchin, son and daughter, of Toronto, spent a day last week with Mr. and Mrs. Harry Fanning.

Mr. and Mrs. S. S. Ashley, of Madoc, and Mr. O. E. Ashley, of Belleville, were Sunday guests of Mr. and Mrs. C. Tunmon and Mr. Howard Ashley.

Mr. and Mrs. Carman Fitchett and Billy, of Picton, were guests of Mr. and Mrs. Cameron Montgomery on Sunday.

Mrs. Wm. Russell, a native of Belfast, Ireland, now resident in Toronto, was a Parsonage guest last week.

Mrs. Harry Fanning received word that her sister, Mrs. Kirk Moran, of Stockdale, is very ill and under the doctors' care. All hope for a speedy recovery.

Ross Hermiston, of Queen's University, spent a few days this week with his parents, Mr. and Mrs. R. A. Hermiston.

RETIRING FIRE CHIEF HONOURED

Sheldon McIntosh, who recently retired as Chief of the Stirling Fire Brigade, was guest of honour at a banquet held in the Stirling Hotel last night. Members of the Village Council and the Fire Brigade were present.

Presentation of Travelling Bag

Following the banquet Reeve R. K. West read an appropriate address in which tribute was paid ex-chief McIntosh for his years of service to the village and Fire Chief R. E. Fox made the presentation of a Gladstone bag. Mr. McIntosh voiced his thanks for the gift and a brief discussion on matters pertaining to the Fire Department brought a pleasant evening to a close.

Apostolic Rite of Laying On of Hands At St. John's Church

Rt. Rev. K. Evans, D.D., Lord Bishop of Ontario, Officiated—Reception Held

On Sunday evening at 7.30 the Lord Bishop of the Diocese of Ontario paid his official visit and his first one to St. John's Anglican Church, Stirling, for the purpose of confirming twenty-one candidates from Stirling, Frankford and Glen Miller. The church was filled to overflowing with members and many visitors.

The impressive but simple service began with the Processional Hymn, "Onward Christian Soldiers" and continued with the Preface being read by the Bishop and the Lessons by the Rector. The hymn, "Veni Creator" was sung, kneeling after a short period of silence.

The Bishop addressed the candidates and they came forward two by two for the Rite of the Laying On of Hands, which has been practised by the church since the time of the Apostles, whose successors our Bishops today are. It was an inspiring sight to see father and son or daughter, a mother with three daughters, or a son, kneeling before the Bishop to receive the Blessing of the Holy Spirit.

After the hymn, "My God Accept My Heart This Day," His Lordship gave an interesting and thought provoking sermon on "The Risen Christ." Miss Grace Carleton sang very beautifully "Better Each Day," by the Rev. A. A. Ackley. During the collection for the Offertory, Mrs. H. Morrow played appropriate organ selections with feeling and expression much appreciated by the congregation.

The Rector welcomed the Bishop on this his first visit and extended to him the greetings of the Wardens and the congregation. Sidesmen were J. B. Belshaw and Ray Mallory; Junior Sidesmen, Doug Harding and Bob Noble; Cross Bearer, Martin Secker. The Recessional Hymn was "O Jesus I Have Promised."

Reception in Parish Hall

A reception was held in the Parish Hall following the service where tea was served and all had an opportunity to meet the candidates and the Bishop and Mrs. Evans.

A SUCCESSFUL EUCHE PARTY

The Euchre Party held in River Valley School on Friday, April 17th, in aid of St. James the Minor Church, Stirling, was very successful and enjoyable.

There were 18 tables playing, with the following prizes awarded: Ladies' first, Mrs. Fred Donohoe; Ladies' second, Mrs. Chisholm (won on draw with Mrs. Downs); Gents' first, W. L. Anderson, 2nd Ross Bush. Lone hand prize went to Mrs. Everett Cooke, of Ridge Road and the door prize to E. Uniache.

Mrs. J. R. Donohoe voiced thanks on behalf of Mrs. Hanna and herself for the prizes donated and to everyone for coming, also a special thanks for the use of the school, which was appreciated very much.

Legion Hosts To Zone Meeting

At the biennial meeting of Zone F. 3 of the Canadian Legion held in Stirling last Sunday, April 19th, Len. Taylor, of Tweed, was elected Zone Commander. Deputy Zone Commanders elected were Jack Armstrong, Madoc; and William Bailey, Belleville. Ray Tanner, of Stirling, was appointed Zone Sports Officer.

The opening ceremony of remembrance was greatly assisted by the blowing of "Last Post" and "Reveille" by R. L. Hullin.

Branches of Zone F. 3, include Deseronto, Belleville, Picton, Carrying Place, Wellington, Stirling, Madoc, Marmora, Tweed and Bancroft.

Jack Burnett, Mayor of Cobourg, and District Commander, spoke briefly to the gathering and conducted the election of officers. Percy Gray, Jr., of Marmora, was chairman of the session. A word of welcome was spoken by Pres. F. Houchin, of Stirling Branch.

Reports given by the various branches at the meeting showed the Legion to be particularly active in community service, and feelings of enthusiasm and responsibility along this line were plainly evident. Following an inspiring meeting, 45 of the delegates were able to stay and enjoy a fine dinner served in the main dining room of Stirling Hotel.

Factory To Open

Harold Cheese Factory will open for the season on Monday next, April 27th according to an announcement by president G. Gordon Bailey. Gordon Bateman has been re-engaged as cheesemaker and the directors of the company are anticipating a successful year.

The candidates are: Stirling, Burton Woodbeck and Barbara; Farley and Mrs. Parnell; William Jensen, Don Rikely and Mrs. E. Gifford; Frankford, Mrs. C. Pearson, June, Grace and Helen; Glen Miller, Mrs. C. Patrick and Bob, Charles Ireland and William, Jack Cole, Donnie Ferguson, Ruth and Jean Gibson, Elwood Peterson and Fred.

Turn Your Clock Ahead

Stirling residents will turn their clocks ahead one hour at midnight on Saturday to begin daylight saving this year. Fast time will extend from Sunday, April 26th to Sunday, September 27th.

Bride and Groom Are Honoured

Friends and neighbours of Mr. and Mrs. Bill Clare, of Oak Lake met on Saturday night at the Marsh Hill School to honour them on their recent marriage.

Mr. James Campbell was chairman for the evening and wished the bride and groom much happiness and best wishes for a long married life.

Community singing was enjoyed by all with Mrs. Berson Mitts at the piano. A duet was given by Misses Grace and Joanne Heasman, "Come Tip Toe Through the Tulips With Me", accompanied by their mother, Mrs. George Heasman; reading, by Mrs. Bartindale, "The Price of Milk", and "How to Preserve a Husband"; piano solo, by Mrs. Leslie Little, "Star of the East"; Miss Gwenda Detlor favoured with a short recitation; a reading by Mrs. Harold Detlor, "If I Were Seven"; quartette, "Old Black Joe", by Douglas and Gilbert Brenton, Raymond Ross and Douglas Detlor.

Mrs. Charles Ross read an address and Mrs. Bartindale and Mrs. Garnet Searles presented the bride and groom with a trillight. Mr. Garnet Searles presented them with a scatter rug and an ornament from the charivari gang.

Bill and Marabelle thanked everyone for the lovely gifts and after the singing of "For They Are Jolly Good Fellows", refreshments were served by the ladies.

Young Marrieds Group of St. Paul's

On Wednesday evening, April 15th, the Young Marrieds Group of St. Paul's United Church attended the showing of the Royal Tour and the Royal Wedding, which was sponsored by the I.O.D.E. and spent the remainder of the evening at the home of Mr. and Mrs. Frances Jeffrey, who were in charge of the group.

Television was enjoyed for a time and the meeting was opened by President Ted Reynolds. After the devotional period an interesting contest, "Automobile Romance," was conducted by Mrs. Jeffrey.

A delicious lunch was served by the hostess and conveners and Mr. Ted Reynolds tendered a vote of thanks to the group in charge.

Hostess To River Valley W.M.A.

The River Valley Woman's Missionary Auxiliary met at the home of Mrs. Ross Bush on April 21st, with an attendance of 13 members, 4 visitors, and 6 children. The president opened the meeting by having the group read in unison the hymn, "Jesus Stand Among Us". There were 5 home calls, 6 hospital calls reported.

The literature secretary reported five books read. The Baby Band secretary reported 15 members on roll. The flower fund secretary reported lack of funds and it was decided to reserve loose collections for expense account. The supply secretary reported that the bale was about ready to go and if anyone had any clothing to hand in, to hand it in this week or the first of next week.

The May meeting is to be held at the home of Mrs. Ross Holland. Mrs. Ross Bush will be the programme convenor and Mrs. Ernest Carr and Miss Flossie Rosebush to be the lunch committee.

Mrs. Ralph Utman took charge of the program and worship service outlined in Missionary Monthly. The hymn, "Christ the Lord is Risen Today," was sung. The Scripture Lesson, the Easter Story from St. Mark's Gospel, was read by Mrs. Jack Bush. Prayer by speaker, Mrs. George Carlisle, chose for her topic, "Missions is a Christian Activity". She outlined how all the missionary groups made

Scouts And Guides At St. Paul's

Commissioner A. Jackson Speaker At Impressive Service — Presentation Made

The Scouts and Guides of Stirling, supported by Cubs and Brownies, marked St. George's Day by a parade service to St. Paul's United Church last Sunday morning.

The happy faces of boys and girls, including some Scouts, with many merit badges, presented a smart appearance. The neat and good natured officers set fine examples for the girls and boys.

Among the officers present were District Scout Commissioner Arthur Jackson, who presented Mrs. Ken Ray with her Warrant as a Scout Officer signed by the Governor General of Canada; Scoutmaster Harding; Cubmaster Irish; Mrs. Irish, who offered the special prayer for St. George's Day; Capt. Kent of the Girl Guides; Lieut. Mrs. E. Warren and Lieut. Mrs. Fairies of the Brownies.

Commissioner Speaks

Scout Commissioner Jackson spoke of St. George the Patron Saint of England. He deplored the passing of the "days of chivalry." He identified the Boy Scouts as the Knights of today. He commended the part the girls and boys took in the work of the Royal Choir as a large number joined the surplused members of the choir to sing a Welsh arrangement of "Onward Christian Soldiers." Many Choir members belong to the Scouts and Guides. Commissioner Jackson emphasized that every member of these organizations was expected to be loyal to the church.

Lessons

The Responsive Lesson, Psalm 24, was commendably read by Scout Allan Wells and the Second Lesson by Guide Marjorie McArthur. Allyn Warren's phrasing in the solo "Come My Life, My Truth, My Way," was praiseworthy as was the tenor solo by Mr. Jack Bush. "Thou Wilt Keep Him In Perfect Peace."

The composite color party was well prepared. Messrs. R. A. Patterson and David Duffin, lay leaders of the local Scouts, supported the parade. Where Are You Going?

This was the title of the Minister's message, based upon the colorful book of Jonah.

Flowers to mark the birthday of Mrs. Harry Philip (Maude Marguerite Preston) who was born April 17th, 1902 and entered her rest October 3rd 1950, were thoughtfully placed in the church by her sister, Mrs. Walter T. Elliott and Mr. Elliott.

up a big Woman's Missionary Society of the United Church of Canada. Many interesting facts and features about the training schools and mission fields of India, China, Africa and others.

The Bible Study was "The Easter Story" conducted by Mrs. Roy Bush. For the next meeting the members were asked to read the first 3 chapters of Acts for home reading.

On behalf of the group, Mrs. Roy Bush thanked the hostess for the use of her home, a special thank you to Mrs. Carlisle for her most interesting and informative message and the lunch committee.

The meeting closed with the benediction. Lunch was served and a sociable time enjoyed.

Believed Oldest Woman In Ontario Dies In Murray Twp.

Believed to be the oldest woman in Ontario, Mrs. Jane Mitchell, of the 7th Concession of Murray Township, near Wooler, died in her 107th year early Saturday at the home of her son, Milton Mitchell.

The late Mrs. Mitchell was born in the Wooler district and spent her entire life in the area. She was born on New Year's Day in 1847, daughter of the late Mr. and Mrs. William Parcells.

Of Dutch-English ancestry, she is the widow of the late Jesse Mitchell who predeceased her many years ago. Mr. Mitchell was a pioneer settler from England.

Born during Queen Victoria's reign, Mrs. Mitchell was a girl of 20 when Abraham Lincoln was president of the United States. She has lived during the age of the telephone, the radio, movies, television and right down to the days of jet propulsion. She could recall watching workmen build the trans-continental railroad which passes just south of her son's farm where she has lived for quite a number of years.

Research Probes The Cancer Problem

What causes cancer? How can it be detected more readily? How can cancerous growths be killed more completely? Canadian scientists are seeking the answers, each year finding vital data that ultimately must give the complete answer.

Due to the response of the people of Ontario to the Canadian Cancer Society's appeal for funds last April, its Ontario Division was able to contribute \$116,120 to the National Cancer Institute in support of the knowledge, skills, fellowships and facilities required to find cancer's cause and its eventual cure.

The long hard road of this cancer research can turn any moment, any year. When you're asked to give, give with expectations, with knowledge that hundreds of our most skilled scientists are at work in Canada, any one of them might change the sombre picture.

Give your dollars to help in the search. GIVE TO CONQUER CANCER. GIVE NOW!

Farmers' Day, K.A.S. Wed., June 24th

A. M. Barr, Principal of the Kemptville Agricultural School has announced that Wednesday, June 24th next will be Farmers' Day at the School farm.

This will be a day designed especially for farmers of Eastern Ontario to see demonstrations and activities that are closely related to their own farm problems. Further details will be announced later.

Farming The Safe Way

Statistics indicate that 60 per cent of the fatal accidents on farms are caused from improper use of the tractor. J. L. Thompson of the Swift Current Experimental Station advises accidents can be reduced to a minimum by carefully observing the following safety rules:

1. Do not allow young children to operate a tractor.
2. In hitching, do not stand on the ground between the moving tractor and the implement. Always block up the hitch and use a hook to align tractor drawbar.
3. Let the clutch in slowly when going up a hill, or starting off in high gear.
4. Stop the power take-off when getting off the tractor.
5. Keep the safety shield over the power take-off assembly.
6. Stay on the seat when the tractor is in motion. Stop to adjust levers or employ hydraulic controls.
7. Never allow passengers on the tractor.
8. In high gear, apply both brakes evenly when a quick stop has to be made. Uneven braking causes tipping at high speed.
9. Never change the hitch point above the axle centre line. Always use the drawbar.
10. On heavy loads engage the clutch slowly or the front end may come up.
11. Wait until the tractor stops before dismounting.
12. Stop the motor before filling the fuel tank; also avoid spilling fuel on the hot motor.
13. Throttle down the motor when turning a corner, applying the brakes, or going over rough ground.
14. Allow a boiling radiator to cool down before removal of the cap for inspection.

You Are No Safer Than Your Car

SPRING IS HERE!

NOW'S the time to have that engine inspected! Rough winter weather has taken its toll on vital parts, and may have started "little" troubles in the engine system that can be found now, and corrected at low cost. Better, you'll agree, than letting them develop into "expensive" troubles.

Cottage Prayer Meeting

The second in the series of Cottage Meetings was held last Wednesday at the home of Mr. and Mrs. Claude Tucker, whose home is on the site of the first Methodist Episcopal Church erected in Stirling in 1855. There was a splendid attendance and a real "homey" atmosphere. Mrs. Tucker makes a charming hostess.

Elders Preside

Elder George Carlisle, Clerk of Session, presided. He was supported by Elder Harold Hagerman who led in prayer. Miss Donna Carlisle was pianist for the service. Miss Shirley Chisholm played a hymn and Misses Fairlie and Mary Ellen Warren sang, "Jesus Loves Me."

Mrs. Bonsteel Speaks

The guest speaker was Mrs. R. R. Bonsteel, who spoke on the early church. Sparks from her anvil included the following:

"The Christian Church was born at Pentecost."

"It is nice to attend a meeting conducted by laymen."

"Sometimes Christians have to be persecuted a bit for their own good."

"We cannot worship God and live apart from Him. Religion isn't just for monks."

"Cottage meetings are very important because they are family gatherings."

"The Church is not just what happens Sundays at 11.00 a.m."

"The Bible says people are more important than things."

"Prayer should be as natural as breathing."

"Does your work take you away from people?"

"The Church is you in a fellowship."

"Every person should read Romans, Chapter 12, at least once a week. It is a blueprint for Christian service."

Mrs. E. Chisholm read the Lesson and Rev. W. S. Irwin pronounced the benediction.

Endowment Gifts

Many lawyers who represent a very conservative profession are not cognizant of the rise of bequests in the Protestant Church. The United Church of Canada in its publications regularly calls for such gifts.

To perpetuate the memory of donors and to safeguard the administration, the congregation of St. Paul's, Stirling, has adopted the plan of many for seeing churches and established an Endowment Fund.

Friends making bequests in their wills should stipulate to be paid to the "Endowment Fund of St. Paul's United Church, Stirling. It is a poor will that leaves the church out. It is suggested that at least one-tenth of every estate should be given to the Lord's work. Of course there are many without necessitous dependents who will give much more than the tithe.

Centennial Year Book

First proofs are now coming from the printers. It is expected that these will all be in hand in a few days. Once they have been checked the printing can proceed.

Mr. R. A. Patterson reports a nice run of orders. Only 500 copies of this precious book will be available for sale. Orders will be filled in rotation as long as books are available.

S.S. Record

St. Paul's Sunday School made a new attendance record Sunday, April

12th, with 104 pupils present. Practice has now started for the Sunday School Anniversary when some school choruses will be sung.

Gravel At Carmel

Several loads of gravel have been added to the ground area at Carmel which will improve the parking space. With progressive improvement each year, Carmel will achieve one of the finest rural church parking grounds in the Conference.

S.S. Anniversary

The Carmel Congregation has decided to set apart a service to mark the work of the Sunday School. The 1953 Inaugural S.S. Anniversary will be held at 3 p.m., Sunday, May 31st. Practices from a selection of fine fine old time hymns will begin next Sunday.

Festival Committee

The programme of the 1953 Stirling Festival of Sacred Praise will be prepared at a meeting Monday, May 4th, to be held at the home of Mrs. Walter T. Elliott, Front St. All interested persons are invited to attend.

Daylight Time

All worshippers are asked to note that daylight time will be in effect for all services next Sunday, April 26th.

Film Service

Bright singing of gospel songs and three films marked the special Sunday evening service at St. Paul's. Two groups of young people sang Festival

numbers. It was a hearty service and indicates that a fine interest will mark the opening of a series of evening services on Sunday, May 24th.

Funeral of Miss Eileen Ness, Accident Victim Held at Howick, Que.

The following is a release that appeared in the Huntingdon Gleaner, concerning the funeral of the late Miss M. Eileen Ness, Home Economist for the Counties of Hastings, Prince Edward, and Lennox and Addington.

The United Church of Howick was filled to capacity by 2 p.m., Monday, April 13th. In fact, and that is not meant in an irreverent way, the term "standing room only", would well apply to the interior of that church, while a considerable number had to remain outside. According to B. L. McGerrigle, Undertaker, Ormstown, who was in capable and efficient charge of the funeral of Eileen Ness, it was undoubtedly one of the largest funerals that had ever been held in Howick, at any rate in several years, two wartime services for servicemen excepted. Moreover there were people in attendance from widely scattered

parts of Quebec, Ontario and United States.

A private service was held at Woodside, same being attended only by the family and relatives and friends from distances away. In that respect we may say that there were numerous wreaths and other floral tributes, many of which had been delivered by Montreal Florists on behalf of the people from across Canada and many of the United States.

After a private or family service the Funeral Cortege wended its way to the United Church and after the service there the interment was made at Georgetown Cemetery.

The Ministers who officiated at the two services and at the interment were Rev. W. A. Edwards, Pastor of Howick United Church, and the Rev. Dr. A. B. D. Moore, a former Pastor of Howick United Church. Dr. Moore is now a Professor of Victoria College, University of Toronto, and he made a special trip from Toronto to attend the funeral.

The chief mourners were Douglas A. and Mrs. Ness, Eileen's parents; Bernice and Rollie Ness, her sister and brother; Joseph Gray, her fiancé, and Ross Ross; Grandparents: Hon. R. R. and Mrs. Ness, Math and Mrs. Orr, and a large group of other near relatives.

The pall-bearers were Wilbert Orr,

and Wm. Brown, uncles; Robert E. and Robert B. Ness, cousins; Jim Gray and Keith Farquharson. The flower carriers were: Ken Roy, Brodie Tompleton, John Logan, Ross Brown, Donnie Watson, Ray Smith, J. Tennant.

The space at our disposal here does not permit of our giving a list of the many people this writer recognized at the funeral. Moreover we did attempt to do so it would probably be far from complete. Included were a considerable number of people who represented various bodies and organizations, here again was a considerable list. However, we may say that amongst same were Tom Wm. Tinker, Brandon, Vt., who represented the U.S. Ayrshire Association and also that of Vermont; Vice President S. Wyman MacKechnie of Wyman, and

Past President Maurice Joubert of St. Vincent de Paul, who represented the Executive Committee of Canadian Ayrshire Breeders' Association Breeders' Association; Frank Hodgkin, representing Canadian National Live Stock Records, Donald E. Black, M.P.; Dr. Gus Toupin, representing Oka Agricultural College; Professor Alex R. Ness (uncle), representing Macdonald College.

Mr. J. Allen Francis, Assistant Agricultural Representative for Hastings County, and Mr. Grant Richardson, Vice-President for Hastings County Junior Farmers' Association, attended the funeral held at Howick, Quebec, on Monday.

Canada has nearly 600,000 miles of roads. Only 14 per cent are paved.

No matter the size or type of truck you need—what better proof could there be that a Chevrolet truck is your best buy!

According to registrations (obtained from sources subscribed to by the industry and considered to be reliable) truck users in every single province bought more Chevrolets again in 1952, than any other make.

And so year after year Chevrolet's popularity proves beyond any question of doubt that Chevrolet and only Chevrolet provides the sturdy durability, trouble free performance and long low-upkeep life that means real satisfaction to truck users.

Yes, it is difficult to imagine more convincing proof of Chevrolet's superiority, for such clear-cut and overwhelming preference can lead to but one conclusion:

Chevrolet trucks must be better, must enjoy solid ad-

vanages over other trucks. Such preference must rest on a firm foundation of good, sound value. And, of course, it does — as owners of Chevrolet trucks can testify.

Chevrolet trucks are widely known for their ability to hold hauling costs down. They are known for their power, their stamina, for their exceptional gas and oil economy, as well as their low-cost upkeep. And on these same counts, you can expect 1953 Chevrolet trucks to be even more outstanding.

Mount Pleasant

Friends here received word of the illness of Mrs. Alex Moore, of Detlor, formerly Marguerite McMullen, of Anson. Mrs. Moore underwent a major operation in the Civic Hospital, Ottawa, on Friday. A few days previous to her operation she was moved by ambulance from Bancroft Hospital to Ottawa Hospital.

Miss Grace Pitman and her mother, Mrs. W. C. Pitman, of Stirling, were recent guests of the latter's sister, Mrs. James Linn.

David McAdam, son of Mr. and Mrs. Harry McAdam, was taken to Kingston on Friday and returned home that evening. David is suffering from a rheumatic condition.

Mr. Wayne Shaw, Ivanhoe, spent a few days last-week with his grandparents, Mr. and Mrs. Roy Thrasher.

On Sunday morning at the church service Misses Lola McConnell, Marilyn McConnell, Ina Scott and Eleanor Smith rendered a quartette.

Two mornings last week thick ice had formed and the weather has been exceptionally cool. Snow flurries came so thickly that the ground was well covered on Thursday morning. Winter weather in April.

Petty Officer Carman Reid, of Shannon Park, Halifax County, arrived on Sunday at the home of Mr. and Mrs. Sid Williams where he will visit his wife and daughters who arrived recently.

Mrs. Russell Pyear and the pupils of the Williams School; Miss Lamaine Post and the pupils of the Allan School attended the free showing of "Royal Journey" and "Royal Wedding" in Stirling Theatre, under the auspices of the I.O.D.E. Several adults attended the evening showing.

Mr. and Mrs. Clifford Sine and Doris, Mr. and Mrs. Wilfred Sine and Mrs. Ed. Patrick, visited Mr. Ed. Patrick in Belleville Hospital on Sunday afternoon.

Mrs. Burton Sharpe spent a day last week with her sister, Mrs. George Nelson, in Peterborough.

Mrs. Harvey Couch and baby returned to their home here on Wednesday after spending some time with her parents in Stirling.

Mrs. Thos. Saries attended a birthday party for her father, Mr. Sid Mason on Friday, April 17th.

Two-By-Two Club

On Friday evening the Two-By-Two Club entertained Carmel Young Adult Group and the local Young People's Union. There was a good attendance and this was closing night for the Club. The Pastor, Rev. R. R. Bonsteel welcomed the guests and spoke briefly.

Mrs. Russell Pyear presided over the Carmel programme. Miss Verna Brown officiated at the piano and all sang "O Worship The King." Rev. A. E. Baker, Pastor of St. Paul's-Carmel, offered a prayer and Donnie Armstrong sang, "Hear Us Holy Spirit." Rev. W. S. Irwin gave the special message. The pupils of the Glen Ross Public School sang, "Father We Thank Thee." Dawn and Dale Hubel contributed a vocal duet. Mrs. Ross Hart sang, "April Showers." Mr. H. Brown led the assembly singing and Dale Hubel gave a reading. Mrs. Arthur Pyear and Miss Verna Brown delighted with a piano duet and Mr. Russell Pyear sang two Irish selections.

Mrs. Lindsay McKeown and Mrs. R. R. Bonsteel conducted the recreation. Refreshments were served and a social half hour enjoyed.

Mrs. L. Gummer Honoured On 80th Anniversary

A birthday party was arranged by the 2nd Line Neighbors' Aid of Thurlow, and Mrs. Fred Mitchell, at the latter's home, in honour of her mother, Mrs. Lily Gummer, who celebrated the 80th anniversary of her birthday, on Friday, April 10th.

About 25 guests were present. Others attending besides those of the community were, Rev. R. Rowley and Mrs. Rowley, of the Tabernacle church, Rev. J. P. Everson and Mrs. Everson, Belleville, formerly of Northam, who are long treasured friends and Mrs. Gummer's two granddaughters, Mrs. K. R. Bush and Mrs. G. Woods, of Sidney.

About 90 birthday cards, besides gifts and good wishes of all were received from friends and relatives of Bethel, Stirling, Campbellford, Wellman's and community, also from relatives in the West.

On behalf of the Neighbors' Aid, the president, Mrs. Cora Howard, presented her with a lovely basket of fruit. Although completely taken by surprise Mrs. Gummer graciously thanked her many friends, and spoke of the friendships made, which she will always

IMPORTED

...So what?

Side by side on the merchants' shelves — Canadian materials and "imported" goods. Do you get any advantage when you go for "imported" products?

In textiles, at least, the answer is simple. Canadian mills turn out fabrics and yarns that match or better the production of any other textile country of the world in quality.

They are made by Canadians who are paid good Canadian wages; they are designed to please Canadian tastes, meet Canadian needs.

This is no plea to shun "imported" materials. They should be considered along with domestic products by every Canadian consumer, but on a strict what-do-I-get-for-my-dollar basis.

Ask for Canadian textiles if you want the best for your money.

Hello Homemakers! A shower for a bride is a special kind of party. You see, it is a part of that aura of romance, good wishes, gifts, flowers and trousseau that surrounds her wedding — that treasury of memories she will cherish all her life. The party can be quiet and simple but we try and add a touch of novelty.

As the hostess, you set the time after making the date with the bride on some pretext. Decide on the number of guests, all friends of the bride and the theme. Plan for the presentation of the gifts and for refreshments.

Garden Shower: For the bride who will have a garden, appropriate gifts will help her develop a "green thumb." Two girls may be the purchasing agents for the group and buy seeds, gardening gloves, tools and gardening books.

Linen Shower: For quality and last-

ing loveliness, linens are as welcome as ever. Present the gifts on a decorated clothes rack.

Laundry Shower: Use an indoor clothes line as a gift and don't it peg pressing cloth, a peg bag, starch, bag of soap and maybe a note as to ironing and iron gift.

Condiment Shower: Select sauces, seasonings, spices, relishes, a mustard jar, mayonnaise dish and relish dishes. Wrap them separately and put them in one large box. Label this boldly with such witticisms as "Sauce for the Goose" or "Spice of Life."

Kitchen Shower: Turn a table into an old-fashioned brick oven. Cover the sides to the floor with brick-designed crepe paper. Cover the table top with black paper on which stove plates can be sketched by tracing plates with chalk. Make a stove pipe

by covering plumb boxes with black paper. Arrange the gifts on the top of this stove — frying pan, tea kettle, saucepan, double boiler with egg lifter, ladle, slotted spoon in the utensils. You may also include a set of modern oven ware dishes.

Cupboard Shower: The gifts would be such items as skirt hanger, shoe trees, blanket cases, clothes covers, hat boxes and trouser hangers (since there's going to be a man in her life). The presentation will be the most amusing feature of this shower. The clothes closet may be filled as typical Fibber McGee's closet and have rolled cotton packages fall out with a card and name of item to be donated, then after reading the cards the unwrapped items may be brought in on trays.

Here are other suggestions you might like to try out: hobby showers, shower of glassware on shelves which may be constructed using bricks and boards, cosmetic shower using a bridesmaid as a model, picnic accessory shower and a recipe shower with a list of staple supplies to be delivered 10 days after wedding date. And finally, one thought the bride will bless you for — do provide her with some kind of hamper to carry her gifts home.

Sandwich Loaf

- 1 loaf unsliced bread
- Butter, slightly softened for spreading
- 2 cup cottage cheese
- 1-3 cup devilled ham spread
- 1/2 cup egg salad
- 2 cup tuna fish salad
- 2 cup cottage cheese (cheese mixed with chopped cress)
- 3 pkgs. cream cheese
- 1 to 1-3 cup milk
- Red colouring.

Trim all crusts from bread; cut loaf into six lengthwise slices. Spread first slice with butter, then with cottage cheese. Spread next slice with butter. Place buttered side down on top of first slice. Repeat this procedure using devilled ham in the second layer, egg salad in the third, tuna fish salad in the fourth and cottage cheese in the last. Soften cream cheese with a spoon. Add milk and colouring gradually, blending until soft and easy to spread. Frost loaf with cheese. Chill thoroughly in electric refriger-

ator — several hours if possible. Garnish the loaf with lettuce, radish roses and carrot curls. Cut in half inch slices with a very sharp knife. If desired, use alternate slices of whole wheat and white bread. Other fillings may be used. Yield: twelve to fifteen slices.

TAKE A TIP

1. Sandwiches may be made in advance, provided you can wrap each lot in heavy wax paper and place in crisper pan or pliable plastic container than store in refrigerator.
2. Freshen sandwiches by placing a steaming hot cloth over them.
3. One large sandwich loaf cuts into 60 or 65 slices and the small one into 20 slices.
4. One large loaf requires 1/2 lb. butter and 1 lb. filling.

CONSERVATION NEWS!

Careless People Start Forest Fires

A thoughtless camper started a fire in the south west corner of the County of Darling within 25 miles of Perth and Arnprior on April 8th. The fire was reported at 1:40 p.m., brought under control that night and declared out on April 10th. Quick action and intelligent suppression work kept the size of the fire to four acres.

Smokers started two other fires during the week, one being in the Combermere — Barry's Bay areas and the other north of Sharbot Lake in the Township of Palmerston. Both fires were declared out on April 10th and 11th respectively, the total burned area being confined to 2.75 acres.

In all three cases good use of detection facilities, efficient organization, rapid transportation and excellent forest fire fighting saved much valuable timber and wildlife.

keeping poaching of spawning pickarel to a minimum. While public sentiment against the poachers is continually strengthening, the law breakers are almost as numerous as in past years. The end of the week found the run fairly well completed with the exception of such waters as Calabogie Lake where spawning commences about two weeks later than in most other lakes.

Muskrat Run Over

Nearly a month remains of the open season for muskrats but due to the unusually early spring the majority of trappers have lifted their traps and report the "Run" is over. The catch is said to be light.

Reservation of Free Access Rights To Ontario Waters

The inherent right of the citizens of Canada and their visitors to be provided with a part of the shoreline of a lake as a point of access, a parking place, a spot for a shore dinner has been protected by the policy of the Department of Lands and Forests of reserving from 10 to 15% of the shore frontage on lakes that have been

opened up for recreational use in the last decade.

In the extreme southern part of the Province of Ontario, in other parts of Canada and in much of the U.S.A. no provision was made for the public and the situation in some states has become so desperate that State Government are buying back shoreline at great cost so as to provide this facility.

Fishermen, campers, picnickers and summer residents have shown keen interest in the development and undeveloped reservations. These accessible reservations are properly equipped with fireplaces, toilets, garbage disposal containers and signs they are immediately placed into use by both the tourist and local residents, and Public Camp Sites in the Bancroft area, particularly those at Diamond Lake and Papineau Lake have given enjoyment to thousands of Canadians and visitors from many countries.

This policy fits into the framework established by the principles of multiple land use and is an excellent example of first rate long term planning.

A NEW IDEA FOR GREATER CONVENIENCE

The front seat of Dodge two-door models is divided 1/2-1/2 so that rear seat passengers can get in and out with minimum disturbance of front seat riders.

YOU ENJOY GREATER SAFETY

Better All-round Vision — New, curved one-piece windshield and downswipe hood give you a closer, wider view of the road. Higher, wider side and rear windows provide excellent all-round vision. Wide-sweeping electric windshield wipers give constant speed, efficient performance.

Unique Safety-Rim Wheels — Standard equipment on all Chrysler-built cars — help hold tire on the rim in case of a blow-out, allowing safer, straight-line stops.

Dual-Cylinder Front Wheel Brakes — Dodge has two hydraulic cylinders in each front wheel brake for balanced control — providing more stopping power in front where it is needed. Brake linings are of rivetless Cyclobond lining which provide longer, trouble-free life with no chance of drum scoring.

Sunshine or rain, spring gales or balmy breezes, you'll be safe, comfortable and content in a new, livelier 1953 Dodge.

You'll find that a brand new approach to suspension design has helped create a car which handles surely... hugs the road... and takes the curves in stride.

You'll experience new performance too — with a new, more powerful engine (now rated at 108 h.p.).

And, if you desire, you can have the smoothness and no-shift ease of new Dodge Hy-Drive, available on Mayfair and Regent series at extra cost. With Hy-Drive you shift directly into High — then you can stop and go as you please without touching the gearshift or clutch.

Discover this amazing new Dodge for yourself. Come in today and arrange for a road-test.

On Wednesday, April 15th, the Belleville Kiwanis 4-H Calf Club held their organization meeting in Shire Hall, Belleville, at 8.00 p.m. Fifteen members enrolled in the club with prospects of several more at a later date. At the meeting, the rules and regulations, the policy and projects were discussed. Officers were elected for the club. President was Muriel Swan; Vice-President, Richard Walsh; Secretary-Treasurer, Lyall Levens. Club Leader for the club is Douglas Harry.

On Friday, April 17th, at the Agent's Office, Deseronto, a joint organization meeting of the Mohawk 4-H Calf, Swine and Grain Clubs was held. During the past year there was a Calf Club operating in this area and due to the increase in 4-H Club Work, there will be two new clubs operating this year, the 4-H Swine Club and the 4-H Grain Club.

On Monday, April 20th, an organization meeting of the Madoc 4-H Calf Club was held at Hazzard's Orange Hall. At this meeting club members enrolled for the coming year, a discussion on their club programme and the election of officers was held.

Garden Club Leaders Hold Training School

On Tuesday, April 21st, a Leadership Training School for the Club Leaders of the Girls' Garden Clubs in Hastings County was held in the Agricultural office, Stirling. Mrs. Mabel Borgstrom was in charge of the Training School, due to the death of Miss M. Eileen Ness. Girls' Garden Club Work for Hastings County for the coming year was discussed and projects were lined up. There will be approximately eight clubs operating in Hastings this year.

On April 26th to 28th, the Ontario Junior Farmers' Association will hold their Conference and Annual Meeting at the Ontario Agricultural College, in Guelph. Official delegates from all the Provinces and Districts in Ontario will be attending the Conference. Hastings County will have twenty-one delegates representing the County at the Conference. They are: Glenn Blackburn, Ross Moorcroft, Isabelle Burnside, Betty Ketcheson, Ross Bateman, Donald Martin, Eileen Blakely, Marilyn Carleton, Douglas Cotten, Clare Hagerman, Marlene Carlisle, Diane Preston, Ralph Swan, Allen Lott, Beryl Swan, Kathleen Homan, Robert Mallory, Robert Burditt, Dona Plumpton, Nettie Harder and Lynn Cole.

Donald Martin, Past President of the Hastings County Junior Farmers' Association is the County Director for this year, and will represent Hastings County on the Provincial Executive of the Ontario Junior Farmers' Association. Each year the Conference is well attended and members of the Junior Farmer Clubs and Junior Institutes look forward to planning their Provincial Programme at this meeting.

Sidney Junior Farmers Hold Meeting
(By Barbara Dodds)

The monthly meeting of the Sidney Junior Farmers and Junior Institute was held at Wallbridge Orange Hall on April 9th at 8.30 p.m. The meeting was called to order with the roll call and followed by the business part of

the meeting. Eloise Sine led in a rousing sing song. Our guests, Madoc Club, sponsored a very interesting programme with a double trio, sing song, a reading and a drama. The programme was well presented and enjoyed by everyone. Recreation was led by Robert Burditt and Geraldine Harry. Lunch was served to conclude a very successful club meeting.

Weed of the Week Yellow Rocket Spreads With Speed

Man-made aircraft are consistently breaking the sound barrier these days, thereby establishing hitherto unknown records but despite this progress man has yet a lot to learn from Mother Nature when it comes to speed.

This is especially true as far as the rapidity with which noxious weeds can be distributed across the farm lands of Ontario.

Designers of aircraft well have taken a leaf from the book of Yellow Rocket for here is a weed that spreads as if jet propelled.

A few years ago considered a "mere nuisance" farmers are now realizing that it plays a real part in lowered production and, as a result, a lower return per acre.

Known variously as winter cress or St. Barbaras Herb, the weed usually appears as an impurity in grass or clover seed. First warning of the unwelcome visitor is usually towards the end of May.

"Chemical control is not practical in a clover field, but on road-sides or waste places 24D at 6 or more ounces of acid per acre will control Yellow Rocket in late May or early June," says C. H. Kingsbury, of the Crops, Seeds and Weeds Branch of the Ontario Department of Agriculture. "When clover is in the mixture, early cutting

is the most effective method of stopping the spread of seed. Yellow Rocket cut in the first week of June and cured for hay or ensiled doesn't get a chance to go to seed. If only a few plants are present, hand pulling not only removes the rocket, but reduces the waist line."

"Good drainage, thorough fall and

spring cultivation will rapidly clean up Yellow Rocket. If permitted to go to seed however, mature seeds are dropped by the end of July and in September a second wave of Yellow Rocket seedlings are present to plague the unhappy farmer."

Ninety per cent of Canadian milk

production moves to market by truck.

Moose Jaw, Sask., got its name from an Indian phrase meaning "where white men mended cart with jaw bone of moose."

Canada's population should advance beyond the 15,000 mark this year.

Belleville District Queen's Alumni Holds Dinner

The annual Spring get-together dinner of the members of the Belleville and District Queen's University Alumni was held recently at the Queensway Hotel, Trenton, and it was a very successful event in every way.

The dining room and tables had been attractively decorated under the supervision of Mr. Foden and Miss

Roberts and the excellent dinner was planned by Mrs. J. C. Peacock, all of Trenton.

Prior to the serving of dinner, the death of Her Majesty Queen Mary was referred to and a brief silence was observed as a token of respect. The Rev. G. J. Minielly of Trenton, said grace.

Miss W. Hay, of Stirling, the president of the Alumni, welcomed the members, some of whom had come a considerable distance to be present. She expressed her sincere thanks to her executive and to the members in general for their valued co-operation during the past year. In closing her remarks, she proposed the toast to Queen's University, to which Mr. Herbert Hamilton, the secretary of the General Alumni Association of Queen's University, responded in a pleasing manner.

The guest speaker of the evening was Dr. A. R. M. Lower, head of the History Department of Queen's University. At the request of Mr. A. S. Robb, of Belleville, Professor Lower was introduced by Mr. Gordon Fraser,

a member of the staff of the Belleville Collegiate Institute, who had worked with Dr. Lower at Queen's.

Professor Lower's address was entitled "The Problem of Canadian History as Viewed by the Historian". Professor Lower prefaced his remarks by pointing out that the true professor is the man who takes his life and his work as a vocation — he who had dedicated his whole life to scholarship and the passing on of scholarship. He lamented the fact that most students received a very distorted view of history. History, he said, can only be fully and understandingly taught by one who is immersed in the subject — one whose whole existence is penetrated by history. Professor Lower pointed out that the job of the historian is to examine and evaluate and portray the peculiar characteristics of the civilization as lived in the country he studies. "The Canadian Experiment" as he called this 85-year-old Dominion of Canada has to be studied and assessed for its peculiar contribution to civilization as a whole. He stressed the need for a total unity in the Canadian fabric of living, not just a British Canadian or a French Canadian way of life.

Professor Lower's address did much to make clear the meaning of history — the philosophy of history.

Professor Lower was thanked by Mr. T. Spear who presented him, on behalf of the Alumni, with a Cook's cheese donated by Mr. Bill Cook.

The business part of the meeting followed with the minutes and reports. Miss Merry, of Belleville, is convening a drive for funds to furnish a room in the new extension to Bon Righ in honour of Miss Margaret Mackintosh. She reported over \$700 collected and a shortage of \$31.00 still to be made up.

The report of the nominating committee was accepted and the new executive is as follows: President, Dr. K. E. McQueen, Bloomfield; 1st Vice-Pres., Mr. G. R. Cameron, Belleville; 2nd Vice-Pres., Mr. A. E. Argue, of Belleville; Secretary, Mr. H. J. Code, Belleville; Treasurer, Mr. E. Ellis, Belleville; Athletic Rep., Mr. W. C. Bengier, Belleville.

memories the happy reunion.

The guests of honour were the recipients of numerous cards, gifts, including sums of money, and congratulatory messages from friends and relatives.

Among those in attendance were: Mr. F. W. Gardner, Aldershot; Mr. and Mrs. Earl Nunn, Brantford; Mr. and Mrs. Ron Henwood, nee Judy Lott, Brantford, Ont., and Bob Henwood; Mrs. Lula Hannah, Mr. and Mrs. Robt. Hannah, Mr. and Mrs. Ted Hannah, Lons and Ralph, Mr. and Mrs. Raymond Loney, Joyce and friend, of Hartsmere; Mr. Jay Hannah, of Boulter; Mr. and Mrs. Alex Mackay, of Toronto; Alex's mother, Mrs. Alex Mackay, Colborne; Mrs. Parks, Mrs. Reynolds and Mr. and Mrs. Stanley Rollins, of Madoc; Mr. and Mrs. Mack Hennessey, of Deltor; Mr. and Mrs. Morley Wannamaker and Beverley, of Coneseon; Mr. and Mrs. Arthur Wannamaker and Mrs. Robert Van Dusen, of Wellington; Mr. and Mrs. Charlie Lott and Miss Muriel Miller, Picton; Mrs. Merle Young, Bancroft; Mrs. Ken Thompson and Perry, Tweed; Mrs. Lucas, Mrs. Davidson, Mrs. Illa Loney, Mrs. Elita Belcour, Mr. and Mrs. George Sutherland and Mr. and Mrs. Gilbert Lott, of Belleville; Mr. and Mrs. Roy Anderson, Cannifton; Mrs. Dorothy Wannamaker and family, of Wallbridge.

Wellman's

Mrs. Omar Dracup, Bonna, Richard and Janette, spent a few days the past week at the home of her father, Mr. Cook, at Erin.

Mr. and Mrs. Burton Morton and girls visited Sunday with Mr. and Mrs. Tweedy and family.

Mr. and Mrs. McKinley Rankin and family, of Madoc, spent Sunday with Mr. and Mrs. Jack Dunham and boys.

Mr. and Mrs. Edgar Graham and Harold were tea guests on Sunday evening of Mr. and Mrs. Victor Graham.

Daisy

Mission Band

On Friday evening, April 10th, the Daisy Mission Band held a social evening at the church with the Bethel Girl's Club and Cubs as guests.

Mrs. Morton conducted the worship service and Yvonne King presided at the piano. Chas. Nix read the Scripture Lesson and David Heagle and Jimmie Chumbley gathered the offering. Donald Heath and Barbara Hadley rendered a lovely duet with Mrs. Don Heath as accompanist. Rev. R. R. Bonsteel offered prayer. Mr. and Mrs. H. C. Martin, of Stirling, were heartily welcomed and given rapt attention as they presented slides on their trip to Alaska. Mildred Morton gave a reading, "Entertaining Sister's Beau."

A dainty lunch was served by the Mission Band.

Direct Seeding Of Trees

In addition to the regular reforestation programme, which will be getting under way shortly, a small quantity of tree seed is being planted directly on areas requiring reforestation. This work is experimental and was made possible this year due to a surplus of some species of tree seed.

School Board Requisition To Council For The Current Year, \$3750

Purchase of Power Lawn Mower and Duplicator Is Authorized By Members

Members of the Stirling Public School Board pared their estimates to a minimum at the regular meeting of the Board on Monday night with the result that Council will be asked to raise \$3750 for Public School purposes in 1953. This amount is the same as last year in spite of an increase in salaries to members of the staff. Chairman R. A. Patterson presided and Dr. E. A. Carleton, W. H. Donnan, E. D. Ketcheson and R. E. Fox were present.

A communication was tabled from the Public School Trustees' Association relative to membership and was received and filed on motion of Messrs. Ketcheson and Fox.

R. E. Fox, chairman of the Property Committee, reported relative to the purchase of a power lawn mower. K. Ray, local agent, was present and demonstrated a power unit to the members. On motion of Messrs. Fox and Donnan, its purchase at a cost of \$240.00 was authorized.

The purchase of a duplicator at a cost of \$235.00 from Moyner School Supplies was also authorized on motion of E. D. Ketcheson and Dr. E. A. Carleton.

Six memberships in the Horticultural Society were also authorized by the Board.

E. D. Ketcheson, chairman of Finance, presented the following accounts for payment:

McIntosh Bros., \$159.81; F. Armstrong and Son, \$19.96; Glenn Morrow, \$8.00; and J. C. McGee, \$246.20.

The chairman of Finance presented the 1953 estimates and after discussion the secretary was authorized to requisition the Village Council for \$3750 for 1953.

Following the discussion of several minor items of business the Board adjourned.

River Valley W.I. Dance Successful

Those who attended the old time dance in the Community Hall, Stirling, on Wednesday evening, April 22nd, report an enjoyable evening.

The dance was under the auspices of River Valley Women's Institute and they served sandwiches, doughnuts and coffee at midnight. The Trent Valley Ramblers Orchestra provided the music for dancing and Mr. Jim Mitts called the squares.

Mission Band

The Golden Key Mission Band was held in the church parlours on Wednesday, April 22nd, with eighteen members and one visitor present.

The meeting opened with the Mission Band Purpose repeated in unison, followed by the roll call. The offering was taken by Wayne Wannamaker and dedicated by the leader. Sandra West was pianist for the afternoon and the children sang Hymns 605 and 205. The Scripture Reading was well given by Eddie Mayhew and the leader conducted the worship service and read a Bible Story about "The Man Who Was Kind."

The Mission Band members were very pleased to have with them Mrs. Percy MacMullen, of Mount Pleasant, who gave a very interesting story about "The Big Spade" and "The Boys and Girls of Angola, Africa."

Mrs. Jack McCaughen, leader, read a chapter from the study book on Africa and said a lovely prayer for our boys and girls across the seas.

The children received their "World Friends" paper, given out by Jean Davidson and the Mizpah Benediction brought the meeting to a close. Sandwiches, cookies and candy was served.

Instals Two New Counters

Keeping abreast of the times, H. C. Bird, local grocer, added two new "Frozeaire" Counters to his equipment this week. In one the choice cuts of meat are displayed and dairy products in the other. Both will facilitate greatly in giving service to the general public. The work of installation was carried out on Wednesday.

Couple Mark 50th Anniversary

Mr. and Mrs. Nathan Reid, 7th Concession of Sidney Township near Holloway, have been married for fifty years and resided on the same farm, but they are looking forward to their first real holiday. On Wednesday, the couple were honored by members of their family, church and the community, on the occasion of their golden wedding anniversary.

Both have been lifetime residents of the Holloway community and attended the same school and went to community church together. Married in Foxboro, half a century ago they have been only away from their farm for a day at a time. Honeymoons were not the style so many years ago. Mrs. Reid said they drove with horse and buggy to Foxboro for the ceremony which was performed by a Methodist minister and spent their wedding night with a cousin in Tyendinaga township and came home the next day.

"But I would do the same thing if I had it to do over again," Mrs. Reid smiled, and her husband nodded silent approval.

Members of the family and the community made the anniversary a memorable occasion and about one hundred and fifty persons called at the Reid home during the afternoon and evening to offer congratulations. An immense basket of snapdragons from the Holloway United Church W.M.S. and W.A. decorated the living room. The Holloway and Sidney Baptist communities presented the couple with a lovely tri-lamp and the Sidney Baptist church gave them a lovely painting and the Chatterton Women's Institute a cup and saucer. The family presented the bride and groom of 1903 with handsome wrist watches.

During the past 50 years, Mr. Reid has had a full-time farming 120 acres and milking up to a dozen or more cows daily. Chores still have to be done, said Mr. Reid, and labor saving machinery for the farm and electricity with household appliances have lightened duties considerably, but there is still much to do. Supporting his observation, Mr. Reid left the anniversary reception to do the milking. At 75 years of age is still very active and Mrs. Reid does all her household work and she is but one year younger than her husband.

Mr. and Mrs. Reid have one son Arthur, of Stirling, and one daughter, Myrtle, Mrs. Clayton Reid, of Foxboro, and three grandchildren.

Finals of Six-Game Play Off Series Played Monday — Creamery Placed Second

The final standings in the Service Bowling League six-game play-off series, which was completed on Monday night, were released by F. R. Mallory, secretary yesterday.

First place was captured by the Bowl-O-Drome team, captained by W. Dingman, with 6745 pins. Other members of the team are L. King, E. Cooke, J. Parker, J. Cranston and H. Wallace. Stirling Creamery was second, with 5665 pins. Members of the team are C. West, H. West, J. Eaton, A. Sine, K. McGee and R. Hu-1in. Stirling Rotary Club was third with 5629 pins and the Lawn Bowlers fourth, with 5483 pins.

Consolation Series

In the consolation series, the Odd-fellows took first place with 6081 pins. Members of the team are R. Rose, C. Rodgers, D. Rodgers, D. Reid, H. Stewart and H. Johnston. The teachers, comprising H. R. Cross, C. A. Wells, G. Bailey, D. Garrison and S. Royle, were second with 5410 pins. Third place went to the Filers, with 5385 pins and fourth to the Black Katz, with 5147 pins.

Individual Scores

The high average for the year, 197, went to Bob Hullin; high single, 343, L. Hawkins; high triple, 762, H. Stewart. L. King played the most games, 87.

The total pins for the regular schedule of twenty-eight games were as follows:

Bowl-O-Drome, 81891; Lawn Bowlers, 80797; Oddfellows, 73361; Creamery, 77683; Rotary, 75121; Filers, 73336; Teachers, 72096 and Black Katz, 70370.

Died In Smiths Falls Hospital

James Stephen Leonard, son of Mrs. Esther Leonard, Springbrook, died in a Smiths Falls Hospital on Wednesday. He was in his 13th year.

He leaves to mourn besides his mother two brothers, Ronald and Paul and three sisters, Ruth, Lois and Shirley.

The funeral announcement appears elsewhere in this issue.

Mrs. J. Sager Loses Father

Stirling and district joins in extending sympathy to Mrs. Jack Sager, Stirling, R.R. 4, in the death of her father, the late Robert Lenol Easton, of Mimico, Ont., who died in Belleville Hospital on Monday.

Born in Sidney Township, son of the late Mr. and Mrs. William Easton, he had resided in Mimico for the past 21 years. Prior to that he had resided in Belleville.

Surviving besides his wife, the former Ethel L. Brooks, are three daughters, Miss Eileen Easton, of Belleville; Mrs. Jack (Doris) Sager, of Stirling; and Miss M. L. Joyce Easton, at home. A son, John, resides in Toronto.

Also surviving are three sisters. Miss Mary Elizabeth Easton, of Ottawa; Mrs. Archie D. (Lela) MacDonald, of North Bay, and Mrs. Robt. (Mabel) Peacock, of Camlinton. A brother, George Easton, is a resident of Sidney Township.

A retired C.N.R. timekeeper, the deceased was a member of the Presbyterian Church and of Benjamin L.O.L., No. 274.

The funeral was held today (Thursday) at the Belleville Burial Funeral Home, with service in the chapel at 2 p.m. Interment Belleville Cemetery.

Mrs. Milton Shaw Hostess To St. Andrew's W.M.S., West Huntingdon

The April meeting of St. Andrew's W.M.S., West Huntingdon, was held at the home of Mrs. Milton Shaw on Thursday afternoon.

The meeting, conducted by the 1st Vice-President, Mrs. John Wrightman, was opened by the reading of a poem, followed by singing the hymn, "Faith of Our Fathers." The Scripture Lesson, found in Hebrews 11, was read by Mrs. John McInroy. "African Religions" was given by Mrs. Milton Shaw. A meditation on "Faith," was given by

Mrs. Chester Sills.

Faith is a living, shining thing in the heart of a believer. It is not an ephemeral mist. It is a substance, we are told — the substance of things hoped for. It is the evidence of things not seen, but which our spirits are aware of and acquainted with. There is a singing through it. We listen and hear countless thousands of clear voices lifted in the old familiar hymn, "Faith of Our Fathers" and we find our hearts strengthened as we recall

the stalwart and unflinching faith that was theirs through stress and storm, through sunshine and shadow.

We cannot describe faith. We cannot touch it, yet it holds the hands of those who reach out for it and it will guide any traveller safely on the way. Whether we journey by sea or land, with its high torch to light the alien skies, we can face life and death fearlessly. How are we to increase our faith? We are told that faith cometh by learning and hearing by the word of God.

Prayer was offered by Mrs. W. H. V. Walker. Roll call and minutes of the last meeting were read. A poem, "Africa," was read by Mrs. Wm. Donnan. The key word "Faith" was given by Mrs. John Wright.

Faith is the substance of things hoped for. The evidence of things not seen. Without faith we would live with fears and indecisions, with faith supreme confidence is created. We were born to faith and only through its exercise do we grow in spiritual strength. Truly it has been said, faith without works is dead. We have to keep demonstrating our faith, believing its power and putting it to the test.

The way ahead is not always clear — our faith lights the way. When there is fog, a stronger faith is needed. At this time of year, Christians are reminded of their belief that Jesus Christ lay dead in the dark coldness of the tomb and rose again to life. This is faith.

The meeting closed with the singing of "All Hail The Power." A delicious lunch was served.

Deseronto Tax Rate 69 Mills

Despite an increase of over three mills in the educational needs for the year, there has been a five mill decrease in the tax rate of Deseronto village for 1953. The rate was struck at 9 mills at council meeting on Monday night of last week.

Truck Hit By Train

Burton Fitzgibbon, 28, of Belleville, was given a big scare Saturday afternoon when the rear end of his truck was struck by a Canadian National Railways train at Corbyville and spun around in the centre of the road. He escaped with little more than a shaking up.

Fitzgibbon was westbound on the Fourth Concession of Thurlow during a rainstorm and failed to notice the approach of the train due to fogged windows in the cab of his truck.

Farmer Dragged By Bolting Team

Arthur Stephens, 67, a Seymour Township farmer, received a broken hip and serious arm and shoulder injuries Monday when he was thrown from his farm wagon and dragged a considerable distance over rough ground.

Mr. Stephens was drawing in baled hay when two bales fell off the front of the load and caused his team of horses to bolt. The farmer was on top of the load when he lost his balance. He was dragged about 100 yards with the lines around his body.

Dye Works Close At Cobourg

Described by one employee of long service as "a bolt from the blue," the Bradford Dyeing Association, has announced that it will close its Cobourg plant and transfer its Cobourg business to the Montreal plant.

This act dumps about 48 employees, some of them with more than 35 years service into the ranks of the unemployed.

Railway Strike Threat Removed

A possible rail strike threat was removed Saturday in an arbitrator's decision favorable to the Brotherhood of Railroad Trainmen in a dispute with the railways.

Mr. Justice R. L. Kellock of the Supreme Court of Canada gave a BRT's contention on retroactive application of a 12-per-cent wage increase obtained by the union in February under the threat of a general strike.

Madoc Couple 60 Years Married

On Sunday, April 19th, Mr. and Mrs. Robert S. Woods, of Madoc, celebrated their 60th wedding anniversary.

During the afternoon and evening, a host of relatives and friends called to offer their congratulations on this momentous occasion.

Mr. Woods was born in the Allan Settlement north of Madoc in 1869 and Mrs. Woods was born at Maynooth in 1872. They were married in the Presbyterian Church at Madoc in 1893.

To this union were born 12 children, all of whom are living. There are 53 grandchildren and 38 great grandchildren.

Resided On Farm

Before they went to Madoc five years ago to reside, they had lived their entire married life on a farm in Huntingdon Township. There Mr. Woods had been active in municipal affairs, serving on the Council as Reeve for a considerable period.

Entered Into Rest

MRS. ALEX T. MOORE

Mrs. Alex T. Moore, the former Margaret Irene McMullen, passed away in Ottawa Civic Hospital on April 22nd after an illness of about four weeks. A large number of sorrowing relatives and friends gathered at St. Paul's United Church, Bancroft, on Friday afternoon, April 24th, to pay final tribute to her.

Rev. Alan Borland, her Pastor, conducted the service and preached from the text chosen by Mrs. Moore, "Father, Into Thy Hands I Commend My Spirit." He was assisted by the Rev. R. R. Bonsteel, of Rawdon Circuit. During the service, a friend, Mrs. David Callaghan sang, "Beyond The Sunset."

Palbearers were Messrs. Earl Smith, Burrell Bradshaw, Ewart Rupnow, Oscar White, John McLean and Cecil Hoover. There were many beautiful floral tributes. Interment took place in L'Amable Cemetery.

Born in Rawdon Township at Anson, the late Mrs. Moore was the daughter of the late Alex McMullen and his wife, Elizabeth Burke. Her early days were spent at Anson and she attended Stirling High School and Madoc Model. After teaching a few years, she graduated from Peterboro Normal and later attended Queen's University, after which she went to

Saskatchewan where she taught for several years.

In 1916 she married Alex T. Moore and for 36 years she has lived in Dunganon Township. She was a faithful member of the United Church and a member of the Detlor W.A. As long as health permitted, she taught in the Sunday School. She was also a very active member of the Ever-ready Club.

Surviving are her husband, Alex T. Moore, one daughter, Dorothy, of Ottawa, and two sisters, Mrs. D. J. Rollo, of Winnipeg, and Mrs. F. E. Hutchinson, of Detlor.

Relatives and friends from Toronto, Belleville, Halloway, Rawdon and Huntingdon were among those attending the funeral.

Confiscated Fishing Tackle Sold

The annual sale of fishing tackle and other equipment by the Ontario Department of Lands and Forests for law infractions was held on April 20, 21, and 22 in Room BR11 in the basement of the East Block of the Parliament Buildings at Queen's Park in Toronto. The 300 or more articles for sale were on display from 9.00 a.m. to 4 p.m. each day. Sale, as usual, was by sealed tender, bids were submitted on forms supplied by the Department. No cash enclosure was required. Successful tendered will be notified as soon as all bids are considered.

Popularity of the annual sale is indicated by the fact that last year more than 2,000 tenders were received for about 300 items, and about \$1,400.00 realized.

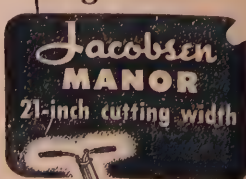

Male Traffic Deaths Three Times Female

Ontario's total of motor vehicle fatalities in March was 53, according to preliminary figures. This was six fewer than in February and four fewer than in March, 1952. The first quarter of 1953 now shows 169 traffic fatalities, the same as in 1951 and seven less than in 1952.

The victims included 17 drivers, 17 passengers and 19 pedestrians, in the proportion of three men or boys for every woman or girl fatally injured. All the drivers killed were men, three of whom died in railway crossing collisions.

The number of child victims under ten years of age increased from eight in February to 12 in March. Of these,

11 were pedestrians. Three pedestrian victims were over 60 years of age.

With Spring well advanced, officials of the Department of Highways urge all drivers to be particularly alert for children, who will now be spending more time out-of-doors. Parents, teachers and others are asked to emphasize to youngsters the need for greater care in walking, playing and riding their bicycles.

Centennial News

Rev. A. M. Laverty, B.A., B.D., a former Minister of St. Paul's-Carmel, now Chaplain of Queen's University, will be our special speaker for the great Coronation Festival Service on May 31st at 7.30 p.m. It will be a pleasure to have him with us. Old and new friends will throng St. Paul's to greet Mr. Laverty and to hear him again. He fills a most important office at Queen's. His many contacts with the stream of youth as well as his wide contacts, through his gift as a public speaker of note, make great demands upon his time. St. Paul's and Carmel have a warm place in his affection.

Visiting Choir

The Timothy Eaton Memorial Church Junior Choir will sing at this service as well as the combined Royal and Senior Choirs of St. Paul's. The latter will occupy the church gallery for the Coronation Anthem.

Music

The Dean of Westminster Abbey and the Abbey Organist have co-operated in supplying St. Paul's, Stirling, with advance information respecting the music to be used. A special order of service will be printed.

River Valley Cottage Meeting

Attendance at the River Valley Cottage Meeting exceeded all expectations. Almost everything that could be employed was used as chairs. Nothing was any trouble to the genial hosts Mr. and Mrs. John Kane. With a contagious smile, Mr. Kane welcomed and directed the parking of cars while Mrs. Kane supported by her daughter, bestowed care and comfort within.

Baptism

Before the service began, the Minister administered the rite of Baptism to Dorothy Marlene and David Lorne, infant children of Mr. and Mrs. Vernon Brant, of Shannonville. The proud grandparents, Mr. and Mrs. C. Scea were present.

W. T. Elliott Presides

Elder Walter T. Elliott opened the service and presided throughout. He was supported by Elder Edwin Warren who read the Lessons John 10:1-10 and Matthew 25: 31-46. The prayers of Mr. Elliott and Mrs. Roy Bush were especially helpful. Mrs. Bush prayed that this "fellowship of goodness might keep going on from one to another" while Mr. Elliott sought God's blessing and leading in the work of Christ, especially for the "Hunter" Mission and Centennial Year ministries.

Rev. Irwin's Anvil

Rev. W. S. Irwin brought the devotional message. Sparks from his anvil included:

"Our Lord used commonplace articles to illustrate His messages."
"Christ by the employment of different figure of speech threw added

light on His messages."

"We have life because life is a gift."
"The follower too must lay down his life for Christ. That is the service discipleship demands."

"You cannot truly follow Christ unless you bring your farm, your gifts all you have. It must be Christ first or not at all."

Special Music

The tenor voice of Jack Bush was heard in "The Stranger of Galilee," while the Spring-fresh sweet soprano voice of Wendy Warren interpreted, "Who Is The Stranger?"

The offering was received by John Kane and dedicated by the Minister. Clerk of Session George Carlisle issued the baptism certificates. Several from the village attended the meeting.

The offer of Mr. and Mrs. J. Sager in planning for this service was greatly acknowledged as well as the great kindness of Mr. and Mrs. Kane in opening their home for the meeting when sickness at the Sager home made necessary another meeting place.

Abundant refreshments were shared after the Benediction. For years to come this Cottage Meeting in this historic residence will be long remembered.

Band At Festival

The Madoc and District Band has entered the Stirling Festival of Sacred Praise to play the test piece, "Jesu Joy of Man's Desiring" by Bach. This is the first year the Festival has had a class for bands. In the absence of other competitors the band will play for points.

Bandmaster William Aylsworth has also consented to play a group of numbers before the opening of the "Stars of the Festival" concert.

Use of

Public Schools

From time to time most school boards are confronted with requests

for the use of the school premises. The adoption of a general policy often prevents misunderstandings and irritations.

Generally speaking most schools are open free of charge for school purposes and ratepayers meetings. A small charge is usually made for meetings (where no admission is charged) to cover heat, light, and caretaking so that the taxpayer may be protected. A rental for meetings where an entrance fee is charged other than ratepayers and pupils meetings is a common practice. In all cases most school boards will not permit smoking on the premises. It is questionable in some if not in all cases whether insurance can be collected in case of fire where smoking is permitted. Every school board should carefully screen its policies in this regard.

Most large centres have printed permit forms which set forth conditions under which school premises may be used. Boards in smaller centres and in rural sections could obtain copies of these for their guidance and protection on application for same.

Sunday, April 29th

Neither the arrival of Daylight Saving Time or heavy Spring rains seemed to affect attendance at our churches.

Carmel

A special "songfest" of old favorites was included in the order of service last Sunday. These were enjoyed and their use will continue in preparation of a great Church Anniversary in September. Happy birthday congratulations were also extended to Mr. Archie Bailey and Miss Doris Grills.

St. Paul's

April's last service was marked by special praise including a number by one of the fifteen or more contestants under 6 years of age (Marion Warren) who will sing at the Stirling Festival of Sacred Praise. The Royal Choir

sang, "Come My Life, My Truth, My Way."

Guests

Dr. Earle Baker, bass soloist, with great power and beauty interpreted, "The People That Walked in Darkness," from Handel's Messiah. A mixed quartette also sang, "Near To The Heart of God."

At the Sunday School "Happy Birthday" was sung for Grant Reid.

Next Week

On Wednesday, May 6th, Elders Harold Hagerman and S. A. Hatton will lead the cottage meeting in the Brooklyn District at the home of Mrs. C. H. David, John St.

Centennial Folder

The News-Argus is complimented on the preparation of an attractive folder covering the first three months of Centennial Year. This will be sent to all in the Stirling area together with a folder of the "Hunter Mission" with the prayer that all recipients will join in supplication and fellowship for a spiritual revival — a meeting of the whole body of citizens of every church and no church.

The village poet hands in the following entitled "a new way to make money, not hinted at by the promoters of the N.P."

In times like these, when money is so scarce,
To make both ends meet is no easy task.

Don't throw away your money in every corner and nook

When you can save it by buying all you want in Springbrook.

If you want a fine carriage, to ride at your "aise,"

You cannot do better than buy one at Gay's

If you've horses to shoe, and want it

Sold in hundreds of millions

"SALADA" TEA BAGS

done well
Just come to Springbrook and try Forestell.

If you want tea and sugar, and soap that will wash,
Go up to J. Shaw's, but not without cash.

For muslins, artificials, and other fine riggin's
In addition to groceries, just step into Wiggins.

The next is T. Rupert, and at no loss is he
To sell you a machine or insurance policy.

Then there's Welsh (most moral man

of the whole and always at work for the good of your sole).
Sells boots cheap for cash, and — somewhere I've read it
They give more satisfaction than boots sold on credit.

And if you must drink, and all turn out villains
You'll find accommodation at Charley McWilliams;
Now that the water in the wells is so low,
The wine in its strength from the bottles doth flow."

Important gasoline savings!

The Thrilling New 1953 "Two-Ten" 2-Door Sedan

You go much farther on every gallon
of gas in this great new Chevrolet... and
you save on over-all operation and upkeep, too!

Now — as owners of new 1953 Chevrolets are discovering — you get even more miles per gallon of gasoline, save money every mile you drive!

Ask new Chevrolet owners about the substantial dollars and cents savings they enjoy. Ask them how this great new car squeezes extra miles from every gallon of gas — and regular gas at that!

For it is true beyond any question. The new 1953 Chevrolet brings you the most important gain in gasoline economy in Chevrolet's 40-year history!

Of course, there is a good, sound reason for this wonderful increase in economy. That reason is Chevrolet's

new high-compression power. The new 115-h.p. "Blue-Flame" engine in Powerglide® models is the most powerful engine in its field, with a compression ratio of 7.5 to 1. And there's a new "Thrifty-King" engine in gearshift models — 108-h.p. with 7.1 to 1 compression ratio.

Both engines bring you new economy, with a remarkable increase in power and performance, as well. Yet, with all its advantages, Chevrolet for 1953 is the lowest-priced line in its field. See it at your Chevrolet dealer's.

*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available in "Two-Ten" and Bel Air models at extra cost.

A GENERAL MOTORS VALUE

New Fashion-First Bodies by Fisher... new, richer and roomier interiors... wide choice of body-types and color harmonies... new 115-h.p. "Blue-Flame" high-compression engine in Powerglide® models... a new 108-h.p. "Thrifty-King" high-compression engine in gearshift models... entirely new economy with important savings in gasoline and upkeep... entirely new Power Steering (optional at extra cost)... softer, smoother Knee-Action Ride... more weight — more stability — more road-steadiness... improved Felver-Pressure Jumbo-Drum Brakes... "Shade-Lite" Glass (optional at extra cost). (Continuation of standard equipment and trim illustrated is dependent on availability of material.)

Stirling Welding Shop

PHONE 2102 (ORRIE SEELEY, Prop.) STIRLING

Hello Homemakers-to-be! You will soon be challenged to serve food to suit your man's taste in every dish. No doubt your plain cheese sandwiches and chocolate cake has delighted him when served after the show, but the bride must fry bacon without frizzling it, cook eggs only until tender and at the same time, watch the toast and coffee and set the table.

Leftovers will also be a problem unless small-scale recipes are used, even then, you will value ways of dressing up ordinary dishes with leftover soups, vegetables and other refrigerator treasures.

Homemakers never cease learning new ways and perfecting old methods.

TAKE A TIP

1. For breakfast: Start cooking bacon on medium or low heat (never high). Then place strips on a paper serviette as soon as fat has lost its white color. Keep bacon in oven of 200 degrees while eggs are being cooked in covered pan on low. Coffee may be percolated using warm water from the tap if it is perked only 2 minutes for 4 cups. By the way, set the table the night before; also prepare cereal and fruit juice. Pour juice in serving glasses if it can be covered with aluminum foil and stored in electric refrigerator.
2. For lunch: Heat soup; make a hearty sandwich and serve on a plate along with tossed green salad and a pickle. For dessert, serve

fresh fruit (diced pineapple) with cookies, prune whip, sliced bananas or ice cream.

3. For dinner: Select oven meals if you have an electric range. One example is Braised Steak, Creamed Onions, Baked Potatoes and Rhubarb Crisp. If you worry about food boiling over place baking dish in a layer cake tin and pour hot water around food being baked. Do this with oven glassware as well as other baking dishes.

4. Garnishes always make dishes more attractive if used sparingly and neatly. A sprig of cool, clean parsley, watercress, celery top, wedge of tomato, or slice of pickle always go on main course casserole or meat platter.

5. Toppings for dessert should not be neglected. A cherry, a cut marshmallow, a teaspoon of whipped cream, a sprinkle of coconut adds glamour to milk puddings, jellied desserts or plain cake.

6. May we remind you to make some of the preparations for dinner immediately following lunch... Someone is sure to overstay their call on the bride during the afternoon.

Braised Stuffed Steak

- 1 lb. round steak
- 2-3 cup bread crumbs
- 2 tbsps. minced onion
- 3 tbsps. milk
- 1 tsp. poultry seasoning
- ½ tsp. salt

2 tbsps. shortening
Wipe steak with damp cloth, then pound with the potato masher. Combine remaining ingredients for dressing and spread over steak, roll up and tie in shape. Add ½ inch of water to roast pan or casserole. Cover and bake in electric oven of 350 degrees for 1½ hours. Serves 2.

Spareribs in Tomato Sauce

- 1 lb. spareribs
- 2 tbsps. shortening
- 1 small onion, diced
- ½ can tomato soup
- 1 tsp. Worcestershire Sauce
- ½ cup water

Cut spareribs into 2 portions, brown in the shortening in a heavy pan. Season with salt and pepper. Add onion, soup, sauce and water, cover closely and simmer over low heat for one hour. Serves 2.

Braised Veal Patties

- ½ lb. minced veal
- 1 cup mashed potatoes
- 1 tsp. minced celery
- ½ tsp. salt
- Pinch of cayenne
- 1 egg yolk
- Lemon juice or parsley

Combine veal, potatoes, celery, salt, cayenne and egg yolk. Shape mixture into flat round patties and chill. With tooth picks, secure strips of bacon around patties. Broil 8 mins. on each side.

Braised Meat: Turn a half can of green string beans into a heated broiler pan. Arrange cooked whole carrots on rack alongside the veal patties. Brush carrots with shortening. Place pan in oven with top element on broil or high. Adjust the shelf so that the top of meat and vegetables is at least 2 inches from electric element. Turn meat and carrots in 8 minutes. Broil sliced bananas on sliced bread for dessert during last 8 minutes.

THE QUESTION BOX

Mrs. G. C. asks: Is it necessary to blanch asparagus before packaging to freeze?

ANSWER: If trimmed asparagus is scalded 1 minute, then chilled in running water for 2 minutes it sets the color and removes any particles of dirt. Package in moisture vapor-proof boxes for freezing. Remember that freezing does not sterilize foods.

Mrs. H. C. asks: Should the rhubarb skin be removed before making into jam or jelly?

Answer: No. It is not necessary to remove skin of fresh cut rhubarb.

Mrs. F. M. asks: Can you tell us again about baking apples on top of electric element?

Answer: Peel around the top of a baking apple, then core and add sugar, nutmeg and a dab of butter. Place apple on a 12-inch square of aluminum foil and gather foil together at top, then twist or fold over. Place 1 or 3 apples on small electric element turned to Position 3 and bake 25 minutes.

New Type Tower Radio Installed

Towards the end of the week members of the staff had an opportunity to help in the installation of the new type tower radios; in one instance a check revealed that very good re-

ception was obtained at a distance of 40 miles. The communications within the District will be greatly inspired by the use of equipment.

Yearling Trout Planting

In Full Swing

Planting of Speckled Trout in the vicinity of Renfrew, Cataraqui, Dacre, Cormac, Lavant, Cloyne and Denbigh started the first of this week and has continued steadily. Seventy-five thousand speckles in all have been placed in a large number of lakes, two trucks being used each carrying eight tanks with from 650 to 1,000 fish to the tank.

Beaver Harvest

Well Above Last Year

The trapper management program as it applies to beaver has been in operation for a number of years, with the production of beaver skins rising steadily. Despite low prices for fur, trappers are finding profitable employment in managing an area under a quota system that assures continued production in perpetuity. As each beaver skin must be sealed by a Conservation Officer before it may be sold it is possible to keep track of all animals taken and management officials are pleased to report that the take this year may be as much as twice of last year. This is very gratifying as there is evidence to indicate that in some situations at least, there is a considerable overpopulation of the little engineers with the result that poplar trees surrounding their ponds have been entirely removed, this is known as an "eatout." Populations are being watched closely to see that neither too many or too few beaver are removed.

The Fur Advisory Committee Meeting

District Forester A. W. Leman; Fish and Wildlife Inspector, R. G. Sheppard; District Biologist, H. G. Lumsden and Wildlife Biologist, H. G. Lumsden and Wildlife Management Officer P. A. Thompson, represented this District at the Fur Advisory Committee Meeting held at the Ranger School, Dorset. Representatives were also present from the Indian Affairs Branch of the Federal Department of Citizenship and Immigration and the Canadian Wildlife Services of the Federal Department of Mines and Resources. Management problems concerning many species of fur bearers and deer were discussed, and reports from all districts on the progress in management were heard. It was reported at the meeting that the catch over the entire province for last year was over 105,000 beaver, very nearly double that of five years ago.

Fire Regulations

In Effect April 1st

With the Fire Season opening officially on April 1st, the following regulations are being given special emphasis:

WORK PERMITS — All previous permits expire March 31st, and new authority will be granted on application to the District Forester at Tweed.

Except where land is being cleared for agricultural purposes, a work permit is required before carrying on any logging, mining or industrial operation, right-of-way clearing, road, dam or bridge construction, operating a sawmill, or any other summer operation liable to cause an accumulation of slash or debris within the fire district.

BURNING PERMITS — No person is permitted to set out fire within the fire district from April 1st to October

SINCE 1890

INSURANCE OF ALL KINDS

H. C. MARTIN

Phone:

Office 369

Residence 2248

31st, except for cooking or obtaining warmth, without first obtaining a burning permit.

Permits may be obtained from the Chief Rangers at Bancroft and Dacre or the nearest forest ranger. To avoid danger during the spring hazard period, it is unlikely burning will be authorized until after new growth is well advanced.

CAMP FIRES AND SMOKING

MATERIALS — No person may drop or dispose of any cigarettes, pipe ashes or other smoking materials in the fire district without first making

certain that they're extinguished. Campfires must be carefully put out and made safe before leaving.

The Quinte Fire District where the above regulations apply is bounded on the south boundary of the following townships: Lake, Tudor, Grimsthorpe, Anglesse, Barrie, Clarendon, Palmerston, Lavant and Darling.

On the east by Bagot, Brougham, up to Concession 12 in Grattan and Concessions 9 to 14 in Sebastopol Township.

The balance of the district to the north and west is in the Fire District.

SERVE CANADA

Soldiers like those of the airborne infantry are helping to guard Canada, ready to drop into action wherever danger threatens. The young man who joins the Army and has completed his Infantry training may then volunteer to start training for the proud wings of Canada's "Soldiers of the Sky."

AND YOURSELF

How does a man choose a job? He examines the pay; the working conditions; the opportunities for advancement; the financial security. From every one of these aspects an Army career is excellent. And more — no monotony of being stuck for years in one place; pension plans after 20 years service; medical and dental care whenever needed — without regard for cost or time. Opportunities for training and advancement in the Army today are truly outstanding.

IN THE ARMY

Soldiering is a man's life! There are challenges and dangers. But wherever you go, in the Army, you know you can rely on your comrades, trained fighting men who share with you the action of military life. If you think an Army career is for you, enquire about the opportunities for service with the Infantry — the most important men in the Canadian Army.

You are eligible to join the Army if you are 17 to 40 years of age and able to meet Army test requirements. Applicants should bring birth certificates or other proof of age when reporting for interview.

(News of Interest to Hastings 4-H Clubs and Junior Farmers)

(By J. Allen Francia)

The Madoc 4-H Calf Club held their organization meeting on Monday evening, April 20th, in the Hall at Hazards. There are twelve members enrolled in the club this year. Betty Ketcheson was elected President of the Club; Ted Burnside, Vice-President and Grant Ketcheson, Secretary-Treasurer. Last year the Madoc 4-H Calf Club exhibited the first prize group of calves at the Ottawa Winter Fair, as well as the Reserve Champion Junior Calf.

Tractor Club

The South Hastings Tractor Club held their organization meeting in the Agricultural Office, Stirling, on Thursday evening, April 23rd. Mr. Ralph Gregg, Agricultural Engineering Fieldman, with the Ontario Department of Agriculture, was in charge of the meeting. Mr. Gregg will be in charge of the Tractor Club for this year. The Tractor Club is designed to teach farm boys the proper care, operation and safe operating methods of the farm tractor. During the year, the club members keeps records on the operation of the farm tractor, attends meetings on maintenance, answers questions on tractor club work, takes a tractor defect test, and are scored on their operation of a tractor in a driving test.

Hungerford Club

The Hungerford 4-H Club held their organization meeting in the Township Hall, Tweed, on Wednesday, April 29th. The Hungerford Club is the sixth 4-H Calf Club to be organized in Hastings this year.

The Madoc Junior Farmer Club held their Annual Banquet in the United Church, Madoc, on Thursday, April 30th. This is the second annual ban-

quet sponsored by the club.

On Monday, May 4th, the Hastings 4-H Clubs will be holding a joint livestock judging meeting. The meeting will start at the farm of Mr. David Hollinger, Stirling, at 7:30 p.m. At the meeting there will be instruction in judging dairy cattle, beef cattle, sheep, swine, and horses. This meeting will act as a coaching class in preparation for the Annual Hastings County Livestock Judging Competition, to be held on Friday, May 8th.

Visit Hungerford Juniors
(by Eva Martin)

The Hungerford Junior Farmers and Junior Institute meeting was held in Thomasburg I.O.O.F. Hall on April 16th. We opened our meeting with a sing-song capably led by Gordon McInroy. Eva Martin read the paper, and Marilyn Carleton read the minutes of the last meeting. Eileen Blakely welcomed our guests, Madoc Junior Farmers and Junior Institute, who were many in attendance. They supplied the interesting programme, consisting of two skits, a double trio, and two readings. Don Martin and Clare Reid led recreation, followed by dancing. A delicious lunch was served, with Vera Martin as hostess.

K.A.S. Graduation June 6th

Kemptville Agricultural School will hold its Graduation ceremonies on Saturday, June 6th, A. M. Barr, Principal, has announced.

End of the school year was marked by a hilarious student "Review" which was followed by a farewell dance staged by the Junior students as a farewell to the Seniors who are now taking their place in the field of agriculture.

NEWS FOR THE BUSY FARMER

WILD MUSTARD INSIDIOUS CROP ROBBER

One of the most common and certainly one of the most insidious weeds to combat the efforts of the Ontario farmer is Wild Mustard (*Brassica Arvensis*) sometimes known as Kerick or Charlock, says the Crops, Seeds and Weeds Branch of the Ontario Department of Agriculture. It is one weed that is largely responsible for reduced yields by competing with the cereals for plant food and water.

According to the Crops Branch, the Wild Mustard robs the soil of fertility and moisture with the inevitable result that the yield is greatly reduced in all crops in which it is found.

Experiments have shown that water taken from the soil by a crop of mustard would be sufficient to produce at least 10 more bushels of grain per acre. Nitrogen and phosphorus taken by the same robber would increase the yield by double the amount.

One of the chief difficulties is that Mustard seed remains in the soil for years, germinating later when brought near the surface by cultivation. Some idea of the damage that can be wrought by this weed is evident from the fact that an average plant will produce 15,000 seeds.

The plant is erect, with many branches, the leaves are oblong and the clusters of flowers are yellow,

about half an inch across. The seed is round and generally black, closely resembling the seed of rape or turnip. There are many varieties of the mustard family and five at least are found in Ontario but the wild mustard has the widest distribution.

Extensive and continued cultural practices are necessary to control this weed. Pre-seeding work is very important and repeated after-harvest cultivations will eradicate many plants. In row crops, cultivation is a necessity but each time that the soil is disturbed, a new crop of mustard plants may appear. Finger weeders in row crops or in grain crops will help to check this weed.

The advent of 2-4-D has done more to control mustard than any other method. The use of a small quantity of this chemical will take out the mustard without serious harm to most cereal crops. Two to four ounces of 2-4-D should be sufficient, if spraying is done when mustard shows four to five leaves and is growing actively. Mustard should be sprayed before blossoms are well advanced, while the plants are still young.

St. John's News

Thursday, April 30th at 8.00 p.m. in Christ Church, Belleville, is the day set for the first regional choir practice for the Coronation Thanksgiving Festival to be held in the Community Centre, Kingston, on May 31st at 7.30 p.m. Tickets are now being sold which will be good until 7 p.m. that day. The cost is small and will help to defray the expenses.

The Annual Meeting of the Woman's Auxiliary will be held in Kingston on the 6th and 7th of May. Delegates are

asked to arrange if possible to remain for the two day programme.

May 10th is Rogation Sunday. On this day we pray for God's Blessing upon the seed which has been sown. It is also the beginning of Christian Family Week. These two themes blend very well together. Our families need God's blessing and the families of the whole earth depend upon the success of the farmers' work for life and sustenance. Every Christian family and all farmers should be in God's House that day to witness to our dependence upon Him. Holy Communion will be celebrated in Glen Miller, while the evening service in St. John's will be a special one for the family.

St. John's has again received a sum of money from a good friend in the person of Mrs. J. B. Thompson, of Chicago. This kind act is done in memory of a well known and loved former resident, the mother of Mrs. Thompson and the mother of the Rev. A. S. McConnell, Mrs. Janie McConnell.

The Rector has received a letter

from a visitor to St. John's which speaks for itself.

"I want to say how much I enjoyed worshipping with you on Sunday last (April 12th). It gave my friend and me a sense of spiritual refreshment to pause on our homeward journey and worship in the House of God. Your message was excellent and the music, especially the girl's choir, aided much in the worship. We were especially touched by the friendliness of the congregation and yourself. Anglican Churches are supposed to have an atmosphere of severity and aloofness — which is rather hard on the visitor. You and your congregation disprove that supposition. May God richly bless you and your members and may you keep up the ministry of friendliness."

St. Andrew's Maple Leaf Mission Band

St. Andrew's Presbyterian Church, Stirling, Maple Leaf Mission Band, was held in the church parlours on Saturday, April 18th, at 2.30 p.m., with a good attendance.

The meeting was opened by learning a new song, "Very Softly I Will Walk." Psalm 24 was read responsively, followed by the singing of "Jesus Loves Me. A prayer was said by the President.

The next meeting will be held on May 7th and members are requested to bring friends along with them. The treat for next month will be brought by Carol Ray. The offering was gathered by Janet and dedicated by Carol Ray.

A recitation was given by Lane Mace, followed by a piano solo by Allan Johnston. A story was given by Wanda and a piano solo by Janet Johnston. Miss Gena Spry continued with her stories about Missionaries. A new song was reviewed, "Heavenly Father Hear Our Prayer." The meeting closed with prayer by Kenneth Fargey. A treat was given by Carol and Kenneth Fargey.

St. Paul's W.M.A.

The April meeting of St. Paul's W.M.A. was held in the Sunday School Hall on Tuesday, April 14th, where the hostess, Mrs. Robt. Christie graciously welcomed each member and visitor at the door.

Mrs. W. T. Elliott presided over the short devotional and business periods. A number of the members who had attended Presbyterian meeting at Holloway St. Church in Belleville gave highlights from the different departmental conferences. The minutes of previous meeting were read and approved and roll call was responded to by thirty-five ladies.

Mrs. David Luery, group leader for April, then took charge of the afternoon programme. The theme for the worship service was Easter. After an opening prayer and singing of a hymn, appropriate verses written by Geo. M. Lovejoy were read by the leader. Mrs. Robt. Christie gave a short story related to the glorious Eastertide. Once again the members were privileged to hear Mrs. W. Wilkins, who sang a well-loved hymn. Mrs. H. West accompanied her at the piano. The Scripture passage was read by Miss D. Caldwell and Mrs. Clifford Lansing offered prayer. An "Easter Meditation" was read by Mrs. D. Luery who said, "Let us face the reality of the meaning of Easter for ourselves — that Christ lives, that the love which was great and mysterious enough to conquer the Cross, that reached warm and radiant and remembering for His friends grieving in the garden, reaches now for us; that the Father Who made the Cross a triumph can take our defeats and disappointments and losses and transform them into victories, if we will but offer them to Him; that His will for us is that we

should find eternal life, become His witnesses ourselves and enlist others also to share the good news".

A letter from one of the devoted missionaries working at All Peoples United Church in Hamilton was read, and described the various and strenuous activities shared by the workers there and showed the great need for more trained Christian workers.

Following the closing benediction a social half hour was enjoyed. The thanks of the members was tendered the committee in charge of program and lunch.

Body Recovered From Salmon River

Almost a month after he had drowned when his boat swamped in the Salmon River, the body of Wilbert McFarlane, 32, of Shannonville, was recovered on Tuesday evening.

Students of Ten Provinces Ottawa Guests of Rotary

Ottawa — The third annual Adventure in Citizenship sponsored by the Rotary Club of Ottawa, in co-operation with clubs throughout the Dominion will be held next week, beginning on Monday May 4th, with over 160 selected High School students representing all ten provinces in attendance for four days of sightseeing.

The young voters of tomorrow will visit and observe the Houses of Parliament in session, and later will receive Certificates of Canadian Citizenship at the hands of the Prime Minister, the Hon. Louis St. Laurent. They also will pay a call on His Excellency the Governor General, the Hon. Vincent Massey, at Rideau Hall.

A Know-Your-Capital program will include visits to the National Memorial Chamber in the clock tower of the Parliament Buildings, the National Art Gallery and Museum, the Royal Mint, the Central Experimental Farm, and other places of national and historical interest. As guests of the Federal District Commission, the young visitors will be shown the driveways and other beautification developments in the city and environs. They will visit "Moorside", the Kingsmere home of the late Hon. Mackenzie King, now a feature of Gattineau Park's \$9,000.
